**business management prasad ebook: *Digital Mindsets*** Ricarda Rauch, 2022-11-25 Digital technologies change employees' working environments, methods and behaviours profoundly and are challenging employees' very personal beliefs, attitudes and identities. Digital mindsets provide insight into an individual's beliefs, attitudes and assumptions related to digitalisation. Strongly influencing employee behaviour, they play a major role in an organisation's digital transformation. Building on research on mindsets, cognition and digitalisation, Ricarda Rauch analyses digital mindsets both conceptionally and empirically. Within one qualitative and two quantitative studies, she explores the personal meaning of digitalisation and derives four central digital mindsets. Her research helps to better understand the extent to which digitalisation impacts employees, explains their subsequent behaviour, and proposes beneficial employee development measures. The thesis reveals relevant implications for organisational researchers, HR practitioners and management alike.

**business management prasad ebook: Digital Entrepreneurship in Africa** Nicolas Friederici, Michel Wahome, Mark Graham, 2020-07-28 The hope and hype about African digital entrepreneurship, contrasted with the reality on the ground in local ecosystems. In recent years, Africa has seen a digital entrepreneurship boom, with hundreds of millions of dollars poured into tech cities, entrepreneurship trainings, coworking spaces, innovation prizes, and investment funds. Politicians and technologists have offered Silicon Valley-influenced narratives of boundless opportunity and exponential growth, in which internet-enabled entrepreneurship allows Africa to leapfrog developmental stages to take a leading role in the digital revolution. This book contrasts these aspirations with empirical research about what is actually happening on the ground. The authors find that although the digital revolution has empowered local entrepreneurs, it does not untether local economies from the continent's structural legacies.
