criminal justice textbook pdf: Latinos and Criminal Justice José Luis Morín, 2016-03-28 This unique compilation of essays and entries provides critical insights into the Latino/a experience with the U.S. criminal justice system. Concerns about immigration's relationship to crime make accurate information and critical analysis of the utmost importance. *Latinos and Criminal Justice: An Encyclopedia* promotes understanding of Latinas and Latinos and the U.S. criminal justice system, at the same time dispelling popular misconceptions about this population and criminal activity in the United States. Unlike a traditional encyclopedia comprised solely of A-Z entries, this work consists of two parts. Part I offers detailed essays on particularly important topics. Part II provides brief, A-Z entries. Topics are crossreferenced to enable easy research. Among the wide range of topics covered are policing and police misconduct, incarceration, the war on drugs, gangs, border crime, and racial profiling. Historically important issues and events relative to the Latino experience of criminal justice in the United States are also included, as are key legal cases.

criminal justice textbook pdf: EBOOK: Drug Interventions In Criminal Justice Anthea Hucklesby, Emma Wincup, 2010-06-16 Under the New Labour government, breaking the apparent link between drug use and crime became one of the main aims of drug policy. A wide range of initiatives to tackle drug-related crime were introduced under the auspices of the Drug Interventions Programme and criminal justice agencies became key players in channelling drug users into treatment. This book focuses on the range of drug interventions now available at all stages in the criminal justice process that have been put in place to reduce drug-related offending. It comprises of a series of eight chapters from eleven authors who were all actively engaged in researching these new initiatives from criminological and criminal justice perspectives. Each chapter brings together theory, policy and research (including the author's own research) to provide a thorough review and analysis of the operation, impact and effectiveness of one or more drug interventions. A further chapter is dedicated to researching drug interventions in criminal justice. The book also contains a further resources section. *Drug Interventions in Criminal Justice* is a key text for students and academics in the fields of criminology and criminal justice, social policy and social work, health and social care, and addiction studies. criminal justice textbook pdf: Victimology Lorraine Wolhuter, Neil Olley, David Denham, 2008-07-11 How should the needs of victims of crime be met by the criminal justice system? Have the rights of victims been neglected in order to ensure that a defendant is brought to 'justice'? Who are the victims of crime and why are they targeted? This new book examines the theoretical arguments concerning victimization before examining who victims actually are and the measures taken by the criminal justice system to enhance their position. Particular attention is paid to the victimization of women, LGBT persons, minority ethnic persons and the elderly. The book engages in a detailed exposition of the law's response to such victimization, focusing on the measures adopted in international human rights law, by the Council of Europe, and in English law and policy. It also assesses alternative models of victim participation in criminal proceedings in European jurisdictions such as Germany, Sweden and the Netherlands. Adopting an interdisciplinary approach which encompasses law, criminology and social policy, the book is ideal for undergraduates taking an option in victimology, race and crime, or gender and crime, whatever their disciplinary background.

criminal justice textbook pdf: *Introduction to Criminology* Frank E. Hagan, Leah E. Daigle, 2018-11-29 Introduction to Criminology, Tenth Edition, is a comprehensive introduction to the study of criminology, focusing on the vital core areas of the field—theory, method, and criminal behavior. With more attention to crime typologies than most introductory texts, authors Frank E. Hagan and Leah Elizabeth Daigle investigate all forms of criminal activity, such as organized crime, white collar crime, political crime, and environmental crime. The methods of operation, the effects on society and policy decisions, and the connection between theory and criminal behavior are all explained in a clear, accessible manner. New to the Tenth Edition: New “Applying Theory” scenarios are included with the theory chapters in Part II. These application exercises encourage critical thinking by asking you to use criminological theory to explain the criminal behavior of Aileen Wuornos. Updated “Crime and the Media” boxes highlight the effect that the media has on public perception of crime. New topics include the #MeToo movement, media coverage of the opioid crisis, popular shows like Breaking Bad and The Wire, online dating fraud, and cyberbullying. Over 170 new “Learning Check” questions and answers have been added throughout the book to help you review your understanding of key concepts and increase reading comprehension. Examination of important new topics, like what works in criminology, the relationship between immigration and crime, the impact of neuroscience and genetic studies on criminology, recent shootings and terrorist attacks, and the continuing battle between over-criminalization and under-criminalization, deepens your understanding of the field. Updated figures, tables, and statistics throughout the book ensure that you have access to the most current information available.
