Dive into the facts, explore the myths, and uncover the story behind one of America's most notorious haunted houses.

- The Origins of the Amityville Horror Files
- Details of the DeFeo Family Murders
- The Lutz Family's Haunting Experiences
- Investigations and Controversies Surrounding the Amityville Horror Files
- The Impact of Amityville Horror Files on Pop Culture
- Paranormal Research and the Legacy of Amityville

The Origins of the Amityville Horror Files

The Amityville Horror files originated from a series of tragic and mysterious events at 112 Ocean Avenue, Amityville, New York. The house became infamous following the brutal murders of the DeFeo family in 1974, and later, the reported supernatural occurrences experienced by the Lutz family in 1975. The combination of documented crime and alleged hauntings formed the basis of the Amityville Horror files, sparking widespread public interest and extensive media coverage. These files include police reports, interviews, photographs, and written accounts, contributing to the ongoing debate about the authenticity of the events. The Amityville Horror files remain one of the most referenced cases in paranormal literature and investigative journalism, serving as both a historical record and a subject of speculation.

Details of the DeFeo Family Murders

The Crime Scene at 112 Ocean Avenue

On November 13, 1974, Ronald DeFeo Jr. committed a shocking mass murder, killing six members of his family as they slept. The DeFeo family murders became the foundation of the Amityville Horror files, with investigators documenting the grisly scene and

amityville horror files: Haunted Files from the Edge Philip J. Imbrogno, 2012-08-08 The Strange, the Bizarre, and the Unexplained Just when you think Philip Imbrogno's infamous files have been exhausted, he presents us with another collection of spooky cases of unexplained strangeness. Pulled from more than thirty years' worth of investigations, these never-before-published cases involve run-ins with angry spirits, phantasms, monsters, and poltergeists. Through detailed on-scene investigations and historical research, Haunted Files from the Edge takes you on a creepy tour of notorious specters, haunted places, and legends such as the Ghosts of Sleepy Hollow, the Curse of the Green Witch, the Ghosts of the Alamo, and the Curse of Owsbury. Using state-of-the-art tools and special imaging techniques, Imbrogno has been able to find rational explanations for 73 percent of the cases he has investigated. The mystifying cases presented here, supported by eyewitness testimony and photographic evidence, are among those that defy explanation.

amityville horror files: The True Crime File Workman Publishing, 2022-05-10 It's a total crime wave: A mini encyclopedia of true crime, packed with stories of killers, cons, survivors, forensics and more! More than 200 stories of killers, con artists, master thieves, and brazen kidnappers—and strong survivors, detectives, forensic breakthroughs, and legal minds on all sides of the action. In other words, a mini-encyclopedia perfect for newcomers and hard-core crime fans alike. Here are the big names—Bundy, Manson, Berkowitz, Borden, and the Black Dahlia. The lingering mysteries—like JonBenet Ramsey and Natalie Wood. The disturbing puzzle of the Zodiac Killer. The true story behind the most lurid headline ever: “Headless Body in the Topless Bar.” Plus a feast of trivia and more, including the Psychopath test, how DNA profiling began, tattoo analysis, and quizzes like “Where Did They Hide?” and “Serial Killer Trophies.”

amityville horror files: The Encyclopedia of the Gothic, 2 Volume Set William Hughes, David Punter, Andrew Smith, 2015-12-21 THE ENCYCLOPEDIA OF THE GOTHIC “Well written and interesting [it is] a testament to the breadth and depth of knowledge about its central subject among the more than 130 contributing writers, and also among the three editors, each of whom is a significant figure in the field of gothic studies ... A reference work that's firmly rooted in and actively devoted to expressing the current state of academic scholarship about its area.” New York Journal of Books “A substantial achievement.” Reference Reviews Comprehensive and wide-ranging, The Encyclopedia of the Gothic brings together over 200 newly-commissioned essays by leading scholars writing on all aspects of the Gothic as it is currently taught and researched, along with challenging insights into the development of the genre and its impact on contemporary culture. The A-Z entries provide comprehensive coverage of relevant authors, national traditions, critical developments, and notable texts that continue to define, shape, and inform the genre. The volume's approach is truly

interdisciplinary, with essays by specialist international contributors whose expertise extends beyond Gothic literature to film, music, drama, art, and architecture. From *Angels and American Gothic* to *Wilde and Witchcraft*, *The Encyclopedia of the Gothic* is the definitive reference guide to all aspects of this strange and wondrous genre. The Wiley-Blackwell Encyclopedia of Literature is a comprehensive, scholarly, authoritative, and critical overview of literature and theory comprising individual titles covering key literary genres, periods, and sub-disciplines. Available both in print and online, this groundbreaking resource provides students, teachers, and researchers with cutting-edge scholarship in literature and literary studies.

amityville horror files: American Mass Murderers Valrie Plaza, 2015-03-02 *American Mass Murderers* collects nearly 700 pages of information about the most notorious killers in America, as well as some of the lesser-known murderers.

amityville horror files: Parapsychology: Ghosts and Hauntings Robert Young, 2015 In *Parapsychology: Ghosts and Hauntings*, Dr Robert Young provides an accessible and informative introduction to the science of Parapsychology, drawing on years of study and first-hand experience as an investigator of paranormal phenomena. For the first time, this book makes public the case files of The Office of Parapsychological Studies--Back cover.

amityville horror files: The Eyes Within Duane E. Coffill, 2014-03-26 Jack Olson, a real estate agent comes home from a business trip and discovers his family has been murdered and his wife, Maggie hanging from a rope with her neck snapped, utters a word to her husband before dying and then, the police arrive and Jack is arrested for the vicious crimes. The Drakes move into the house in hopes of providing a nice and safe place to stay and raise their kids, but soon discover...they're not alone...Det. Hall, a detective who wanted to have the house demolished, because of the dark secrets that he discovered in his investigation after the arrest of Jack Olson, asks for help from a pastor, a medium and the Drake's unusual and mysterious caretaker, Ole. What is hidden inside the house and what eyes look upon the Drake's as they find out in this supernatural thrill ride! A new family moves in: the Drakes. They also discover with the help of Det. Hall a medium, a pastor and a mysterious handyman named Ole trying to help a family from an evil entity within the house that is set to destroy the Drakes before it's too late.

amityville horror files: Contemporary British Horror Cinema Walker Johnny Walker, 2015-10-01 Combining industrial research and primary interview material with detailed textual analysis, *Contemporary British Horror Cinema* looks beyond the dominant paradigms which have explained away British horror in the past, and sheds light on one of the most dynamic and distinctive - yet scarcely talked about - areas of contemporary British film production. Considering high-profile theatrical releases, including *The Descent*, *Shaun of the Dead* and *The Woman in Black*, as well as more obscure films such as *The Devil's Chair*, *Resurrecting the Street Walker* and *Cherry Tree Lane*, *Contemporary British Horror Cinema* provides a thorough examination of British horror film production in the twenty-first century.

amityville horror files: Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old, the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism. In this new edition, Kim Newman brings his seminal work completely up-to-date, both reassessing his earlier evaluations and adding a second part that assesses the last two decades of horror films with all the wit, intelligence and insight for which he is known. Since the publication of the first edition, horror has been on a gradual upswing, and taken a new and stronger hold over the film industry. Newman negotiates his way through a vast back-catalogue of horror, charting the on-screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s, through to the slick releases of the 2000s, in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears. Newman invokes the figures that fuel the ongoing demand for horror - the serial killer; the vampire; the werewolf; the zombie - and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema-goers. *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but a

truly entertaining guide with which to discover the less well-trodden paths of horror, and re-discover the classics with a newly instructed eye.

amityville horror files: The Haunted House on Film Paul Meehan, 2019-12-06 A popular phenomenon since antiquity, the image of the haunted house is one that has translated elegantly into the modern medium of film. The haunted house transcends genre, appearing in mysteries, gothic romances, comedies and horror films. This book is the first comprehensive historical and critical study of themes surrounding haunted houses in film. Covering more than 100 films, it spans from the Mystery House thrillers of the silent era to the high-tech, big budget productions of the 21st Century. Included are the works of such acclaimed directors as D.W. Griffith, Robert Wise, Mario Bava, Alfred Hitchcock, Stanley Kubrick, Tim Burton and Guillermo Del Toro. The book also covers the real-life haunted house phenomenon and movies based on paranormal case files, including those featured in films like the Conjuring series.

amityville horror files: *Conjuring: The Ultimate Watch Order & Case File Companion* BrainFeed Guide, *Conjuring in Order — Chronological Watch Guide, Timeline & Ending Explained* Full spoilers • *Conjuring Universe explained* • *Watch order & continuity* Confused by the Conjuring Universe timeline? This fast, no-fluff guide shows you the chronological watch order, a clean plot summary for each film, and a plain-English ending explained—so your rewatch actually makes sense. Perfect for fans searching Conjuring in order, Conjuring timeline, watch order, Annabelle explained, The Nun/Valak lore, and Ed & Lorraine Warren cases. What you'll get inside: Chronological Order & Timeline: the Conjuring Universe in order, from The Nun (1952) → Annabelle: Creation (1955) → The Nun II (1956) → Annabelle (1967) → The Conjuring (1971)—with continuity notes, callbacks, and lore links (Valak, Bathsheba, artifact room, Warrens). Plot Summaries (no fluff): tight cause→effect breakdowns for quick memory refresh; great before a rewatch or franchise marathon. Ending Explained: clear answers to “what actually happened,” character choices, and the final shot implications—tailored for horror ending explained searches. Character & Motive: why the Warrens, Sister Irene, Maurice/Frenchie, Annabelle Higgins/Janice, and key antagonists do what they do. Lore & Rules: demonology basics, cursed objects, exorcism logic, and how Valak threads through multiple titles (Conjuring Universe continuity explained). Why readers love it: Answers first, no filler: made for fans who already watched the movies. Clear structure → clear sense: the franchise finally clicks in chronological order. Mobile-friendly & fast: finish in one sitting, then rewatch smarter tonight. Note: Unofficial commentary/analysis for educational discussion. Full spoilers.

amityville horror files: *The Good, the Bad, and the Godawful* Kurt Loder, 2011-11-08 The former Rolling Stone writer and MTV host takes off from classic Roger Ebert and sails boldly into the new millennium. Millions grew up reading the author's record reviews and watching him on MTV's The Week in Rock. In this collection of more than 200 movie reviews from MTV.com and, more recently, the Reason magazine Website, plus sidebars exclusive to this volume, Loder demonstrates his characteristic wry voice and finely honed observations. The author shines when writing on the best that Hollywood and indie filmmakers have to offer, and his negative reviews are sometimes more fun than his raves. This freewheeling survey of the wild, the wonderful and the altogether otherwise is an indispensable book for any film buff.

amityville horror files: Rob Zombie: The Halloween Machine Profile Paul Couselis, 2017-07-05 HALLOWEEN MACHINE PRESENTS: ROB ZOMBIE!! Paul Couselis (Rue Morgue, Lords of October) takes a look at one of HM's favorite Halloween and horror folks, director and musician Rob Zombie! This is the first in a series of profiles about influential people in the Halloween and horror industries, and Rob Zombie is BOTH, with his horror pedigree well earned in music, movies AND Halloween haunts. This book contains reviews of Zombie films, Kurtis Primm's creepy prose, an interview with Walter Phelan (Dr. Satan himself), catching up with Sid Haig, a look at what might be next for Rob Zombie, EFX artist Donnie Drumm's custom Halloween 2 masks and costumes, and more. With a jaw-dropping creepy-cool cover illustration by David Hanson and a full color back cover illustration by Halloween Machine's Audriana Couselis!

amityville horror files: Horror Film Murray Leeder, 2018-01-25 Throughout the history of

cinema, horror has proven to be a genre of consistent popularity, which adapts to different cultural contexts while retaining a recognizable core. *Horror Film: A Critical Introduction*, the newest in Bloomsbury's Film Genre series, balances the discussions of horror's history, theory, and aesthetics as no introductory book ever has. Featuring studies of films both obscure and famous, *Horror Film* is international in its scope and chronicles horror from its silent roots until today. As a straightforward and convenient critical introduction to the history and key academic approaches, this book is accessible to the beginner but still of interest to the expert.

amityville horror files: Ghosts in Popular Culture and Legend June Michele Pulliam, Anthony J. Fonseca, 2016-09-26 With entries that range from specific works to authors, folklore, and popular culture (including music, film, television, urban legend, and gaming), this book provides a single-volume resource on all things ghostly in the United States and in other countries. The concept of ghosts has been an ongoing and universal element in human culture as far back as recorded history can document. In more modern popular culture and entertainment, ghosts are a popular mainstay—from *A Christmas Carol* and *Casper the Friendly Ghost* to *The Amityville Horror*, *Ghostbusters*, *Poltergeist*, *The Sixth Sense*, and *Ghost Whisperer*. This book comprehensively examines ghost and spirit phenomena in all its incarnations to provide readers with a holistic perspective on the subject. It presents insightful information about the contribution of a specific work or author to establish or further the evolution of ghost lore, rather than concentrating solely on the film, literature, music, or folklore itself. The book focuses on ghosts in western culture but also provides information about spirit phenomena and lore in international settings, as many of the trends in popular culture dealing with ghosts and spirits are informed by authors and filmmakers from Germany, Japan, Korea, and the United Kingdom. The writers and editors are experts and scholars in the field and enthusiastic fans of ghost lore, ghost films, ghost hunting, and urban legends, resulting in entries that are informative and engaging—and make this the most complete and current resource on ghost and spirit lore available.

amityville horror files: The Conjuring Kevin J. Wetmore Jr., 2021-07-01 In 2013 an apparently simple, back-to-basics scary movie transformed horror cinema for the rest of the decade. Based on the allegedly true story of the Perron family haunting and subsequent investigation by ghost hunters Ed and Lorraine Warren, *The Conjuring* has to-date spawned six sequels and prequels, making up a *Conjuring* 'universe' that has taken over a billion dollars around the world. The *New York Times* called *The Conjuring* 'a fantastically effective haunted-house movie' which, following his earlier film *Insidious*, established director James Wan as a force in horror cinema. In this *Devil's Advocates*, horror scholar Kevin Wetmore examines what elements in the film are truly terrifying, how the filmmakers' claims of being based on a true story hold up against the actual history of the haunting and the Warrens, and the relationship between *The Conjuring* and the many films in its universe. Along the way this book also considers how games, toys and dolls play an important role in the series, offers a critique of gender roles in the films, and asks the question, what is actually 'conjured' in *The Conjuring*? The delightful result is an in-depth, close reading of a film that uses standard horror tropes masterfully to create a truly scary film.

amityville horror files: Ghost Hunters Ed Warren, Lorraine Warren, Robert David Chase, 2014-10-04 "Ghosts are always hungry," someone once said—and no one knows how ravenous they really are more than Ed & Lorraine Warren, the world's most renowned paranormal investigators. For decades, Ed and Lorraine Warren hunted down the truth behind the most terrifying supernatural occurrences across the nation... and brought back astonishing evidence of their encounters with the unquiet dead. From the notorious house immortalized in *The Amityville Horror* to the bone-chilling events that inspired the hit film *The Conjuring*, the Warrens fearlessly probed the darkness of the world beyond our own, and documented the all-too-real experiences of the haunted and the possessed, the lingering deceased and the vengeful damned. *Graveyard* chronicles a host of their most harrowing, fact-based cases of ghostly visitations, demonic stalking, heart-wrenching otherworldly encounters, and horrifying comeuppance from the spirit world. If you don't believe, you will. And whether you read it alone in the dead of night or in the middle of a sunny

day, you'll be forever haunted by its gallery of specters eager to feed on your darkest dread. Don't miss the Warrens' latest film "Annabelle" in theaters now.

amityville horror files: Psychic Detectives Jenny Randles, Peter Hough, 2024-06-15 Through dreams, visions, telepathy, and a host of other means, psychics have also predicted and tried to prevent many serious crimes. Psychic Detectives allows you to enter their world, revealing their astounding experiences and the often heavy price they pay for sharing what they know.

amityville horror files: Friday the 13th ,

amityville horror files: *Horror Films of the 1970s* John Kenneth Muir, 2012-11-22 The seventies were a decade of groundbreaking horror films: The Exorcist, Carrie, and Halloween were three. This detailed filmography covers these and 225 more. Section One provides an introduction and a brief history of the decade. Beginning with 1970 and proceeding chronologically by year of its release in the United States, Section Two offers an entry for each film. Each entry includes several categories of information: Critical Reception (sampling both '70s and later reviews), Cast and Credits, P.O.V., (quoting a person pertinent to that film's production), Synopsis (summarizing the film's story), Commentary (analyzing the film from Muir's perspective), Legacy (noting the rank of especially worthy '70s films in the horror pantheon of decades following). Section Three contains a conclusion and these five appendices: horror film cliches of the 1970s, frequently appearing performers, memorable movie ads, recommended films that illustrate how 1970s horror films continue to impact the industry, and the 15 best genre films of the decade as chosen by Muir.

amityville horror files: The Gothic Tradition in Supernatural Melissa Edmundson, 2016-04-27 The CW's long-running series Supernatural follows the adventures of brothers Sam and Dean Winchester as they pursue the family business of hunting supernatural beings. Blending monster-of-the-week storylines with the unfolding saga of the brothers' often troubled relationship, the show represents Gothic concerns of anxiety, the monstrous, family trauma and, of course, the supernatural. The lines between human and monster, good and evil, are blurred and individual identities and motivations resist easy categorization. This collection of new essays examines how the series both incorporates and complicates Gothic elements related to traditional tropes, storytelling, women and gender issues and monstrosity.
