cahn prophecy books: The New Apostolic Reformation, Trump, and Evangelical Politics Damon T. Berry, 2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights, or a nostalgia for an imagined American golden age, this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America. Damon T. Berry examines how leaders within the New Apostolic Reformation (NAR), a charismatically inclined Evangelical

movement, claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump's candidacy, and to continue to defend his presidency, re-election against demonically inspired, Marxist, "Deep State" enemies. In this conspiratorial cosmology, spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent, unpatriotic forces that oppose him, the nation, and God himself. Working from primary source materials produced by leading figures among the NAR, Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy, presidency, and re-election effort, and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century.

cahn prophecy books: Hidden Truth from Prophecy—Beyond 2012 Robert B. Scott, 2012-10-26 The Harbingers warnings to America expose an important, untold story, the astounding truth about prophecy hidden from the Christian world. This work is like a sequel, unveiling the mysteries of prophecy. The keys to the enigma that is Bible prophecy consist in knowing these rarely understood truths: America is identified in the Bible and is a major player in prophecy. The books of Job and Isaiah are the foundations of all Bible prophecy. Aliens and giants are also mentioned in Gods Word and will play a major role in end-time events. Quote from the book: This is more than a book that warns the world of what is about to happen. It is also a book that offers a sure hope for the future. While the winter solstice of 2012 will indeed begin the time of the greatest spiritual darkness the world has ever known, its not the end. Its not the end of the world; its not even the end of this age.

cahn prophecy books: Debunking Jonathan Cahn - 2: A Comprehensive Critique of The Dragon's Prophecy Advanced Apologetics Research, Debunking Jonathan Cahn - 2: The Errors in The Dragon's Prophecy, aims to provide a critical examination of Cahn's arguments and assumptions. It is not an attack on Cahn as a person but a rigorous exploration of his claims, their alignment with biblical teachings, and their implications for Christian faith and understanding. As Christians, we are called to test everything; hold fast to what is good (1 Thessalonians 5:21), a principle that applies to prophetic interpretations as much as any other aspect of faith. In this book, we will carefully dissect the themes, arguments, and assumptions presented in The Dragon's Prophecy. Chapters will explore the methodology and epistemology underpinning Cahn's work, the logical fallacies present in his arguments, and the broader theological implications of his claims. Additionally, we will consider the psychological and cultural factors that may influence Cahn's perspectives, including the historical trauma of the Jewish people and the challenges of interpreting scripture in the context of ongoing geopolitical conflicts.

cahn prophecy books: End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday-Rapture theories of Dispensational Premillennialism and their Zionist partners? Well, now that we've survived John Hagee's Four Blood Moons, Jonathan Cahn's Super Shemitah, and the menacing tentacles of the now defunct European Union and Islamic State (the supposed Beast Kingdoms of Revelation 17), the Futurist's next false claim centers around the 70-year anniversary of Israel's founding. Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ? Many Doomsday-Rapture forecasts have been put forth in the name of Futurism since the 2nd-century AD, none of which have come to fruition. This is disconcerting, because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ. The age-old, tried-and-true Orthodox (aka Partial or Classical) Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD, and included Jesus' appearing in an Old Testament-styled, non-physical manifestation with power and great glory. All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead (which is when the rapture also occurs), preside over the final judgment, and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends (as per Revelation 20:7 - Revelation 22:5).

cahn prophecy books: Summary of Jonathan Cahn's The Oracle Everest Media,, 2022-08-21T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Jubilean mysteries are a mystery of mysteries. They were birthed in a desert not unlike this one and on a mountaintop not unlike the one on which we sit. They have determined the course of empires and superpowers, kings and presidents. #2 I was a skeptic. I didn't believe in any purpose or significance in life. I saw everything as a series of random events and accidents. I was the last person to be telling you about the fingerprints of God. #3 The Oracle was a person who spoke divine revelation or counsel or prophecy. The ancient world was filled with oracles, and as long as people seek revelation, there will always be oracles of one kind or another. #4 The oracles were a part of pagan religion. The Bible speaks of the pagan soothsayers and warns against their practices, the channeling of spirits, the practicing of divination, and the worship of pagan gods. But the Bible is also filled with those called and appointed to bring forth divine messages and revelations, to share divine counsel, and to discern and interpret the signs of the times.

cahn prophecy books: The Truth In Black & White Harry R, Jr. Jackson, 2012-10-30 As we are bombarded almost daily with the latest news on the presidential candidates or the newest political scandal, we lose focus on the important, far-reaching platforms that we as Christians should be whole-heartedly a part of. Pastor Jackson believes that churches hold the answer to this loss of focus and addresses it at length in The Truth in Black and White. Breaking down the walls of partisanship and stereotypes to uncover the poisonous roots, Jackson stands up for Christian justice and Godly righteousness coming from the church and into the public square. Above that, he issues a call back to truth as the impetus for arresting the downward spiral of culture, including politics, and correcting the course for the benefit of all Americans.

cahn prophecy books: The Final Rapture Doc Marquis, 2017-10-03 The end is just the beginning. The rapture is one of the simplest concepts found in the Holy Bible, yet there is a great amount of confusion and division concerning whether the next and final rapture will occur before the Tribulation, in the middle of the Tribulation, or after the Tribulation. Doc Marquis settles the question once and for all in The Final Rapture. Marquis dissects specific prophecies to show how close we truly are to the final rapture. He uses information from the Book of Revelation to alert those who are in danger of missing it—those who may still be on Earth during the Tribulation Period—to what they must live through if they are still here.

cahn prophecy books: The Real Kosher Jesus Michael L. Brown, 2012-04-03 Jesus-Yeshua. The most influential Jew who ever lived. The most controversial Jew who ever lived. He has been called a rabbi, a rebel, a reformer, a religious teacher, a reprobate sinner, a revolutionary, a

redeemer. Some have claimed he was a magician, others the Messiah. Some say he was a deceiver; others say he was divine. Who is this Jesus-Yeshua, and why are we still talking about him two thousand years later? Recently a prominent Orthodox Jewish rabbi presented a new version of Jesus, a Kosher Jesus that Jews can accept. By reclaiming Yeshua as a fellow Jew and rabbi, he has taken a very major and truly wonderful step in the right direction, but by re-creating Jesus, he has also robbed him of his uniqueness. The Real Kosher Jesus takes you on a journey to uncover the truth. It is a journey filled with amazing discoveries and delightful surprises, a journey that is sometimes painful but that ends with joy, a journey through which you will learn the real story of this man named Yeshua: the most famous Jew of all time, the Jewish nation's greatest prophet, the most illustrious rabbi ever, the light of the nations and Israel's hidden Messiah.

cahn prophecy books: In Defense of Israel, Revised John Hagee, 2011-12-05 Why is the Middle East in such turmoil? Is the modern State of Israel in the plan of God? Can and should Christians do more than pray for Israel? Does God's Word contain instructions to Christians regarding the treatment of Jewish people? In the near-thirty years John Hagee has been a lover of Israel, he has grappled with each of these questions. Most Christians today don't know much about the Jewish faith or the history of the Jewish nation. They don't understand what is truly at stake in the Middle East conflict and why Christians need to do more than just pray for the peace of Jerusalem. They don't know the role they've been called to play in relationship with Israel, and they aren't sure how God feels about Israel today, either. As Hagee guides readers through the scriptures that explain why Christians need to stand with Israel and the Jews today with as much fervor as God does, they will encounter a man deeply passionate about loving this historic people of God. They'll be inspired to take up that same mantle of love and play a part in extending acceptance and favor to the people of Israel, just as God has called them to do.
