christian study materials printable: Reading Christian Scriptures in China Chloe Starr,

2008-04-02 This volume sets out to examine how Christian scriptures have been read within a Chinese reading tradition, and to assess what questions such readings pose for both theologians and Chinese studies specialists. The absence to date of publications on the topic, and the scattered nature of such research and of scholars in the field makes this an important contribution to debate. The volume gathers essays from Biblical studies experts together with theologians and Chinese text scholars to discuss the interdisciplinary questions raised. Essays from mainland, Taiwanese and diasporic Chinese scholars ensure that a range of opinions (including those reflecting fault lines between 'academic' and 'confessional' positions) are presented. Within the four sections of the volume, several papers discuss and correct the current lineage of historical readings, while others study the historical impact of the Bible in Chinese society. Four essays give contextual or cross-cultural readings, with a focus on individual exegetes, mainly from the early twentieth century. The power of performance is raised in two essays, one comparative paper on Christian and Buddhist scriptures from the Qing dynasty and one on the singing of psalms in modern day Taiwan and Macao. Moral questions preoccupy others, including the challenges that early Chinese converts found in Biblical laws or Christian guidance on concubinage, and extrinsic readings of the Sermon on the Mount.

christian study materials printable: *He Chose the Nails Bible Study Guide* Max Lucado, 2016-09-13 Every gift from God reveals his love, but no gift reveals his love more than the gifts of the cross. These gifts came not wrapped in paper but in passion. They were not placed around a tree but around a cross. They were not covered with ribbons but sprinkled with the blood that Christ shed on our behalf. In this five-session video Bible study, Max Lucado explores the many gifts that Christ provided to us at his crucifixion. These include not only the gift of the cross, but also the gift of the thorns that pierced his brow. The nails that tore his flesh. The seamless robe that he removed for us. The empty tomb where he forever defeated sin and death. The hill of the cross is rich with the gifts of God's grace. These were gifts he didn't have to give. The only required act for our salvation was the shedding of blood, yet God did so much more. So, as we unwrap these gifts, we need to pause and listen for his voice. As we do, perhaps we will hear him whisper, "I did it just for you." The He Chose the Nails Study Guide includes video discussion questions, Bible exploration, personal study and reflection materials for in-between sessions, and an additional session for churches and small groups using this study as part of Lent. Session include: He Chose to Be One of Us He Chose to Forgive Us He Chose to Invite Us into His Presence He Chose to Love Us Forever He Chose to Give Us Victory Designed for use with the He Chose the Nails DVD 9780310687849 (sold separately). christian study materials printable: *How Happiness Happens Bible Study Guide* Max Lucado, 2019-09-03 There's a path to happiness that always delivers. Our culture tries to convince us there is one way to happiness: aspire, acquire, desire, retire. We're told that happiness depends on what we

hang in our closet, park in our garage, and deposit in our bank account. Yet it's a path that always fails to deliver. In this video Bible study, (DVD/video streaming sold separately) bestselling author Max Lucado looks at several compelling passages in the Bible that reveal how the happiest people on earth aren't those who have the most but those who are willing to give the most away. Max also uses Scripture to show us how to address some of the most common sources of unhappiness, such as: Dealing with difficult people. Coping with tough circumstances. Overcoming low self-esteem. Managing stress. God wants to bring joy to the people of this generation. In his Word, he has given us practical and applicable ways to discover that joy by sharing it with others. Although the world can be a lonely and disappointing place, we can be God's representatives to bring about a cascade of kindness! While we won't be able to solve every problem, we can bring a few smiles to a few faces—and in this way, we might even initiate our own quiet revolution of joy. How Happiness Happens is perfect for small groups of friends or church groups who want to get to know each other better, and for introverts and extroverts alike. christian study materials printable: Receptor-Oriented Communication for Hui Muslims in China Enoch Jinsik Kim, 2018-04-18 There are many books that highlight the need and importance of mission toward unreached people. Unfortunately, few of them deal with the importance of understanding the real life of unreached people and how to analyze them. This book identifies conceptual issues for the development of receptor-oriented communication strategies among young, educated, urban Hui (YEU-Hui) Muslims in China's northwestern cities in order to achieve culturally relevant churches in those areas. It is written to help not only those who are interested in the unreached, but also those who are interested in Muslim evangelism, urban sociology, biblical exegesis, contextual church planting, communication, and mission strategy. Enoch Jinsik Kim utilizes a new approach--virtual community mission for planting offline churches--that integrates the use of local church-driven Internet community, traditional media, and offline task teams from a multi-ethnic local church. While the research focuses on the Chinese Muslim context, the identification of the young, urban, and educated as a strategic group for mission can be applied in other Muslim and non-Muslim contexts. This research is useful to cross-cultural communicators, church planters, and all those interested in interpersonal relationships.
