download drama books free: The Gift of Story Ralph Milton, 2018-08-17 In this companion book, Milton shares insights about storytelling related to themes ranging from mythology and human identity, to social justice, changing from the inside out, tragedy, awe and mystery, hope and promise, and more. But the story is always central; the story is always "the thing." The videos include key biblical stories about seminal biblical characters - Eden and Eve, Jonah, the prodigal, Mary and Elizabeth, the Ethiopian eunuch, Zacchaeus, Mary of Magdala, Sarah...and more. In *The Gift of Story*, Milton reflects on what stories mean to humans, "the story-telling animal," how we can all tell stories to enrich our lives, and to rejoice in the complementary role that stories and the logic of science play. It's a fun read full of lively, refreshing stories and insights. *The Gift of Story* picks up where Ralph Milton's live StoryFest events leave off. Those events - led by gifted musicians, artists, and storytellers Linnea Good, Don McNair, Allison Rennie, Donald Schmidt, as well as Ralph Milton - were designed to provide a spiritual "shot in the arm, focusing on evocative Bible stories and personal faith experiences."

download drama books free: The Methuen Drama Book of Plays by Black British Writers Mustapha Matura, Jackie Kay, Winsome Pinnock, Roy Williams, Kwame Kwei-Armah, Bola Agbaje, 2013-10-16 *The Methuen Drama Book of Plays by Black British Writers* provides an essential anthology of six of the key plays that have shaped the trajectory of British black theatre from the late-1970s to the present day. In doing so it charts the journey from specialist black theatre companies to the mainstream, including West End success, while providing a cultural and racial barometer for Britain during the last forty years. It opens with Mustapha Matura's 1979 play *Welcome Home Jacko* which in its depiction of a group of young unemployed West Indians was one of the first to explore issues of youth culture, identity and racial and cultural identification. Jackie Kay's *Chiaroscuro* examines debates about the politics of black, mixed race and lesbian identities in 1980s Britain, and from the 1990s Winsome Pinnock's *Talking in Tongues* engages with the politics of feminism to explore issues of black women's identity in Britain and Jamaica. From the first decade of the twenty-first century the three plays include Roy Williams' seminal pub-drama *Sing Yer Hearts Out for the Lads*, exploring racism and identity against the backdrop of the World Cup; Kwame Kwei-Armah's National Theatre play of 2004, *Fix Up*, about black cultural history and progress in modern Britain, and finally Bola Agbaje's terrific 2007 debut, *Gone Too Far!*, which examines questions of identity and tensions between Africans and Caribbeans living in Britain. Edited by Lynnette Goddard, this important anthology provides an essential introduction to the last forty years of British black theatre.

Scheeren, 2012-02-02 Google is certainly a useful Internet search tool for general topics, but most of the information available on the Invisible Web can't be found through Google. This book explains the value of the Invisible Web and how to access it. Most students and researchers possess only rudimentary Internet searching skills. The majority of school and public librarians are not aware of the breadth and depth of information available on the Hidden Web. This is unfortunate, as the ability to navigate the Hidden Web in schools and public libraries is essential to locating the most current and authoritative information. *The Hidden Web: A Sourcebook* serves as a valuable source of information about the Hidden Web, much of which comprises websites containing statistical information or data from a wide variety of

government agencies. The concepts, search techniques, and specific websites presented will be helpful in information literacy instruction and the teaching of research skills.
