captive novel download: Representing Post-Revolutionary Iran Hossein Nazari, 2022-06-30
Memoirs of diasporic Iranian-American authors are a unique and culturally powerful way in which Iran, its politics, and people are understood in the USA and the rest of the world. This book offers an analysis of the processes of production, promotion, and reception of the representations of post-revolutionary Iran. The book provides new perspectives on some of the most famous examples of the genre such as Betty Mahmoudy's *Not Without My Daughter*, Azar Nafisi's *Reading Lolita in Tehran: A Memoir in Books*, and Fatemeh Keshavarz's *Jasmine and Stars: Reading More Than Lolita in Tehran*. Hossein Nazari places these texts in their social, historical, and political contexts, tracing their origins within the trope of the American captivity narrative, teasing out and critiquing neo-Orientalist tendencies within, and finally focusing on modes of discursive resistance to neo-Orientalist narratives. The book analyzes the structural means by which stereotypes about Islam and women in the Islamic Republic in these narratives are privileged by news media and the creative industries, while also charting a growing number of 'counterhegemonic' memoirs which challenge these narratives by representing more nuanced accounts of life in Iran after 1979.

captive novel download: The Symmetry Teacher Andrei Bitov, 2014-07-08
From one of the greatest Russian writers of the past half century comes a metaphysical mystery novel that defies categorization and confounds expectation. Andrei Bitov's *The Symmetry Teacher* presents itself as the echo of an older British novel Bitov once read and had long forgotten. Unable even to recall the name of that novel's author, Bitov reconstructs its literary vision through the fog of memory, creating a group of stories nestled together like a matryoshka doll. In doing so, Bitov evokes the anxieties of the late and post-Soviet decades, confronting urgent questions of conscience and self-deception through an innovative style that revels in paradox and sleight of hand. Unified by the delightfully maddening search for the identity of a writer toiling in obscurity, *The Symmetry Teacher* takes us through a curious series of episodes: A man meets the devil on a park bench and the devil shows him photographs of the fall of Troy, Shakespeare's legs, and a terrible event that will take place in his future. A young poet fleeing his past is stranded on a windswept island and tormented by a lover and her shape-shifting evil twin. Three friends, unable to become writers, start a literary society where books and manuscripts are neither read nor returned and new members are accepted only if their work is unwritten. A king who reigns over all possible worlds and uses his power to

remove stars from the sky turns out to be the compiler of the Encyclopædia Britannica. Writing with impish daring, Bitov crafts an enchanting fiction from interwoven fables. The result challenges the boundaries between life and literature, author and reader, and memory and imagination, exploring the sacrifices that a writer may make out of ardor for his art. Mingling fantasy and satire with moral concern, Bitov is a deserving heir to the tradition of Gogol, Dostoevsky, and Bulgakov. The Symmetry Teacher showcases the work of a postmodern master at the height of his craft.

The longer I remain trapped with him, the more I come to suspect that I'm not the only captive in his brother's home. Andrés' scars go deeper than the wicked furrows carved into his flesh, his pain reflected in the dark demands he imposes upon me. His obsession is twisted and

wrong, but maybe I'm twisted, too. Do I want to be rescued from him? Or is he the one who truly needs saving? Keywords: dark romance, capture fantasy, antihero, kidnapping, romantic suspense, standalone

captive novel download: *Adulthood Rites* Octavia E. Butler, 2014-03-27 'Octavia Butler was playing out our very real possibilities as humans. I think she can help each of us to do the same' GLORIA STEINEM 'Her evocative, often troubling, novels explore far-reaching issues of race, sex, power and, ultimately, what it means to be human' NEW YORK TIMES From the groundbreaking, award-winning author of *Parable of the Sower*: one young man with extraordinary gifts must reconcile his own heritage before he can change the fate of humanity. Lilith's son Akin looks like an ordinary child. His family live together on Earth, but not in complete peace. The Oankali saved humanity years before, compelled by the desire to create an extraordinary new race of children. But there are those who resist the Oankali and the salvation they offer. The first of his kind, Akin is more powerful than any other being. He understands the desire to fight for the independence of humanity. He also fears that, if left alone, humanity will destroy itself again. And when young Akin is stolen from Lilith and their hybrid family, he soon faces an impossible choice. But first he must reconcile with his own heritage in a world already torn in two. PRAISE FOR OCTAVIA E. BUTLER, THE NEW YORK TIMES BESTSELLING AUTHOR 'In the ongoing contest over which dystopian classic is most applicable to our time... for sheer peculiar prescience, Butler's novel may be unmatched' NEW YORKER 'Butler's prose, always pared back to the bone, delineates the painful paradoxes of metamorphosis with compelling precision' GUARDIAN 'Octavia Butler was a visionary' VIOLA DAVIS 'One of the most significant literary artists of the twentieth century. One cannot exaggerate the impact she has had' JUNOT DIAZ 'An icon of the Afrofuturism world, envisioning literary realms that placed black characters front and center' VANITY FAIR 'Butler writes with such a familiarity that the alien is welcome and intriguing. She really artfully exposes our human impulse to self-destruct' LUPITA NYONG'O
