edward chancellor guide: What If Boomers Can't Retire? Thornton Parker, 2002-11-09 When it was first published, *What If Boomers Can't Retire?* predicted what would happen when boomers switched from buying stocks to selling them for retirement income. Since then-and as predicted by author Thornton Parker-stocks have become less important, prices have declined, corporations have shifted their emphasis from inflating stocks to just surviving, and there is currently a recession in full swing. This book shows that there is a bright side, however. If enough boomers work in their later years and preserve their capital, and if the country improves the way it uses capital, the results can lead to fuller lives for millions of people, healthier communities, and more sustainable economies worldwide. Parker details specific actions that individuals and organizations can take to gradually make the shift from the dangerously risky pursuit of phantom wealth to productive investments based on real accomplishments, goods, and services.

edward chancellor guide: Die Billionen-Schuldenbombe Veit Etzold, 2014-07-22 Die Finanz- und Wirtschaftskrise hat uns seit fünf Jahren fest im Griff. Wie konnte es dazu kommen und weshalb findet die Politik keine Lösung? Können wir auf einen glücklichen Ausgang hoffen oder steht das dicke Ende im wahrsten Sinne des Wortes noch bevor? Können wir glauben, was uns von Politikern, Volkswirten, Notenbankern und Journalisten erzählt wird? Hat der Euro noch eine Zukunft und was passiert mit unserem Geld? Und: Wie teuer wird uns das alles noch zu stehen kommen? Die Antwort auf diese Fragen gibt der Krisenexperte Daniel Stelter, gemeinsam mit dem

bekannten Thriller-Autor Veit Etzold sowie Ralf Berger und Dirk Schilder (beide von der Boston Consulting Group), auf spannende, einfache, verständliche aber auch schonungslos offene Weise. Die Krise musste kommen. Zu lange hat die Politik in den westlichen Industrieländern geglaubt, alle Probleme ließen sich mit immer mehr Schulden bewältigen. Seit 1980 hat sich die Verschuldung von Staaten, Unternehmen und Privathaushalten mehr als verdoppelt, von 160 auf über 320 Prozent des Bruttosozialprodukts. Seit Ausbruch der Finanz- und Wirtschaftskrise hat sich dieser Trend beschleunigt, weil Regierungen aus Furcht vor einem Absturz stützend eingegriffen haben. Zu dieser offiziellen Verschuldung gesellen sich die ungedeckten Verbindlichkeiten der Zukunft: Rentenansprüche und steigende Gesundheitskosten einer alternden Gesellschaft. Wir alle wollen es nicht wahrhaben, doch Schulden können nicht ewig schneller wachsen als das Einkommen. Die westliche Welt ist pleite, so lautet die nüchterne Schlussfolgerung. Politik und Wirtschaft wollen diese bittere Wahrheit nicht akzeptieren. Stattdessen wird versucht, durch Drucken von immer mehr Geld, das Unabwendbare aufzuschieben. Doch das wird nicht funktionieren. Der luxemburgische Premier Juncker hat gesagt: Wir wissen alle, was zu tun ist, aber wir wissen nicht, wie wir wieder gewählt werden sollen, nachdem wir es getan haben. Auf was wir uns einzustellen haben, wird in Die Billionen-Schuldenbombe ausführlich beschrieben, denn das Spiel auf Zeit kann nicht mehr lange gut gehen. Die Schuldenkrise und die Zukunft des Euro werden die Bundestagswahl 2013 dominieren, was das Buch zur Pflichtlektüre für jeden Wähler macht. Es verdeutlicht die Dimensionen des Problems und dass es keine einfachen Lösungen geben wird. Es hilft, die Vorschläge der unterschiedlichen Parteien zu beurteilen.

edward chancellor guide: The Broken Spear: Reformation Rising Ruth Ann Ellinger, 2021-07-13 The fires of rebellion and freedom burn brightly in sixteenth century Scotland. The Carmichael Clan—the men of The Broken Spear—lead an uprising against the Roman Catholic Church in a quest to reveal the truth of God’s Word to all, thanks to William Tyndale’s translation of the Bible into English. William Carmichael rides through the Scottish countryside, warning and rescuing his countrymen from Church-sanctioned hangings and other persecutions though Sir John, Clan chief, advises him against an armed revolt. Peter Carmichael joins his fellow clansmen in their quest for both light and justice when his cousin is forced to serve as the mistress of King James V of Scots. Against the backdrop of Papal inquisitions, where seekers of Truth are burned at the stake, one family defends the cause of Christ – against all odds. Modern readers will marvel at the bravery and courage of the ancient Carmichael clan against the blood-soaked corruption of the papacy during Scotland’s Protestant Reformation. Endorsements What a privilege to have the opportunity to be one of the first to read The Broken Spear: Reformation Rising, the first in a new series by the award-winning author Ruth Ann Ellinger. Historical fiction with a base in true history and family ties is some of my favorite books to read and from the first page, the reader is engrossed in the familial relationships and ties and potential adventure and strife that lay ahead. Ellinger is a gifted author of intrigue and drama. Marie A. Gilmore Editor and Publisher of the award-winning Osprey Observer and Christian Voice monthly newspapers The Broken Spear by Ruth Ann Ellinger sheds a bright light on the complexities of the Scottish Reformation and its effect on the clans and people of Scotland. History comes alive through her characters’ struggles to make sense of the intrigues surrounding the Scottish court and the possible catastrophic effects those intrigues might have on Clan Carmichael. Faith and loyalty are tested and sacrifices must be made for the good of the country, the church, and most especially, for family. A fine read for fans of historical fiction set in Scotland.
