ephesians 6 bible study pdf: Mystery of Relationships Through the Lens of Scriptures

Dr. Elizabeth Thambiraj, 2015-08-11 Struggles in our relationships often point to an issue only God knows. The mountains and valleys we face regarding relationships are often tiny spots to God. We can trust God because He is faithful. By trusting in His promises and understanding His unconditional love for us, it is possible to scale the unscalable and repair our relationships. Over the years, marriage has changed. In her book *Mystery of Relationship through the Lens of Scriptures: Marriage, Sex, and Intimacy*, author Dr. Elizabeth Thambiraj explains those changes and the strains put on marital relationships. Despite difficulties, Elizabeth Thambiraj shows how the marriage covenant can be maintained through God. She points us to the happiness, security, self-worth, and confidence available from our Maker. You'll be reminded that fear, lust, and jealousy are not part of true love. The author also reminds us that to love someone unconditionally means to love the other person in the past, present, and in the future, even when the person disagrees with your opinion. On marriage she has given one of the most biblically insightful explanations of the drastic change in the marriage relationship that resulted from the Fall at Eden, and provides excellent guidance on ways that the marriage covenant can be maintained through feeding our better angels with forgiveness, understanding, patience and forbearance. If we feed our lustful tendencies, we have committed adultery long before the physical act itself.-Dr. Jerry L. Ogles, Presiding Bishop, Anglican Orthodox Church, Anglican Orthodox Communion Worldwide

ephesians 6 bible study pdf: The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh-day Adventist Church. I call or appeal for systematic change--change in

policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal. Please don't think of me as a brave one who dares to go where many have not gone before. I am not... I speak out because we need policy changes at every level. Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed. Many businesses are rethinking how to move forward post the pandemic. We, too, as a church, need to do the same. In the Old Testament, God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments (Deuteronomy 6:4-8 and Isaiah 54:13). Similarly, the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20. Jesus directs the church to make disciples of all nations by baptizing and teaching. Church schools are needed to partner with parents and the church as a whole to educate children. Ellen G. White, cofounder of the Seventh-day Adventist Church, who earlier encouraged the Seventh-day Church to focus on foreign missions, stated--in addressing church schools in the book *Testimonies for the Church*, volume 6--that the children are not to be neglected. She writes, We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God. Her solution to financing church schools is simple: Let all share the expense. Enrollment in Christian elementary and secondary schools have been dropping nationwide. Many families in North America, especially new immigrant families, are not able to afford the tuition to send their children to church schools. Several church schools have closed. In this book, Dr. Sadrail Saint-Ulysse, an ordained minister and educator of the Seventh-day Adventist Church, addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty-five years as a pastor and educator, with the hope that the burden of operating church schools can be shared by the entire church--local, state, national, and worldwide--to alleviate this burden. The book challenges parents, teachers, principals, school boards, church members, and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner.

ephesians 6 bible study pdf: The theory of the kingdom: A unified model of human agency Andrew Root, 2024-01-02 This original monograph presents a comprehensive theory regarding the economy of the kingdom of God. The theory and associated model will help individuals make better choices. The research integrates fundamentals of the temporal real economy, and the permanent economy of the kingdom of God, to present a unified model of human agency. According to the model, effective agents are salt and light in the real economy, arresting corruption and revealing the truth. Effective agency produces life, peace, and growth. Individual and organizational practices that arrest corruption and reveal truth can resolve longstanding economic grievances. The list of spiritual credence goods is extensive and includes commonly known virtues such as humility, patience, and hope. Spiritual goods are allocated based on the owner-agent relationship. The quantity of goods the owner supplies is in proportion to an individual's sacrificial offering of time and money. Spiritual goods are stored as heart capital. In a process analogous to the real economy, heart labor applied to heart capital produces desirable outputs. The owner relates to his agents through a heart-inscribed behavioral contract. The owner generally intervenes in the real economy by communicating with agents rather than by restricting choice. Prior studies across economics, finance, and sociology prove the efficiency of behavioral contracts and communication over restricted choice. Herein researchers will find new testable propositions, and practitioners will find new ideas and practices to live better, more consequential lives. Examples of practical applications include methods of resolving group-level bias and understanding the purpose of life's difficulties.

ephesians 6 bible study pdf: The Satanic War on the Christian Vol.4 The Protection from Satan & Demons Billy Crone, 2018-07-30 As a born again Christian, the moment you got saved you entered into a spiritual war against a demonic host whose sole purpose is to destroy you and extinguish your effectiveness for Jesus Christ. This is The Satanic War on the Christian and it's been raging on for the last 6,000 years. But many Churches refuse to talk about this conflict let alone equip others who are in the midst of it. Therefore, this four volume book study, The Satanic War on the Christian, not only reveals the shocking reality of this supernatural battle we are in as Christians, but it also exposes the seductive weapons, traps, and attacks the devil and his evil emissaries use against us to keep us from becoming a mighty army for Almighty God. In this book, The Satanic War on the Christian Vol.4 The Protection from Satan & Demons you will have your eyes opened to such spiritual truths as God's Armor is Designed for War, Victory, and to Wear and it also includes a Belt, Breastplate, Shoes, Shield, Helmet, Sword and requires Prayer.
