christian devotional books pdf: Touching, Devotional Practices, and Visionary Experience in the Late Middle Ages David Carrillo-Rangel, Delfi I. Nieto-Isabel, Pablo Acosta-García, 2019-12-16 This book addresses the history of the senses in relation to affective piety and its role in devotional practices in the late Middle Ages, focusing on the sense of touch. It argues that only by deeply analysing this specific context of perception can the full significance of sensory religious experience in the Late Middle Ages be understood. Considering the centrality of the body to medieval society and Christianity, this collection explores a range of devotional practices, mainly relating to the Passion of Christ, and features manuscripts, works of devotional literature, art,

woodcuts and judicial records. It brings together a multidisciplinary group of scholars to offer a variety of methodological approaches, in order to understand how touch was encoded, evoked and purposefully used. The book further considers how touch was related to the medieval theory of perception, examining its relation to the inner and outer senses through the eyes of visionaries, mystics, theologians and confessors, not only as praxis but from different theoretical points of view. While considered the most basic of spiritual experience, the chapters in this book highlight the all-pervasive presence of touch and the significance of 'affective piety' to Late Medieval Christians. christian devotional books pdf: Crying Angels Sarah V. Tinsley, 2018-10 Most of us can probably think of a spiritual experience in our life that made a permanent profound impression. God reveals His infinite love through our personal experiences. Too often these stories of spiritual reality are never shared with others. When I began praying for spiritual experiences when my parents were very ill, I was blessed with a visit from crying angels. The first story in my book, *Crying Angels*, inspired the title of my book. I felt I should record and share my spiritual stories and the stories I had heard from others. I realized that both the teller and the listener's faith in God increases when stories are shared. Our sharing creates a ripple effect of numerous blessings. My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you. Sarah V. Tinsley

christian devotional books pdf: Treasures from an Old Book Lorin Bradbury Ph.D., 2025-05-21 This book is unique in that it is not another commentary on the book of Proverbs; it is a practical application of each proverb written by Solomon and included in chapters 10 and 11 of the book of Proverbs. These lessons were originally taught to the Bethel United Pentecostal Church in Bethel, Alaska on Wednesday evenings between 2003 and 2008. In current form, these lessons are excellent devotionals easily read in one setting. "Ever since I got my hands on a copy of Treasures from an Old Book: Ancient Wisdom for a Modern World Volume 1, I've been eagerly looking forward to receiving Volume 2. Once again, Dr. Lorin Bradbury provides valuable insights through these lessons that are beneficial to both teachers and students. I highly recommend this excellent resource on the book of Proverbs!" —C. Anthony Ballesterio, Pastor New Destiny Worship Center Clearwater, Florida Treasures from an Old Book, Volume 2. "The author draws from the rich treasure trove of Scripture and offers timeless wisdom from the book of Proverbs, expertly unpacked to provide practical insights for everyday life." —Justin Henry, Evangelist/Youth Pastor Odessa, Texas Treasures from an Old Book, Volume 2. "Each lesson is a Gold Mine of knowledge. I count it a high privilege to comment on Dr. Lorin Bradbury's book presentation. I want to express that only a consecrated life of Holiness like Dr. Bradbury's reflects lessons that keep us mindful of the light that the Word of God produces for our families. Solomon asked for divine wisdom and God allowed him to express God's wisdom for our lives. Dr. Bradbury is another conduit of God's wisdom for us today. I have no doubt the Lord inspired this book. Read this book and be blessed." —Ron Guidroz, Evangelist Brenham, Texas

christian devotional books pdf: Her Gates Will Never Be Shut Brad Jersak, 2010-01-01 Everlasting hell and divine judgment, a lake of fire and brimstone--these mainstays of evangelical tradition have come under fire once again in recent decades. Would the God of love revealed by Jesus really consign the vast majority of humankind to a destiny of eternal, conscious torment? Is divine mercy bound by the demands of justice? How can anyone presume to know who is saved from the flames and who is not? Reacting to presumptions in like manner, others write off the fiery images of final judgment altogether. If there is a God who loves us, then surely all are welcome into the heavenly kingdom, regardless of their beliefs or behaviors in this life. Yet, given the sheer volume of threat rhetoric in the Scriptures and the wickedness manifest in human history, the pop-universalism of our day sounds more like denial than hope. Mercy triumphs over judgment; it does not skirt it. *Her Gates Will Never Be Shut* endeavors to reconsider what the Bible and the Church have actually said about hell and hope, noting a breadth of real possibilities that undermines every presumption. The polyphony of perspectives on hell and hope offered by the prophets, apostles, and Jesus humble our obsessive need to harmonize every text into a neat theological system. But they open the door to the eternal hope found in Revelation 21-22: the City whose gates will never be shut; where the Spirit and Bride perpetually invite the thirsty who are outside the city to Come, drink of the waters of life.

christian devotional books pdf: MAMA JO'S Book of Prayers Jo Pack, 2019-02-12 Negative issues in life can cause most of us to lose focus on what is essential. Remember what happened to Peter when he took his focus off Jesus and began to focus on his surroundings? That is right; he began to sink. *Mama Jo's Book of Prayers: A Prayer for Almost Every Situation Including Scriptures for Study and Meditation* will help us hold on to our Lord and Savior, Jesus Christ, during turbulent times. At one point in our history, children all over the world began each weekday communicating with God through prayer at school. God has been deemed unconstitutional and forced to leave our schools. Now, our schools and colleges have become infiltrated with demonic spirits. These demonic spirits have manifested characters of their spiritual wickedness in our children. *Mama Jo's Book of Prayers: A Prayer for Almost Every Situation Including Scriptures for Study and Meditation* will be the tool God uses to get His people back in prayer. Envision with me, millions of people on one accord studying and meditating on God's Word, praying for more than thirty situations at a time. *Mama Jo's Book of Prayers: A Prayer for Almost Every Situation Including Scriptures for Study and Meditation* will enable me to be a voice to the masses to deter most of the fiery darts Satan throws by the name of family destruction, bondage, divorce, violence, and others. It is time we come together to pray to stop setting records for acts of violence within our communities. We must fervently pray for our children to surpass records of doing well in school, preparing for a brighter future. Let us make a concerted effort to greet each other with a smile and a hello daily. Remember much prayer, much power. Little prayer, little power. No prayer, no power.

christian devotional books pdf: Gospel Theology John Kuyper Liberty, 2021-05-07 The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints. Neither is it one of many components of the Christian religion. It is the central purpose, heartbeat, and jewel of the entire universe. It is the power of God Almighty. It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world. Whether we acknowledge it or not, Jesus Christ is the Lord, Savior, and Treasure. This gospel of Jesus Christ is God's grace for individuals, and God's grace for all of creation. John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation (upward theology), how we understand and relate to ourselves and other Christians

(inward theology), and how we understand and relate to God's broader creation, our communities, our cultures, and those who are not Christians (outward theology). This monumental resource written for all people includes chapter titles like The Good News of God's Word, Gospel Worship, Gospel Joy, The Gospel and Money, The Gospel-Centered Home, The Gospel and Work, and Gospel Society. Jesus Christ, by his perfect life, bloody cross, resurrection in power, and ascension into Kingship, is reconciling all things to himself.
