dominican prayer book online: *Commun(ica)ting Bodies* Alexander Darius Ornella, Stefanie Knauss, Anna-Katharina Höpflinger, 2014-01-01 As a basic medium of human interaction, the body is fundamental to socio-cultural communication systems, in particular the communication system

«religion». Over time, religious traditions – in all their various cultural and historical forms and incarnations – have developed elaborated symbolic systems with the body at their center. This volume proposes to study these systems and the role that body plays in their organization through the perspective of the concept of body as a medium and by drawing on media and communication theory. The papers collected in this volume explore this perspective in relation to different religious traditions, historical periods and theoretical as well as theological themes. They also engage in specific theoretical frameworks in order to discuss the scope and limitations of thinking of the body as a medium in religious symbol systems. Topics covered range from ancient mythology to contemporary Parsi rituals to the boundaries between body and technology.

dominican prayer book online: Schreiben und Lesen in der Stadt Stephen Mossman, Nigel F. Palmer, Felix Heinzer, 2012-12-06 Die Untersuchungen und Textausgaben dieses Bandes setzen die hauptsächlich literaturwissenschaftlich geprägten Ansätze einer ‚Kulturtopographie des deutschsprachigen Südwestens‘ fort, die in Bd. 1 der Reihe formuliert wurden. Mit der Fokussierung auf das spätmittelalterliche Straßburg gerät eine spezifisch städtische Kultur in den Blick, die einerseits durch die Buchproduktion und Lebenspraktiken von Institutionen wie dem Dominikanerinnenkloster St. Nikolaus in undis und der Johanniterkommende zum Grünen Wörth, andererseits durch das Münster und die städtische Oberschicht geprägt war. Damit vereinigt der Band ein Interesse an der oberrheinischen Mystik unter besonderer Berücksichtigung von Meister Eckhart und Tauler und städtischer Phänomene wie der Geschichtsschreibung Jakob Twingers von Königshofen und der humanistischen Leistung Sebastian Brandts. Die Themen spiegeln die Interessen einer international zusammengesetzten Gruppe von Literaturwissenschaftlern, Historikern und Kunsthistorikern wider, die seit längerer Zeit zusammenarbeiten.

dominican prayer book online: God and Gadgets Brad J. Kallenberg, 2011-01-01 Technologies are deeply embedded in the modern West. What would our lives be like without asphalt, glass, gasoline, electricity, window screens, or indoor plumbing? We naturally praise technology when it is useful and bemoan it when it is not. But there is much more to technology than the usefulness of this or that artifact. Unfortunately, we tend not to consider the inherently social and moral character of technology. As a result, we are prone to overlook the effects of technology on our spiritual lives. This book investigates the role technology plays in helping and hampering our Christian practice and witness.

dominican prayer book online: The Abbess of Andalusia Lorraine Murray, 2009-04 Flannery O'Connor has been studied and lauded under many labels: the Southern author whose pen captured the soul of a proud region struggling to emerge out of racism and poverty, the female writer whose independent spirit and tragically short life inspired a generation of women, the Catholic artist whose fiction evokes themes of sin and damnation, mercy and redemption. Now, and for the first time, *The Abbess of Andalusia* affords us an in-depth look at Flannery O'Connor the believer. In these pages you will come to know Flannery O'Connor not only as a writer and an icon, but as a theologian and apologist; as a spiritual director and a student of prayer; as a suffering soul who learned obedience and merited grace through infirmity; and truly, as the Abbess of her own small, but significant, spiritual house. For decades Flannery O'Connor the author has touched her readers with the brilliance of her books. Now be edified and inspired by the example of her life.

dominican prayer book online: The Thrill of the Chaste (Catholic Edition) Dawn Eden, 2015-01-26 Dawn Eden, internationally known speaker and author, presents a completely revised Catholic edition of her bestselling work, *The Thrill of the Chaste*. In this version, Eden shares her story of conversion to Catholicism and invites readers into a Catholic understanding of chastity and its spiritual benefits. When Dawn Eden released *The Thrill of the Chaste* in 2006, she was a Jewish convert to Protestant Christianity, preparing to make the final leap into Catholicism. Now, nine years later, Eden has extensively updated *The Thrill of the Chaste*, sharing how her Catholic faith, the lives and intercession of the saints, and the healing power of the sacraments have led her to find her true identity in Christ. This revised, Catholic version offers spiritual and practical advice for both men and women seeking to live chastely in a world that glorifies sex. Eden offers tips to help readers avoid temptation and live faithfully—including dressing modestly, but not being afraid to feel good about the way they look; trusting that God has a plan for their life and relationships; and making sure their “yes” comes from the heart.

dominican prayer book online: The Book of Dead Philosophers Simon Critchley, 2008 Diogenes died by holding his breath. Plato allegedly died of a lice infestation. Diderot choked to death on an apricot. Nietzsche made a long, soft-brained and dribbling descent into oblivion after kissing a horse in Turin. From the self-mocking haikus of Zen masters on their deathbeds to the last words (gasps) of modern-day sages, *The Book of Dead Philosophers* chronicles the deaths of almost 200 philosophers—tales of weirdness, madness, suicide, murder, pathos and bad luck. In this elegant and amusing book, Simon Critchley argues that the question of what constitutes a 'good death' has been the central preoccupation of philosophy since ancient times. As he brilliantly demonstrates, looking at what the great thinkers have said about death inspires a life-affirming enquiry into the meaning and possibility of human happiness. In learning how to die, we learn how to live.

dominican prayer book online: The Early Modern Production of Missionary Books on Indigenous Languages in New Spain and Peru Zanna Loon, 2025-10-01 How do the social, material, and spatial processes underlying the making of early modern missionary grammars, vocabularies, and devotional translations deepen our understanding of their contents? The handwritten and printed missionary books produced in the Spanish viceroyalties of New Spain and Peru were key instruments designed to help study Indigenous languages in order to efficiently teach religious doctrine to local communities unfamiliar with European culture and religion. This volume considers these missionary books as physical and social objects and illuminates how a variety of factors determines their physical appearance, structure, and form, which in turn shape and guide the interpretation of their contents: people involved in its making; geographical and social circumstances and conditions of production; technologies, materials, and tools; genre and function(s) of the books; and intended readership, modes of distribution, and readerly responses.
