download addiction memoirs: *Insatiable* Shary Hauer, 2025-07-30 In her professional life, Shary Hauer was a confident, successful, high-caliber executive coach who advised big-time corporate leaders around the globe—but her personal life was an entirely different matter. When it came to love, she was insecure, clingy, desperate, willing to do anything and everything to win and keep a man. Because without a man by her side, what good was she? In *Insatiable*, Hauer fearlessly chronicles her emotional journey from despair to hope, rejection to redemption, and self-hate to self-love, one man at a time. In candid detail, she relates what it is like to be trapped in the torturous cycle of love addiction—what it's like to be forever searching, needing, obsessing, scheming, and agonizing for love, suffering from a hunger that never ceases—and what it takes to break free of that cycle. An intimate, soul-baring tale that sheds much-needed light on one of the least understood and talked about addictions, *Insatiable* is the story of one woman's journey through the hellish, the humiliating, and the humbling in her single-minded pursuit of the most addictive drug of all: love.

download addiction memoirs: *Stepping Stones* Marilea C. Rabasa, 2025-07-30 Addiction is a stealth predator. Unrecognized, it will grow and flourish. Unchecked, it destroys. Marilea Rabasa grew up in post-WWII Massachusetts in a family that lived comfortably and offered her every advantage. But they were also haunted by closely guarded family secrets. Alcoholism reached back through several generations, and it was not openly discussed. Shame and stigma perpetuated the silence. And Marilea became part of this ongoing tragedy. From an unhappy childhood to a life overseas in the diplomatic service to now, living on an island in Puget Sound, *Stepping Stones* chronicles Marilea's experiences, weaving a compelling tale of travel, motherhood, addiction, and heartbreaking loss. The constant thread throughout this story is the many faces and forms of addiction, phantoms that stalk her like an obsessed lover. What, if anything, will free her of the

masks she has worn all her life? An inspiring, poignant recovery story, *Stepping Stones* tells how Marilea took on the demons that plagued her all her life—and defeated them.

download addiction memoirs: *Saving Sara* Sara Somers, 2025-07-30 For nearly fifty years, Sara Somers suffered from untreated food addiction. In this brutally honest and intimate memoir, Somers offers readers an inside view of a food addict's mind, showcasing her experiences of obsessive cravings, compulsivity, and powerlessness regarding food. *Saving Sara* chronicles Somers's addiction from childhood to adulthood, beginning with abnormal eating as a nine-year-old. As her addiction progresses in young adulthood, she becomes isolated, masking her shame and self-hatred with drugs and alcohol. Time and again, she rationalizes why this time will be different, only to have her physical cravings lead to ever-worse binges, to see her promises of doing things differently next time broken, and to experience the amnesia that she—like every addict—experiences when her obsession sets in again. Even after Somers is introduced to the solution that will eventually end up saving her, the strength of her addiction won't allow her to accept her disease. Twenty-six more years pass until she finally crawls on hands and knees back to that solution, and learns to live life on life's terms. A raw account of Somers's decades-long journey, *Saving Sara* underscores the challenges faced by food addicts of any age—and the hope that exists for them all.

download addiction memoirs: *The Memory Thief* Lauren Aguirre, 2021-06-01 FINALIST FOR THE 2022 PEN/E.O. WILSON LITERARY SCIENCE WRITING AWARD Aguirre writes clearly, concisely, and often cinematically. The book succeeds in providing an accessible yet substantive look at memory science and offering glimpses of the often-challenging process of biomedical investigation.”—*Science* Sometimes, it's not the discovery that's hard - it's convincing others that you're right. *The Memory Thief* chronicles an investigation into a rare and devastating amnesia first identified in a cluster of fentanyl overdose survivors. When a handful of doctors embark on a quest to find out exactly what happened to these marginalized victims, they encounter indifference and skepticism from the medical establishment. But after many blind alleys and occasional strokes of good luck, they go on to prove that opioids can damage the hippocampus, a tiny brain region responsible for forming new memories. This discovery may have implications for millions of people around the world. Through the prism of this fascinating story, Aguirre recounts the obstacles researchers so often confront when new ideas bump up against conventional wisdom. She explains the elegant tricks scientists use to tease out the fundamental mechanisms of memory. And finally, she reveals why researchers now believe that a treatment for Alzheimer's is within reach.

download addiction memoirs: *The Art of Losing It* Rosemary Keevil, 2025-07-30 When her brother dies of AIDS and her husband dies of cancer in the same year, Rosemary is left on her own with two young daughters and antsy addiction demons dancing in her head. This is the nucleus of *The Art of Losing It* a young mother jerking from emergency to emergency as the men in her life

drop dead around her; a high-functioning radio show host waging war with her addictions while trying to raise her two little girls who just lost their daddy; and finally, a stint in rehab and sobriety that ushers in a fresh brand of chaos instead of the tranquility her family so desperately needs. Heartrending but ultimately hopeful, *The Art of Losing It* is the story of a struggling mother who finds her way—slowly, painfully—from one side of grief and addiction to the other.

download addiction memoirs: Forensic Victimology Brent E. Turvey, 2013-08-08 Published in 2009, the first edition of *Forensic Victimology* introduced criminologists and criminal investigators to the idea of systematically gathering and examining victim information for the purposes of addressing investigative and forensic issues. The concepts presented within immediately proved vital to social scientists researching victims-offender relationships; investigators and forensic scientists seeking to reconstruct events and establish the elements of a crime; and criminal profilers seeking to link pattern crimes. This is because the principles and guidelines in *Forensic Victimology*

were written to serve criminal investigation and anticipate courtroom testimony. As with the first, this second edition of Forensic Victimology is an applied presentation of a traditionally theoretical subject written by criminal justice practitioners with years of experience-both in the field and in the classroom. It distinguishes the investigative and forensic aspects of applied victim study as necessary adjuncts to what has often been considered a theoretical field. It then identifies the benefits of forensic victimology to casework, providing clearly defined methods and those standards of practice necessary for effectively serving the criminal justice system. - 30% new content, with new chapters on Emergency Services, False Confessions, and Human Trafficking - Use of up-to-date references and case examples to demonstrate the application of forensic victimology - Provides context and scope for both the investigative and forensic aspects of case examination and evidence interpretation - Approaches the study of victimology from a realistic standpoint, moving away from stereotypes and archetypes - Useful for students and professionals working in relation to behavioral science, criminology, criminal justice, forensic science, and criminal investigation

download addiction memoirs: *Addicted to Loving You: The Paranoid and Domineering Boss's Convicted Wife* Gu family's Little Bamboo, Ling Yiran had been sentenced to three years in prison due to the car accident that killed the fiancée of Yi Jinli, the richest man in Shen City. When released from prison, she somehow ended up catching the attention of Yi Jinli. She kneeled on the ground and begged him, Yi Jinli, can you let me go? download addiction memoirs: *Handbuch der forensischen Psychiatrie* Hans-Ludwig Kröber, Dieter Dölling, Norbert Leygraf, Henning Saß, 2011-02-17 Die Beurteilung der Schuldfähigkeit ist der Kernbereich der forensischen Psychiatrie. Sie ist eine zentrale Schnittstelle zwischen Medizin und Strafrecht, mit Folgen auch für den längerfristigen Umgang mit Rechtsbrechern. Grundlagen und Begrenzungen der Schuldfähigkeit sind immer wieder Gegenstand des öffentlichen Diskurses. Zudem wirken im Gerichtssaal Psychologen und Psychiater als Gehilfen der Wahrheitsfindung, die sich mit der Aussagetüchtigkeit von Zeugen und der Glaubhaftigkeit ihrer Aussagen befassen. Dieser 2. Band des Handbuchs bietet eine eingehende, wissenschaftlich begründete Begutachtungskunde. Er beschreibt die psychischen Störungen, die Einfluss nehmen können auf die Schuldfähigkeit, und erläutert ihre kriminologische Relevanz. Weitere Themen sind

die Verhandlungsfähigkeit, die Strafreife von Jugendlichen und die Standards der Glaubhaftigkeitsbegutachtung. Dabei wird auch auf die Gesetzeslage in Österreich und der Schweiz eingegangen. Auch dieser Band des Handbuchs wendet sich an Psychiater und Psychologen, die ihre forensischen Kenntnisse und gutachterlichen Fertigkeiten vertiefen wollen, an Strafjuristen, Berichterstatter und rechtspolitisch Interessierte.

download addiction memoirs: Reading Your Male Mary Farrar, 2012-12-10 There is a growing crisis among our men and boys in the area of sexual temptation and sin: pornography use is skyrocketing and increasing numbers of men find themselves entangled in a web they can't seem to escape. Yet many men feel greatly misunderstood by their women, while just as many women feel mystified and powerless to help their men. —Mary Farrar, *Reading Your Male* Now author Mary Farrar confirms that every woman—whether a wife, mother, or single woman—can play a powerful and pivotal role in the male sexual struggle by entering into her man's world, and: seeing through his eyes, thinking with his mind, feeling with his emotions, connecting with his soul. *Reading Your Male* de-mystifies inner male sexuality, exposes the enemy's tactics in taking down our men, and equips women to use their innate gifts in becoming a man's greatest ally in the fight for victory. Using biblical insight and up-to-date research, Farrar also tackles some of the most elusive questions women are asking today, such as: Why do men struggle so deeply in the area of sexuality? What are we to think about pornography and masturbation? Why does this generation of men appear to be so reticent? What does a man crave most from a woman? What is a woman's most powerful gift to her man? How can a woman draw out an emotionally unavailable man? What is a healthy view of strong femininity and beauty?

download addiction memoirs: Addicted to Drama Dr. Scott Lyons, 2023-05-02 With empathy, humor, and unique insight, a psychologist examines drama addiction and charts a path for

healing in this groundbreaking book. Do you know someone who seems to thrive on chaos, a person who manufactures crisis where there is none, makes mountains out of molehills, and whose very presence feels like an inescapable whirlwind? You may even label them a “drama queen.” This person might be someone close to you. This person might even be you. In this groundbreaking book, clinical psychologist and mind-body expert Dr. Scott Lyons turns the notion of the “drama queen” on its head, showing that drama is actually an addiction and those who are suffering with it are experiencing a much deeper psychological, biological, and social pain. For a person addicted to drama, the intensity becomes their way of coping. Their life is a constant cycle of crisis, chaos, and chronically high levels of stress. They may never be able to relax without an internal alarm going off, sending them spiraling back toward chaos. Drama is the stirring, the excitement, the exaggeration, the eruption, the unrest, and the medicine to feel alive in relation to the numbing of the internal and external world around them. For a person addicted to drama, the drama is often how they survive—or think they do. With studies, primary research, and patient stories, Dr. Lyons deconstructs this little-understood addiction, sharing: what drama addiction is and what it is not how to identify patterns of drama addiction in yourself and others the somatic effects of drama addiction, including chronic fatigue, autoimmune disease, joint and muscle pains, and other conditions the origins of drama addiction— and how we are heading towards a global pandemic of a dependency on crisis and chaos accessible exercises for recovery and healing Rather than dismiss addiction to drama as just attention-seeking, Dr. Lyons offers clear-eyed empathy, humor, and practical strategies to help us all understand and break free of the drama cycle.

download addiction memoirs: No Wax Delphi O. Gadfly, 2022-03-31 Pythia goes down the dark rabbit hole as she reawakens the capabilities of sensing and channeling spirits as a divine medium and opening a side to herself that she had never shared before. By and by, she faces her convictions of inherited mishaps that she had to heal and overcome, leading her to tell the tale of making it another day. Pythia shares how she dives into the practitioner skills of her psychic energy, tarot, mysticism, planet and zodiac interpretation, and her bumpy dating life as she finds what makes her tick. Despite her isolation from the world, she finds strength in solitude. Pythia finds the courage to share her visions, hang-ups, and findings as she uncovers the practical magic that she possesses. She gives a new take on life through the experiences and changes the course of her dimensions by helping others tell their story using the natal birth chart, synchronicities, and astrological communication that the Universe provides in front of our eyes and shows that we are all connected, and it influences us all. Pythia finds herself with the inner key within to help others through pain spurts of chronic illness and mental health challenges studying her own body and mind in a not-so-typical manner of dancing a fine line between sanity and faith. Above all else, a self-discovery that heals the inner child and a new love for oneself—perfectly made with imperfections and all, without wax.
