astrology tarot spreads download: Horoscope Matching Dr. S.C. Kursija, This book deals with the fundamentals of Horoscope matching. Today Horoscope matching has become the indispensable part of Hindu marriage. But it has not been mentioned in any old Jataka scripture of Astrology. However, it has been described in the Muhurta scriptures of the same. In Ramayan, marriage of Rama, Bharata, Lakshmana and Shatrughna has been described elaborately. But, in this great epic also Horoscope matching has not been mentioned. Likewise, in Mahabharata, too, it has

not been cited. Therefore, it can be said that Horoscope matching in Astrology was not in practice a few centuries ago. But, the community accepted and made it an indispensable part keeping its usefulness in view. Different systems of Horoscope matching are in practice in different parts of India. In North India, Ashtakuta matching is in practice whereas in South Dasakuta matching is in fashion. But Ashtakuta matching is in vogue in most part of India. This is why the All India Federation of Astrologers' Societies has accepted and prescribed this system of Ashtakuta matching for the courses of its students. The book has been written keeping in view the courses introduced by the All India Federation of Astrologers' Societies, Delhi. The students are advised to study "Kundali Milana-Sukhi Dampatya Jeevana Ka Adhar" because prediction of a happy married life cannot be made by Ashtakuta matching only. This shows only the amity, love and mutual understanding between the two. But to determine the age, health and ups and downs in life of the couple some other aspects such as Period-sub-period, Dosha Samya etc. are also essential to be analyzed. An analysis of long conjugal life is essential for its stability. So, apart from Ashtakuta matching, we should keep in view other aspects also. To know all this, "Kundali Milan - Sukhi Dampatya Jeevana Ka Adhara" is prescribed.

astrology tarot spreads download: Conceiving Histories Isabel Davis, 2025-09-02 A

fascinating and beautifully illustrated account of trying to conceive in both the past and the present. Inspired by the author's own experiences, *Conceiving Histories* brings together history, personal memoir, and illustration to investigate the culturally hidden experience of trying to conceive. In elegant, engaging prose, Isabel Davis explores the combination of myth, fantasy, science, and pseudo-science that the (un)reproductive body encounters in pursuit of a viable pregnancy. The book chronicles the trying-to-conceive lifecycle arc from sex education at school, through the desire to be a parent, into the specifics of trying and struggling to conceive. It also looks back at conception throughout history to open a new vista on what we live with today. A central argument of Davis's is that historical people lived with the unknown just like we do but were more explicitly able to acknowledge it. In an age of assistive reproductive technologies, the act of embracing uncertainty seems difficult. Although the topic of not conceiving is potentially painful, this is not a grim book; more than grief, it is motivated by curiosity, wonder, compassion, and even humor. With 108 full-color illustrations, *Conceiving Histories* is also a beautiful material object, an intentionally playful antidote and supplement to online search engines—the resort of so many embroiled in fertility challenges.

astrology tarot spreads download: Prediction through Dasha System S.C. Kursija, Prediction through Dasha System is the chief objective of Predictive Astrology. Maharshi Parashar has mentioned 43 types of Dashas in his Brihat Parashar Hora Shastra. Here in this book the Vimshottari Dasha has been mentioned elaborately in particular, which is used extensively. Besides, the Ashtottari and Yogini Dashas have also been narrated briefly. Vimshottari Dasha system is based on constellation. This system is used throughout India and recognized by all. It is based on the lordship of planet. The native can have result according to the house of which the planet is the lord. So, it is essential to know the Karakatva of the house and the merit of the lord of it. The book has been composed keeping in view the problems of the students of All India Federation of Astrologers' Societies on the inspiration of Mr. Arun Kumar Bansal. This book explains the method of prediction on the basis of Dasha in any easy to understand manner. A learned astrologer has to make study of the three different parts of a horoscope - 1. Yoga, the combination of planets and Lords, 2. Period-sub-period i.e. dasha, 3. Gochar that is, transit. All the three parts are the supplements of each other. Yoga is most important among all the three parts. Period-sub-period i.e. dasha may prove to be futile if there is no Yoga in a horoscope. For example, Period-sub-period that of Lord of fifth house or of Karaka planet cannot bless a native with a child if there is no Santan Yoga in his horoscope. Likewise, Gochar too cannot do anything if there is no Yoga in a horoscope. So, all the three parts are essential to have the result.

astrology tarot spreads download: *Heavens and Earth* Garima Garg, 2022-08-16 What will the future bring? The ancient astrologer turned the impulse to answer this question into something meaningful by mapping the night skies and attempting to see in the movement of planets and stars an impact on human lives. But did all astrologers see the same night sky? Did the observations of the Hindu astrologer match those of the Greek? How did the Egyptians and the Chinese understand the influence of the Sun and the Moon on our lives? Over the centuries, as astrology developed and

evolved, it also seeped into our philosophies, religions, literature and arts. And it grew and shape-shifted in step with the times. Whereas the ancient astrologer was as much seer as astronomer, the modern counterpart is a tech-savvy innovator.
