college composition guide download: Real Writing Mitchell Nobis, Daniel Laird, Carrie Nobis, Dawn Reed, Dirk Schulze, 2016-09-23 High-school writing prompts often ask students to provide overly simplified responses to complicated issues, but a person's stance in the real world can rarely, if ever, be reduced to "agree or disagree." Arguments are complex, with more than two points of view and a range of evidence to consider; however, writing classes don't always embrace that complexity. Real Writing: Modernizing the Old School Essay contends that engaging fully with complex texts and difficult, nuanced arguments helps students become better thinkers and writers, more fully prepared for life both in and after high school. By offering students current texts to read and issues to discuss, teachers introduce their students to more complex arguments. Real Writing: Modernizing the Old School Essay recognizes the value of various types of texts, but the need for contemporary readings in our literature and composition classes is important for relevancy related to student engagement, the Common Core State Standards, and participation in our democratic society. This book shares curricular moves to engage students in reading and writing authentic arguments.

college composition guide download: Transformations Holly Hassel, Kristi Cole, 2021-12-01 As teaching practices adapt to changing technologies, budgetary constraints, new student populations, and changing employment practices, writing programs remain full of people dedicated to helping students improve their writing. This edited volume offers strategies for implementing large- and small-scale changes in writing programs by focusing on transformations—the institutional, programmatic, curricular, and labor practices that work together to shape our teaching and learning experiences of writing and rhetoric in higher education. The collection includes chapters from multiple award-winning writing programs, including the recipients of the Two-Year College Association's Outstanding Programs in English Award and the Conference on College Composition and Communication's Writing Program Certificate of Excellence.
