**download niv study bible pdf:** *Theological perspectives on re-imagining leadership in post-COVID-19 Africa* Philip La G. du Toit, Alfred R Brunsdon, 2023-11-30 Post-coronavirus disease 2019 (COVID-19) realities are challenging leaders in all spheres of society in many ways. From the onset of the pandemic, leaders on every level were challenged to provide appropriate guidance in the face of new and adverse realities. From the micro level of local congregations to the macro level of national governments, leaders were required to provide the type of leadership that would not only address immediate obstacles but simultaneously be visionary in the face of uncertainties that became the hallmark of post-COVID-19 society. In this book, the authors reflect on leadership in a post-COVID-19 society from bibliological, practical, theological, missiological and ethical perspectives. Although the authors have the global village in mind, the focus leans towards the African context. The book aims to contribute meaningfully to a much-needed and re-imagined vision of leaders which fits post-COVID-19 societies.

The mountains and valleys we face regarding relationships are often tiny spots to God. We can trust God because He is faithful. By trusting in His promises and understanding His unconditional love for us, it is possible to scale the unscalable and repair our relationships. Over the years, marriage has changed. In her book *Mystery of Relationship through the Lens of Scriptures: Marriage, Sex, and Intimacy*, author Dr. Elizabeth Thambiraj explains those changes and the strains put on marital relationships. Despite difficulties, Elizabeth Thambiraj shows how the marriage covenant can be maintained through God. She points us to the happiness, security, self-worth, and confidence available from our Maker. You'll be reminded that fear, lust, and jealousy are not part of true love. The author also reminds us that to love someone unconditionally means to love the other person in the past, present, and in the future, even when the person disagrees with your opinion. On marriage she has given one of the most biblically insightful explanations of the drastic change in the marriage relationship that resulted from the Fall at Eden, and provides excellent guidance on ways that the marriage covenant can be maintained through feeding our better angels with forgiveness, understanding, patience and forbearance. If we feed our lustful tendencies, we have committed adultery long before the physical act itself.-Dr. Jerry L. Ogles, Presiding Bishop, Anglican Orthodox Church, Anglican Orthodox Communion Worldwide

The joy and vigor coming from a collective strength, intelligence, and skill in the community of leaders not only brings greater potency but better yields for your ministry. What would it be like to see this kind of healthy leadership reproduced into the second, third, and fourth generation, on multiple strands? Leveraging the metaphor Ori Brafman popularized in his NYT best-selling book, *The Starfish and the Spider*, Rob Wegner, Lance Ford, and Alan Hirsch show: How to take a close look at your church's organizational structure and how to adapt instead of simply adopt a certain kind of structural approach. How churches can function without a rigid central authority, making them nimbler in reacting to external forces. How seeding starfish networks inside today's churches will prepare the church of tomorrow to be agile while maintaining the accountability to be effective. *The Starfish and the Spirit* is about creating a culture where church leaders view themselves as curators of a community on a mission, not the source of certainty for every question and project. It's about creating a team of humble leaders in the middle of the church, not at the top-leaders who naturally reproduce multiple generations of leaders, from the middle out.

**download niv study bible pdf: Dízimo: o que mais importa? – O autor de "Economia do Reino" traz a origem, a história e o significado do dízimo a partir dos princípios bíblicos** Matheus Ortega, 2024-07-15 Devo dar o dízimo? Essa é uma das perguntas mais polêmicas no cristianismo. De um lado, há os que afirmam que o dízimo é dever, um preceito eterno a ser praticado em fidelidade a Deus. De outro, os que dizem que o dízimo é uma prática obsoleta, que não tem mais aplicabilidade na vida cristã. Afinal, como o cristão deve contribuir para o Reino de Deus? O dízimo está no epicentro de duas filosofias enganosas: o legalismo e o relativismo. O legalismo coloca as regras acima das necessidades, exigindo que todos as cumpram para serem aceitos por Deus. Já o relativismo coloca as vontades acima das necessidades, desobrigando qualquer doação que não seja conforme o desejo do indivíduo. Ambas as filosofias representam riscos para a caminhada cristã, especialmente no que se refere ao dízimo. Este livro é um resumo acessível que compila mais de 300 fontes de livros, artigos e vídeos, um material inédito entregue por Matheus Ortega, grande estudioso da área e autor de Economia do Reino. O intuito é expor o tema do dízimo à luz, para que cristãos não sejam escravizados com filosofias enganosas, baseadas em tradições humanas ou em princípios deste mundo, e não em Cristo. Que através desta leitura você seja inspirado a olhar para Cristo e viver aquilo que ele disse que mais importa: o amor, a justiça e a fidelidade.

**download niv study bible pdf: Be Holy** Brian Christopher Coulter, 2014-12-30 What does it really mean to be holy? These two little words seem to echo throughout scripture. 1st Peter quotes Leviticus when we read God's command: You shall be holy, for I am holy. Again in Ephesians when we read that God chose us in Christ before the foundation of the world to be holy. And in the last

chapter of the last book of the Bible we read that we are to still be holy. Our calling to be holy is a challenging one, but living the normal alternative often leads to frustration, disappointment, and empty overindulgence. This invitation to be holy challenges us to live our lives set apart; not because God needs us to, but because it is a better way for us to experience and live life. Brian Christopher Coulter shows us what it means to be holy in today's world and how living into this calling helps us discover and develop our sense of identity, belonging, and purpose. Prepare to be changed and begin living the life God meant for you.
