amscoworldhistorypreparationbook: *Understanding the Doctrine of the Trinity* John Weekes, 2001-04-29 In writing this book, I was mindful of the many areas of conflict that exist between Christian and Christian, Christian and Jew, Christian and Jehovah Witness, Members of The Church of Latter Day Saints and others. The purpose was to examine critically, some of the main areas of conflict, and measure them against what the bible has to say concerning the Godhead, Father, Son and Holy Spirit, and to arrive at a reasonable, honest and dispassionate conclusion. One very clear and positive way was to show that Jesus, that great and unusual man of history, was indeed a man from heaven and is in fact God incarnate. Even those who have not accepted Jesus as God or equal with God, must admit that he was like no other. He was born in a lowly stable and died

a convicted felon. Yet the world in short order turned to him. Even the mighty Roman Empire which initially haunted and crucified, hanged and hounded Christians, eventually turned to Him and acknowledged Him. The evidence, then, is that Jesus is someone special. The Jewish ruler Nichodemus acknowledged he was from God. It follows, therefore, that if Jesus was from God, then it is reasonable to accept that he was a person of truth and integrity. Yet Jesus said he was God. God seems to have been well pleased with Jesus. Is it not reasonable, therefore, to accept Jesus at His word? Commonsense and logic answers a resounding Yes!
