A algunos se les dan talentos, mientras que otros tienen que encontrar por sí solos su razón de ser. Mis talentos los descubrí. Mi razón de ser la tuve que buscar hasta que la encontré. Mi razón de ser era y es ayudar a otros. Por eso decidí escribir este libro. Creo que todos estamos en este mundo para, en un momento u otro, de una manera o otra, salvar a alguien, aunque no siempre tengamos conciencia de ello.

dream meaning encyclopedia pdf: Racism and Xenophobia in Early Twentieth-Century American Fiction Wisam Abughosh Chaleila, 2020-12-29 The Melting Pot, The Land of The Free, The Land of Opportunity. These tropes or nicknames apparently reflect the freedom and open-armed welcome that the United States of America offers. However, the chronicles of history do not complement that image. These historical happenings have not often been brought into the focus of Modernist literary criticism, though their existence in the record is clear. This book aims to discuss these chronicles, displaying in great detail the underpinnings and subtle references of racism and xenophobia embedded so deeply in both fictional and real personas, whether they are characters,

writers, legislators, or the common people. In the main chapters, literary works are dissected so as to underline the intolerance hidden behind words of righteousness and blind trust, as if such is the norm. Though history is taught, it is not so thoroughly examined. To our misfortune, we naively think that bigoted ideas are not a thing we could become afflicted with. They are antiques from the past – yet they possessed many hundreds of people and they surround us still. Since we've experienced very little change, it seems discipline is necessary to truly attempt to be rid of these ideas.
