History and Impact of the Destroyer Series

The Destroyer Series is a legendary collection of action-adventure novels that began in 1971, created by Warren Murphy and Richard Sapir. The series follows Remo Williams, an ordinary man transformed into an elite government operative, and his mentor Chiun, the Master of Sinanju. Over dozens of installments, the Destroyer Series has captivated readers with its unique blend of martial arts, humor, and high-stakes missions. The longevity of the franchise is a testament to its enduring popularity and influence on the genre of pulp fiction and action literature.

Initially available in paperback, the Destroyer Series quickly attracted a loyal fanbase, inspiring adaptations in film and other media. The transition to digital ebooks has further expanded its reach, allowing new generations of readers to experience the adventures of Remo Williams. The impact of the Destroyer Series continues to be felt, as its fast-paced storytelling and memorable characters set the standard for many contemporary action and thriller novels.

destroyer series ebooks: Frostbite [Destroyers Series, Book Four] Holly Hook, SOPHIA THOUGHT THAT A SIMPLE CASE OF POSSESSION WAS BAD ENOUGH... For the past few years Sophia has been plagued by the Other, a mysterious, evil presence within her. And whenever it's angry, it lashes out...by freezing everyone and everything nearby. When Sophia's boyfriend betrays her and she flees, she's discovered by Cordelia, the new storm goddess now hunting for soldiers to war against humanity. And the Other makes its intentions clear: it's going to join Cordelia, bringing horror and death to the world. To stop it, Sophia must turn to a new group of friends: Janelle, Gareth, Leslie, Kenna, and Paul. But even they can't keep the world safe, and Cordelia has a few tricks up her sleeve.

destroyer series ebooks: Ancient [Destroyers Series, Book Five] Holly Hook, AS IF BEING A LITERAL WALKING DISASTER ISN'T BAD ENOUGH... With her bio mother now an insane storm goddess, Janelle and her friends have no choice but to seek out Huracan, the ancient Mayan god of storms, to combat her. And that won't be easy. Huracan is an old god who craves power and human sacrifice, and handing over power to him could be worse than anything they've faced so far. But Janelle and her friends are determined to end their nightmare, no matter what the cost. And unfortunately, that cost could be the world.

destroyer series ebooks: Inferno (Book Two of the Destroyers Series) Holly Hook, 2011-06-18 Book 2 of the Destroyers Series Ever since becoming leader of the human hurricanes called Tempests, 16-year-old Janelle is overdue for a vacation. But the trip to Hawaii quickly presents its own problems when she meets Kenna, a local sophomore who makes the volcano start rumbling when she's nearby. So when Kenna gets kidnapped, Janelle has to find her. If she doesn't, Kenna's secret could mean the end of civilization and the death of everyone she loves. ***Books 1-5 of the Destroyers Series are now available*** Tempest (#1 Destroyers Series) Inferno (#2 Destroyers Series) Outbreak (#3 Destroyers Series) Frostbite (#4 Destroyers Series) Ancient (#5 Destroyers Series) Also by Holly Hook: Rita Morse and the Sinister Shadow Rita Morse and the Treacherous Traitor After These Messages ***About the Author*** Holly Hook is the author of the Destroyers Series, which consists of five young adult books about teens who are walking disasters...literally. She is also the author of the Rita Morse series, a young adult fantasy series still

in progress, and *After These Messages*, a short ya comedy. When not writing, she enjoys reading books for teens, especially ya fantasy and paranormal series with a unique twist.

destroyer series ebooks: Tempest (Book One of the Destroyers Series) Holly Hook, 2014-11-30 Lies, secrets, and a terrifying force within await Janelle in paradise... Moving to Florida should have been simple: start a new high school, make new friends, join the honor society, and make her strict father proud. But instead, she watches a mysterious boy materialize out of a dying hurricane. Gareth is cute, running from something, and has a spiral birthmark on his arm that matches Janelle's own. And there's something dangerous about him she can't put her finger on. But Gareth isn't the only one who isn't normal. As strange things happen around Janelle and an ominous force stirs within, she needs answers her suddenly distant father won't give. Without a mother and betrayed by her father, her only desperate hope for the truth is Gareth. And it's horrifying. An unspeakable nightmare is screaming closer, and if Janelle doesn't escape, she'll kill innocent people. Nothing will be sane or orderly again. For the first time in Janelle's life, she's breaking the rules. But running away might not be enough. Gareth is also fleeing, and those who pursue him also have their sights on Janelle... The plot was fast-paced and constantly moving along. I was so intrigued by the Tempests that I had a hard time putting the book down. I am looking forward to the next book in the Destroyers series.--Reading Vacation From the initial scene with the hurricane bearing down on Janelle and her dad, this story pulls you right along through to the surprising conclusion. Creative and entertaining, this book is good fun from start to finish.--GraceKrispy, MotherLode Blog In all, Tempest is a wonderfully brisk read full of angst and self-discovery. Most of the characters ring true and are decently realized. The innovations are fresh and invigorating. I would most certainly recommend this book to anyone, or to anyone's teenagers.--Journal of Always Reviews

destroyer series ebooks: Outbreak (Destroyers, Book Three) Holly Hook, Destroyers, Book Three PAUL IS AN AVERAGE GUY. HE JUST WANTS TO STOP MOVING ALL THE TIME, MEET A GIRL, AND HAVE HIS FIRST OUTBREAK. Kept isolated by his father and always running from his uncle, Paul has nothing to look forward to except two things: an upcoming concert and his first Outbreak, where he'll leave his body and become a powerful force of nature. He's an Outbreaker, after all, like his father. But at least one thing's going right. Paul and his father can finally settle in Mobley, Oklahoma, an Outbreaker community where they'll be safe from his uncle. Even if they had to free a creepy woman from prison to get in... But something's off about this town, and Paul's beginning to suspect something is off about his nature, too. His father has hidden the truth from Paul all his life. Being an Outbreaker isn't a good thing at all, and the leaders of his new town have their sights on him. This is a young adult fantasy adventure novel with a new twist.

destroyer series ebooks: The Best of the Destroyer Warren Murphy, Richard Sapir, 2013-05-03 In combination with the launch of *The New Destroyer*, brand-new novels continuing this bestselling, action-packed series, Forge is publishing this omnibus of three of the definitive Destroyer novels. Hand-picked by co-creator and co-author Warren Murphy, these three novels serve as both a revisit to the golden age of the series and a great introduction to what Remo Williams and his Sinanju master, Chiun, have been up to for the past thirty years. Included are: *The Destroyer: Chinese Puzzle* The US President calls upon the service of Remo and Chiun to smash an Asian conspiracy that could lead to a US-China confrontation . . . if the superhuman weapon of destruction fails, it could mean the end of the USA. *The Destroyer: Slave Safari* There is a secret only Chiun knows. America has committed a sin against him he cannot pardon -- and he will not even share it with Remo Williams, the Destroyer, whom he has taught all his skills and loves as a son. Deep in Africa, countless feuds that have blazed for many centuries are quickly being resolved by death and massacre. A massive conspiracy is unearthed surrounding the centuries-old slave trade, and only Remo can unravel it. *The Destroyer: Assassin's Playoff* After a brutal fight in the streets of New Jersey, Remo and Chiun find themselves in battle after battle. Their arch-enemy and fellow assassin, the Maestro of Mayhem known as Nuihc, is hoping to knock out his competition. It all comes to a boil in Chiun's hometown in North Korea as the Destroyer finds himself in a fight to the death. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM)

applied.

Watson, Craig Stephen Copland, Martin Daley, David Marcum, Paul Hiscock, Roger Riccard, Shane Simmons, Dan Rowley, Mark Mower, and a poem by Christopher James. 59 New Traditional Canonical Holmes Adventures Collected in Three Companion Volumes. Over the course of their careers and lives, Sherlock Holmes and Doctor John Watson were of inestimable importance. But when reading their many adventures, it's not just the heroes themselves that make the stories so wonderful. It's the Victorian and Edwardian worlds in which they lived, and the many people with whom they interacted - those well known, like Mycroft Holmes, Mrs. Hudson, and various Scotland Yard inspectors, and others who may have just crossed the stage for a short time before vanishing. All of these Occupants of the Canonical Realm have value, whatever the depth of their roles, and this new set of Holmes stories celebrates them. Once again MX Publishing brings us fifty-nine adventures in three simultaneously published volumes, each with some level of participation by individuals who initially appeared in The Canon. Perhaps this person is a major player, or possibly he or she is only mentioned in passing. In the meantime, the reader can be certain that the True Holmes and Watson of these books are the Canonical Heroes one deserves and expects. destroyer series ebooks: World War I - 9 Book Collection: Nelson's History of the War, The Battle of Jutland & The Battle of the Somme John Buchan, 2017-06-21 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. The edition incorporates an interactive table of contents, footnotes and other information relevant to the content which makes the reading experience meticulously organized and enjoyable. Table of Contents: Days to Remember: The British Empire in the Great War The Battle of Jutland The Battle of the Somme, First Phase The Battle of the Somme, Second Phase Nelson's History of the War (Volumes I-V) The definite history of this war is not now to be written, or for many a day. Still it may be possible to disentangle from this struggle of armed nations over hundreds of miles some explicit narrative which may help all of us who are hungering for help and guidance. At present we do not authentically know even the subtle causes which produced this convulsion over half the world. What is on the surface is clear enough, but it is what is under the surface that matters. I am reluctant to believe in a diabolical and cold-blooded scheme to bring about war at this time; at least, this does not seem to be proved. We must, then, I think, suspend our judgment as to the real causes of war till time and documents give us the clue. Perhaps the pregnant word mobilization may explain much. Meanwhile we can only conjecture by the light of a few facts... (Excerpt; Nelson's History of the War) John Buchan (1875-1940) was a Scottish novelist, historian and also served as Canada's Governor General. With the outbreak of the First World War, Buchan worked as a correspondent in France for The Times.

Subramanian, John Hall, Jayantika Ganguly, S.F. Bennett, Steven Philip Jones, Jim French, John Linwood Grant, Mike Chinn, Robert V. Stapleton, Charles Veley and Anna Elliott, and Shane Simmons, with a poem by Jacquelyn Bost Morris, and forewords by David Marcum, Lee Child, Rand Lee, Michael Cox, and Melissa Farnham. In 2015, *The MX Book of New Sherlock Holmes Stories* burst upon the scene, featuring adventures set within the correct time period, and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received, and there were soon calls for additional collections. Since then, their popularity has only continued to grow, with six volumes already released, and now two more, *Eliminate the Impossible*, featuring tales of Holmes's encounters with seemingly impossible events - ghosts and hauntings, curses and mythical beasts, and more. In *The Sussex Vampire*, Holmes tells Watson: This agency stands flat-footed upon the ground, and there it must remain. The world is big enough for us. No ghosts need apply. In each of the stories presented in this massive two-volume collection, Holmes approaches the varied problems with one of his favorite maxims firmly in place: ... when you have eliminated the impossible whatever remains, however improbable, must be the truth... But what, exactly, is the truth? 2017 is the 130th anniversary of the publication of *A Study in Scarlet*, the first recorded adventure of Sherlock Holmes and Dr. John H. Watson. What an amazing journey it's been! In addition to the pitifully few sixty tales originally presented in *The Canon*, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! The forty-eight stories in these two companion volumes represent some of the finest new Holmesian storytelling to be found, and honor the man described by Watson as the best and wisest... whom I have ever known. All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir Arthur Conan Doyle.

destroyer series ebooks: *The MX Book of New Sherlock Holmes Stories - Part XLI* David Marcum, 2024-01-04 Featuring Contributions by: Stephen Herczeg, Margaret Walsh, Paul D. Gilbert, Will Murray, David MacGregor, Barry Clay, Mike Chinn, Tim Newton Anderson, Ember Pepper (2 stories), Martin Daley, Arthur Hall, Naching T. Kassa, David Marcum, Adrian Middleton, and a poem by Kevin Patrick McCann. 53 New Traditional Canonical Holmes Adventures Collected in Three Companion Volumes Throughout the original Holmes Canon, there were hints and teases of other intriguing cases - The Tarleton Murders . . . The Grice-Paterson Curse . . . The Abernethy Tragedy. Watson mentions over one-hundred-and-twenty of these, which have collectively come to be known as The Untold Cases. Now, once again MX Publishing brings us fifty-three of these adventures in three simultaneously published volumes, with all royalties going to support the Undershaw school for special needs children, located at one of Sir Arthur Conan Doyle's former homes. Somewhere in the vaults of the bank of Cox and Co., at Charing Cross, there is a travel-worn and battered tin dispatch box with my name, John H. Watson, M.D., Late Indian Army, painted upon the lid. It is crammed with papers, nearly all of which are records of cases to illustrate the curious problems which Mr. Sherlock Holmes had at various times to examine . . . - Dr. John H. Watson So wrote Dr. Watson in *The Problem of Thor Bridge* - and ever since, Sherlockians have been seeking to know more about these tales from the legendary Tin Dispatch Box. While Watson's original Literary Agent only edited the pitifully few sixty stories that make up the original Canon, there have since been literally thousands of traditional adventures about the true Sherlock Holmes - and yet there will never be enough! In 2018, MX Publishing presented Parts XI and XII of this acclaimed and ongoing series, *Some Untold Cases*, and then in 2020, Parts XXII, XXIII, and XXIV returned to that theme with *Some More Untold Cases*. Now that concept is revisited with more Sherlock Holmes adventures that further explore those many tantalizing references to some of Holmes's other Untold Cases, as mentioned in *The Canon*. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes, described by the estimable Dr. Watson as the best and wisest . . .

whom I have ever known.

Victor, Ian Ableson, Craig Stephen Copland, David Marcum, Mike Adamson, Paul Hiscock, Marcia Wilson, Martin Daley, and Brett Fawcett, with a poem by Alisha Shea and forewords by Daniel Stashower, Roger Johnson, Emma West, Steve Emecz, and David Marcum 63 New Traditional Canonical Holmes Adventures Collected in Three Companion Volumes In 2015, the first three volumes of The MX Book of New Sherlock Holmes Stories arrived, containing over 60 stories in the true traditional Canonical manner, revisiting Holmes and Watson in those days where it is always 1895 . . . or a few decades on either side of that. That was the largest collection of new Holmes stories ever assembled, and originally planned to be a one-time event. But readers wanted more, and the contributors had more stories from Watson's Tin Dispatch Box, so the fun continued. Now, with the release of Parts XLIII, XLIV, and XLV, the series has grown to over 900 new Holmes adventures by over 200 contributors from around with world. Since the beginning, all contributor royalties go to the Undershaw school for special needs children, at one of Sir Arthur Conan Doyle's former homes, and to date the project has raised over \$120,000 for the school. As has become the tradition, this new collection of 63 adventures features Holmes and Watson carrying out their masterful investigations from Holmes's life before meeting Watson, to the early days of their friendship in Baker Street, all the way to World War I. Along the way, they are involved in some fascinating mysteries that progress along completely unexpected lines. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes, described by the estimable Dr. Watson as the best and wisest . . . whom I have ever known.
