Understanding Eric Foner's Impact in College Education

Eric Foner: Renowned Historian and Author

Eric Foner is one of the most influential American historians, known for his groundbreaking work on the Reconstruction era, Civil War, and the evolution of American democracy. His scholarship has shaped how college students and educators engage with United States history, offering nuanced perspectives and critical analysis. Foner's books, widely adopted in college curricula, provide comprehensive coverage of key historical events and foster a deeper

understanding of social and political change.

Role of Foner's Works in College Curricula

Eric Foner's textbooks are frequently selected for introductory and advanced history courses due to their clarity, scholarly rigor, and relevance. Professors appreciate his balanced approach to controversial topics and his ability to connect past events with contemporary issues. The use of Eric Foner college ebooks enables students to access authoritative content, participate in informed discussions, and develop strong analytical skills crucial for academic success.

Advantages of Using an Eric Foner College Ebook

Convenience and Portability

One of the main benefits of an Eric Foner college ebook is its convenience. Digital textbooks can be accessed on multiple devices, including laptops, tablets, and smartphones, allowing students to study anytime, anywhere. Ebooks eliminate the need to carry heavy physical books, making them ideal for busy college schedules and travel.

Searchability and Interactive Features

Eric Foner college ebooks often include advanced search functions, interactive tables of contents, and note-taking capabilities. These features help students quickly find relevant information, highlight key passages, and organize their study materials efficiently. Interactive elements, such as embedded multimedia and quizzes, enhance engagement and facilitate a deeper understanding of historical concepts.

Cost-Effectiveness

Digital versions of Eric Foner's textbooks are typically more affordable than print editions. Many colleges and libraries offer institutional access or discounted rates for students. Ebooks also reduce costs associated with shipping and physical storage, making them a budget-friendly option for college students.

- Instant access to course materials
- Ability to annotate and bookmark sections
- Environmentally friendly and sustainable
- Regular updates and new editions available

Popular Eric Foner Titles for College Courses

Give Me Liberty! An American History

"Give Me Liberty! An American History" is one of Eric Foner's most widely used textbooks in college history courses. Covering from colonial times to the present, it provides comprehensive narratives, primary source documents, and critical analysis that encourage students to explore the complexities of American society and politics.

Reconstruction: America's Unfinished Revolution

This seminal work by Eric Foner examines the Reconstruction era, a pivotal period in United States history. College instructors value this book for its in-depth research, exploration of race relations, and impact on modern American identity. In ebook format, students can easily access detailed chapters, appendices, and scholarly commentary.

The Fiery Trial: Abraham Lincoln and American Slavery

"The Fiery Trial" presents a thorough analysis of Abraham Lincoln's evolving views on slavery. This book is frequently assigned in college courses focused on the Civil War and emancipation. The ebook edition offers flexible reading options and multimedia enhancements for a richer learning experience.

How to Access and Utilize Eric Foner College Ebooks

Finding Official Ebook Editions

Students can access Eric Foner college ebooks through university bookstores, academic publishers, and digital platforms tailored for educational use. Libraries often provide digital lending services, enabling students to borrow ebooks for a set period. It's important to verify the official edition and ensure compatibility with your reading device or software.

Effective Study Strategies with Ebooks

To maximize the benefits of an Eric Foner college ebook, students should utilize built-in features such as highlighting, note-taking, and bookmarking. Review chapter summaries, engage with interactive content, and participate in online study groups for collaborative learning. Regularly syncing your progress across devices ensures continuous access to your study materials.

Maximizing Learning Outcomes with Digital Textbooks

Active Reading Techniques

Active reading is essential for extracting key information from an Eric Foner college ebook. Students should approach each chapter with specific learning objectives, annotate important passages, and reflect on discussion questions provided in the text. Engaging with supplemental resources, such as study guides and video lectures, can further enhance comprehension.

Collaborative Learning Opportunities

Many digital textbook platforms offer features that support collaborative learning, including shared notes, group annotations, and integrated discussion boards. Students can exchange insights, debate historical interpretations, and work together on assignments, fostering a dynamic educational environment that leverages the strengths of Eric Foner's scholarship.

Accessibility and Technical Features of College

Ebooks

Inclusive Learning with Accessibility Tools

Eric Foner college ebooks are designed to accommodate diverse learning needs. Accessibility features such as adjustable font sizes, text-to-speech functionality, and screen reader compatibility make these resources usable for students with visual or reading impairments. Customizable layouts and color schemes further support individualized study preferences.

Technical Requirements and Support

Before purchasing or borrowing an Eric Foner college ebook, students should ensure their devices meet the necessary technical specifications. Most ebooks are compatible with major operating systems and popular reading apps. Support services are available through publishers and academic institutions to assist with installation, troubleshooting, and updates.

Tips for Selecting the Best Eric Foner Ebook for Your Studies

Assessing Course Requirements

Consult your course syllabus and instructor recommendations when choosing an Eric Foner college ebook. Consider the scope of the textbook, its edition, and supplemental materials included. Some courses may require access to interactive workbooks or online assessment tools integrated with the ebook.

Evaluating Ebook Features

Look for college ebooks that offer comprehensive search capabilities, multimedia enhancements, and robust annotation tools. Preview sample chapters, compare user reviews, and verify whether the ebook provides offline access for uninterrupted study. These factors will help you select the most effective resource for your academic needs.

Budget and Access Options

Explore options such as digital rentals, subscription services, and library lending programs to minimize costs. Many Eric Foner college ebooks are available in multiple formats, including PDF, EPUB, and interactive web editions. Choose the option that best aligns with your budget and learning preferences.

Summary Checklist for Students

- Confirm syllabus requirements and edition compatibility
- Evaluate ebook features and accessibility options
- Compare pricing and access models
- Test device compatibility before purchase
- Utilize support services for technical assistance

Trending and Relevant Questions & Answers about Eric Foner College Ebook

Q: What are the main benefits of using an Eric Foner college ebook?

A: The primary benefits include convenience, affordability, interactive features, and accessibility. Students can access content anywhere, use search and annotation tools, and benefit from regular updates.

eric foner college ebook: *A History of the Book in America, 5-volume Omnibus E-book* David D. Hall, 2015-10-08 The five volumes in *A History of the Book in America* offer a sweeping chronicle of our country's print production and culture from colonial times to the end of the twentieth century. This interdisciplinary, collaborative work of scholarship examines the book trades as they have developed and spread throughout the United States; provides a history of U.S. literary cultures; investigates the practice of reading and, more broadly, the uses of literacy; and links literary culture with larger themes in American history. Now available for the first time, this complete Omnibus ebook contains all 5 volumes of this landmark work. Volume 1 *The Colonial Book in the Atlantic World* Edited by Hugh Amory and David D. Hall 664 pp., 51 illus. Volume 2 *An Extensive Republic: Print, Culture, and Society in the New Nation, 1790-1840* Edited by Robert A. Gross and Mary Kelley 712 pp., 66 illus. Volume 3 *The Industrial Book, 1840-1880* Edited by Scott E. Casper, Jeffrey D. Groves, Stephen W. Nissenbaum, and Michael Winship 560 pp., 43 illus. Volume 4 *Print in Motion: The Expansion of Publishing and Reading in the United States, 1880-1940* Edited by Carl F. Kaestle and Janice A. Radway 688 pp., 74 illus. Volume 5 *The Enduring Book: Print Culture in Postwar America* Edited by David Paul Nord, Joan Shelley Rubin, and Michael Schudson 632 pp., 95 illus.

eric foner college ebook: *How Blacks Built America* Joe R. Feagin, 2015-07-30 *How Blacks Built America* examines the many positive and dramatic contributions made by African Americans to this country over its long history. Almost all public and scholarly discussion of African Americans accenting their distinctive societal position, especially discussion outside black communities, has emphasized either stereotypically negative features or the negative socioeconomic conditions that they have long faced because of systemic racism. In contrast, Feagin reveals that African Americans have long been an extraordinarily important asset for this country. Without their essential contributions, indeed, there probably would not have been a United States. This is an ideal addition to courses race and ethnicity courses.

eric foner college ebook: *David McCullough Library E-book Box Set* David McCullough, 2011-05-24 Perfect for David McCullough fans and history lovers alike, this ebook boxed set features all of his bestselling titles, from *1776* to *Mornings on Horseback*. This ebook box set includes all of David McCullough's bestselling titles: *1776* is the riveting story of George Washington, the men who marched with him, and their British foes in the momentous year of American independence. *Brave Companions* contains profiles of the exceptional men and women who shaped history, among them Alexander von Humboldt, Harriet Beecher Stowe, and Charles and Anne Lindbergh. *The Great Bridge* is the remarkable, enthralling story of the planning and construction of the Brooklyn Bridge, which linked two great cities and epitomized American optimism, skill, and determination. John

Adams is the magisterial, Pulitzer Prize-winning biography of the independent, irascible Yankee patriot, one of our nation's founders and most important figures, who became our second president. The Johnstown Flood is the classic history of an American tragedy that became a scandal in the age of the Robber Barons, the preventable flood that destroyed a town and killed 2,000 people. Mornings on Horseback is the brilliant National Book Award-winning biography of young Theodore Roosevelt's metamorphosis from sickly child to a vigorous, intense man poised to become a national hero and then president. Path Between the Seas is the epic National Book Award-winning history of the heroic successes, tragic failures, and astonishing engineering and medical feats that made the Panama Canal possible. Truman is the Pulitzer Prize-winning biography of Harry Truman, the complex and courageous man who rose from modest origins to make momentous decisions as president, from dropping the atomic bomb to going to war in Korea. A special bonus is included: The Course of Human Events. In this Jefferson Lecture in the Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence, and he affirms the significance of history in teaching us about human nature through the ages.

eric foner college ebook: *David McCullough American Presidents E-Book Box Set* David McCullough, 2011-05-24 From "America's most beloved biographer, David McCullough" (Time)—a collection of his bestselling biographies of American Presidents. This ebook box set features David McCullough's award-winning biographies of American Presidents. John Adams is the magisterial, Pulitzer Prize-winning biography of the independent, irascible Yankee patriot, one of our nation's founders and most important figures, who became our second president. Mornings on Horseback is the brilliant National Book Award-winning biography of young Theodore Roosevelt's metamorphosis from sickly child to a vigorous, intense man poised to become a national hero and then president. Truman is the Pulitzer Prize-winning biography of Harry Truman, the complex and courageous man who rose from modest origins to make momentous decisions as president, from dropping the atomic bomb to going to war in Korea. Including a special bonus: The Course of Human Events. In this Jefferson Lecture in the Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence, and he affirms the significance of history in teaching us about human nature through the ages.

eric foner college ebook: *Racism and Xenophobia in Early Twentieth-Century American Fiction* Wisam Abughosh Chaleila, 2020-12-29 The Melting Pot, The Land of The Free, The Land of Opportunity. These tropes or nicknames apparently reflect the freedom and open-armed welcome that the United States of America offers. However, the chronicles of history do not complement that image. These historical happenings have not often been brought into the focus of Modernist literary criticism, though their existence in the record is clear. This book aims to discuss these chronicles, displaying in great detail the underpinnings and subtle references of racism and xenophobia embedded so deeply in both fictional and real personas, whether they are characters, writers, legislators, or the common people. In the main chapters, literary works are dissected so as to underline the intolerance hidden behind words of righteousness and blind trust, as if such is the norm. Though history is taught, it is not so thoroughly examined. To our misfortune, we naively think that bigoted ideas are not a thing we could become afflicted with. They are antiques from the past - yet they possessed many hundreds of people and they surround us still. Since we've experienced very little change, it seems discipline is necessary to truly attempt to be rid of these ideas.

eric foner college ebook: *The Routledge Guidebook to Paine's Rights of Man* Frances Chiu, 2020-04-22 Upon publication in 1791-92, the two parts of Thomas Paine's Rights of Man proved to be both immensely popular and highly controversial. An immediate bestseller, it not only defended the French revolution but also challenged current laws, customs, and government. The Routledge Guidebook to Paine's Rights of Man provides the first comprehensive and fully contextualized introduction to this foundational text in the history of modern political thought, addressing its central themes, reception, and influence. The Guidebook examines: the history of

rights, populism, representative governments, and challenges to monarchy from the 12th through 18th century; Paine's arguments against monarchies, mixed governments, war, and state-church establishments; Paine's views on constitutions; Paine's proposals regarding suffrage, inequality, poverty, and public welfare; Paine's revolution in rhetoric and style; the critical reception upon publication and influence through the centuries, as well as Paine's relevance today. The Routledge Guidebook to Paine's Rights of Man is essential reading for students of eighteenth-century American and British history, politics and philosophy, and anyone approaching Paine's work for the first time.

eric foner college ebook: David McCullough Great Moments in History E-book Box Set David McCullough, 2011-05-24 From New York Times bestselling author David McCullough, a special ebook boxed set features books that study key points of American history. The David McCullough Great Moments in History ebook box set includes the following McCullough classics: 1776 is the riveting story of George Washington, the men who marched with him, and their British foes in the momentous year of American independence. The Johnstown Flood is the classic history of an American tragedy that became a scandal in the age of the Robber Barons, the preventable flood that destroyed a town and killed 2,000 people. Path Between the Seas is the epic National Book Award-winning history of the heroic successes, tragic failures, and astonishing engineering and medical feats that made the Panama Canal possible. The Great Bridge is the remarkable, enthralling story of the planning and construction of the Brooklyn Bridge, which linked two great cities and epitomized American optimism, skill, and determination. A special bonus is included: The Course of Human Events. In this Jefferson Lecture in the Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence, and he affirms the significance of history in teaching us about human nature through the ages.

eric foner college ebook: Four Hundred Souls Ibram X. Kendi, Keisha N. Blain, 2021-02-02 #1 NEW YORK TIMES BESTSELLER • A chorus of extraordinary voices tells the epic story of the four-hundred-year journey of African Americans from 1619 to the present—edited by Ibram X. Kendi, author of *How to Be an Antiracist*, and Keisha N. Blain, author of *Set the World on Fire*. FINALIST FOR THE ANDREW CARNEGIE MEDAL • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post, Town & Country, Ms. magazine, BookPage, She Reads, BookRiot, Booklist • “A vital addition to [the] curriculum on race in America . . . a gateway to the solo works of all the voices in Kendi and Blain’s impressive choir.”—The Washington Post “From journalist Hannah P. Jones on Jamestown’s first slaves to historian Annette Gordon-Reed’s portrait of Sally Hemings to the seductive cadences of poets Jericho Brown and Patricia Smith, *Four Hundred Souls* weaves a tapestry of unspeakable suffering and unexpected transcendence.”—O: The Oprah Magazine The story begins in 1619—a year before the Mayflower—when the White Lion disgorges “some 20-and-odd Negroes” onto the shores of Virginia, inaugurating the African presence in what would become the United States. It takes us to the present, when African Americans, descendants of those on the White Lion and a thousand other routes to this country, continue a journey defined by inhuman oppression, visionary struggles, stunning achievements, and millions of ordinary lives passing through extraordinary history. *Four Hundred Souls* is a unique one-volume “community” history of African Americans. The editors, Ibram X. Kendi and Keisha N. Blain, have assembled ninety brilliant writers, each of whom takes on a five-year period of that four-hundred-year span. The writers explore their periods through a variety of techniques: historical essays, short stories, personal vignettes, and fiery polemics. They approach history from various perspectives: through the eyes of towering historical icons or the untold stories of ordinary people; through places, laws, and objects. While themes of resistance and struggle, of hope and reinvention, course through the book, this collection of diverse pieces from ninety different minds, reflecting ninety different perspectives, fundamentally deconstructs the idea that Africans in America are a monolith—instead it unlocks the startling range of experiences and ideas that have always existed within the community of Blackness. This is a history that illuminates our past and gives us new ways of thinking about our future, written by the most vital and essential voices of our present.

eric foner college ebook: *Lincoln's Gamble* Todd Brewster, 2015-08-11 A brilliant, authoritative, and riveting account of the most critical six months in Abraham Lincoln's presidency, when he penned the Emancipation Proclamation and changed the course of the Civil War.

eric foner college ebook: *Beyond Freedom* David W. Blight, Jim Downs, 2017-11-01 This collection of eleven original essays interrogates the concept of freedom and recenters our understanding of the process of emancipation. Who defined freedom, and what did freedom mean to nineteenth-century African Americans, both during and after slavery? Did freedom just mean the absence of constraint and a widening of personal choice, or did it extend to the ballot box, to education, to equality of opportunity? In examining such questions, rather than defining every aspect of postemancipation life as a new form of freedom, these essays develop the work of scholars who are looking at how belonging to an empowered government or community defines the outcome of emancipation. Some essays in this collection disrupt the traditional story and time-frame of emancipation. Others offer trenchant renderings of emancipation, with new interpretations of the language and politics of democracy. Still others sidestep academic conventions to speak personally about the politics of emancipation historiography, reconsidering how historians have used source material for understanding subjects such as violence and the suffering of refugee women and children. Together the essays show that the question of freedom—its contested meanings, its social relations, and its beneficiaries—remains central to understanding the complex historical process known as emancipation. Contributors: Justin Behrend, Gregory P. Downs, Jim Downs, Carole Emberton, Eric Foner, Thavolia Glymph, Chandra Manning, Kate Masur, Richard Newman, James Oakes, Susan O'Donovan, Hannah Rosen, Brenda E. Stevenson.

eric foner college ebook: *The Second* Carol Anderson, 2021-06-01 From the New York Times bestselling author of *White Rage*, an unflinching, critical new look at the Second Amendment and how it has been engineered to deny the rights of African Americans since its inception. In *The Second*, historian and award-winning, bestselling author of *White Rage* Carol Anderson powerfully illuminates the history and impact of the Second Amendment, how it was designed, and how it has consistently been constructed to keep African Americans powerless and vulnerable. The Second is neither a “pro-gun” nor an “anti-gun” book; the lens is the citizenship rights and human rights of African Americans. From the seventeenth century, when it was encoded into law that the enslaved could not own, carry, or use a firearm whatsoever, until today, with measures to expand and curtail gun ownership aimed disproportionately at the African American population, the right to bear arms has been consistently used as a weapon to keep African Americans powerless—revealing that armed or unarmed, Blackness, it would seem, is the threat that must be neutralized and punished. Throughout American history to the twenty-first century, regardless of the laws, court decisions, and changing political environment, the Second has consistently meant this: That the second a Black person exercises this right, the second they pick up a gun to protect themselves (or the second that they don't), their life—as surely as Philando Castile's, Tamir Rice's, Alton Sterling's—may be snatched away in that single, fatal second. Through compelling historical narrative merging into the unfolding events of today, Anderson's penetrating investigation shows that the Second Amendment is not about guns but about anti-Blackness, shedding shocking new light on another dimension of racism in America.

eric foner college ebook: *Black Political Thought* Sherrow O. Pinder, 2020 A unique collection of articles and speeches by prominent African American activists, spanning over 150 years of black political thought.

eric foner college ebook: *Reconstruction beyond 150* Orville Vernon Burton, J. Brent Morris, 2023-08-21 No period of United States history is more important and still less understood than Reconstruction. Now, at the sesquicentennial of the Reconstruction era, Vernon Burton and J. Brent Morris bring together the best new scholarship on the critical years after the Civil War and before the onset of Jim Crow, synthesizing social, political, economic, and cultural approaches to understanding this crucial period. Reconstruction was the most progressive period in United States history. Although marred by frequent violence and tragedy, it was a revolutionary era that offered

hope, opportunity, and against all odds, a new birth of freedom for all Americans. Even though many of the gains of Reconstruction were rolled back and replaced with a repressive social and legal regime for African Americans, the radical spark was never fully extinguished. Its spirit fanned back into flame with the Civil Rights Movement of the 1950s and 1960s, and its ramifications remain palpable to this day.

eric foner college ebook: *Elite White Men Ruling* Joe Feagin, Kimberley Ducey, 2017-04-07 This book examines the “who, what, when, where, and how” of elite-white-male dominance in U.S. and global society. In spite of their domination in the United States and globally that we document herein, elite white men have seldom been called out and analyzed as such. They have received little to no explicit attention with regard to systemic racism issues, as well as associated classism and sexism issues. Almost all public and scholarly discussions of U.S. racism fail to explicitly foreground elite white men or to focus specifically on how their interlocking racial, class, and gender statuses affect their globally powerful decisionmaking. Some of the power positions of these elite white men might seem obvious, but they are rarely analyzed for their extraordinary significance. While the principal focus of this book is on neglected research and policy questions about the elite-white-male role and dominance in the system of racial oppression in the United States and globally, because of their positioning at the top of several societal hierarchies the authors periodically address their role and dominance in other oppressive (e.g., class, gender) hierarchies.

eric foner college ebook: *Vierhundert Seelen* Ibram X. Kendi, Keisha N. Blain, 2024-12-11 Im Nummer-1-New-York-Times-Bestseller der Herausgeber Ibram X. Kendi und Keisha N. Blain erzählen 80 außergewöhnliche Stimmen die vierhundertjährige Geschichte des afrikanischen Amerikas von 1619 bis in die unmittelbare Gegenwart. Die Geschichte beginnt 1619, ein Jahr vor der Ankunft der Mayflower, als die White Lion etwa 20 »negroes« an der Küste Virginias ausspuckt und damit die afrikanische Präsenz in den späteren Vereinigten Staaten einleitet. Sie führt uns quer durch den enormen Einfluss der Schwarzen auf die Geschehnisse der jungen Nation. Ibram X. Kendi und Keisha N. Blain versammeln 80 Autorinnen und Autoren, die sich der Geschichte aus verschiedenen Blickwinkeln nähern: durch die Augen großer historischer Ikonen oder durch die unerzählten Geschichten einfacher Menschen, durch Orte, Gesetze und Gegenstände. Während sich Themen wie Widerstand und Kampf, Hoffnung und Neuerfindung wie ein roter Faden durch das Buch ziehen, entfaltet diese Sammlung eine verblüffende Bandbreite an Erfahrungen und Ideen, die es in der Community der Schwarzen in Amerika immer gegeben hat. So erzählt dieses Buch u.a. von Leid und Trauma, von Unterdrückung und Befreiung, vom Kampf um Selbstbestimmung und rechtliche Gleichstellung, von gewaltigen Pionier- und Heldentaten, von der Entwicklung von Swing, Rock'n'Roll, Soul, Funk und HipHop und der Entstehung der Black-Lives-Matter-Bewegung. Vierhundert Jahre Afrikanisch-Amerikanische Geschichte: Eine Reise voll von unmenschlicher Gewalt, visionären Kämpfen und erstaunlichen Errungenschaften.

eric foner college ebook: *Stony the Road* Henry Louis Gates, Jr., 2019-04-02 “Stony the Road presents a bracing alternative to Trump-era white nationalism. . . . In our current politics we recognize African-American history—the spot under our country’s rug where the terrorism and injustices of white supremacy are habitually swept. Stony the Road lifts the rug. —Nell Irvin Painter,

New York Times Book Review A profound new rendering of the struggle by African-Americans for equality after the Civil War and the violent counter-revolution that resubjugated them, by the bestselling author of *The Black Church* and *The Black Box*. The abolition of slavery in the aftermath of the Civil War is a familiar story, as is the civil rights revolution that transformed the nation after World War II. But the century in between remains a mystery: if emancipation sparked a new birth of freedom in Lincoln's America, why was it necessary to march in Martin Luther King, Jr.'s America? In this new book, Henry Louis Gates, Jr., one of our leading chroniclers of the African-American experience, seeks to answer that question in a history that moves from the Reconstruction Era to the nadir of the African-American experience under Jim Crow, through to World War I and the Harlem Renaissance. Through his close reading of the visual culture of this tragic era, Gates reveals the many faces of Jim Crow and how, together, they reinforced a stark color line between white and black Americans. Bringing a lifetime of wisdom to bear as a scholar, filmmaker, and public intellectual, Gates uncovers the roots of structural racism in our own time, while showing how African Americans after slavery combatted it by articulating a vision of a New Negro to force the nation to recognize their humanity and unique contributions to America as it hurtled toward the modern age. The story Gates tells begins with great hope, with the Emancipation Proclamation, Union victory, and the liberation of nearly 4 million enslaved African-Americans. Until 1877, the federal government, goaded by the activism of Frederick Douglass and many others, tried at various turns to sustain their new rights. But the terror unleashed by white paramilitary groups in the former Confederacy, combined with deteriorating economic conditions and a loss of Northern will, restored home rule to the South. The retreat from Reconstruction was followed by one of the most violent periods in our history, with thousands of black people murdered or lynched and many more afflicted by the degrading impositions of Jim Crow segregation. An essential tour through one of America's fundamental historical tragedies, *Stony the Road* is also a story of heroic resistance, as figures such as W. E. B. Du Bois and Ida B. Wells fought to create a counter-narrative, and culture, inside the lion's mouth. As sobering as this tale is, it also has within it the inspiration that comes with encountering the hopes our ancestors advanced against the longest odds.

eric foner college ebook: *A Companion to American Religious History* Benjamin E. Park, 2021-01-26 A collection of original essays exploring the history of the various American religious traditions and the meaning of their many expressions *The Blackwell Companion to American Religious History* explores the key events, significant themes, and important movements in various religious traditions throughout the nation's history from pre-colonization to the present day. Original essays written by leading scholars and new voices in the field discuss how religion in America has transformed over the years, explore its many expressions and meanings, and consider religion's central role in American life. Emphasizing the integration of religion into broader cultural and historical themes, this wide-ranging volume explores the operation of religion in eras of historical change, the diversity of religious experiences, and religion's intersections with American cultural, political, social, racial, gender, and intellectual history. Each chronologically-organized chapter focuses on a specific period or event, such as the interactions between Moravian and Indigenous communities, the origins of African-American religious institutions, Mormon settlement in Utah, social reform movements during the twentieth century, the growth of ethnic religious communities, and the rise of the Religious Right. An innovative historical genealogy of American religious traditions, the *Companion*: Highlights broader historical themes using clear and compelling narrative Helps teachers expose their students to the significance and variety of America's religious past Explains new and revisionist interpretations of American religious history Surveys current and emerging historiographical trends Traces historical themes to contemporary issues surrounding civil rights and social justice movements, modern capitalism, and debates over religious liberties Making the lessons of American religious history relevant to a broad range of readers, *The Blackwell Companion to American Religious History* is the perfect book for advanced undergraduate and graduate students in American history courses, and a valuable resource for graduate students and scholars wanting to keep pace with current historiographical trends and recent developments in the

field.

eric foner college ebook: Private Regierung Elizabeth Anderson, 2019-02-11 Als Adam Smith und andere die Theorie freier Märkte entwickelten, war das ein progressives Projekt: Die Freiheit der Märkte sollte auch zur Befreiung der Lohnabhängigen führen – von den Zwängen obrigkeitstaatlicher Strukturen, vor allem aber von der Gängelung durch die Arbeitgeber. In ihrem furiosen Buch zeigt Elizabeth Anderson, was aus dieser schönen Idee geworden ist: reine Ideologie in den Händen mächtiger ökonomischer Akteure, die sich in Wahrheit wenig um die Freiheit und die Rechte von Arbeitnehmern scheren. Bereits die Industrielle Revolution hat den vormaligen positiven Zusammenhang zwischen freiem Markt und freiem Arbeiter aufgelöst, wie Anderson im ideengeschichtlichen Teil ihrer Untersuchung darlegt. Im nächsten Schritt bestimmt sie die gegenwärtige Beziehung zwischen Arbeitgebern und Arbeitnehmern neu: als eine von Regierungen und Regierten, wobei diese »Regierungen« private sind und quasi autokratisch herrschen können. Das Nachsehen haben die Beherrschten, nämlich die Arbeitnehmer, wie Anderson anhand zahlreicher Beispiele belegt. In beeindruckender Gedankenführung und stilistisch brillant dekonstruiert sie einen Mythos des Marktdenkens. Ein Glanzstück der Ideologiekritik.

eric foner college ebook: They Met at Wounded Knee Gretchen Cassel Eick, 2020-10-14 After ten years as a foreign and military policy lobbyist in Washington and four as director of an interfaith lobby, Gretchen Eick, moved to Kansas, earned a Ph.D. in American Studies from the University of Kansas and became Professor of History at Friends University. She was awarded two Fulbright Scholar awards, teaching in Latvia and Bosnia and Herzegovina (BiH), and a Fulbright Hays to South Africa. Her book on the civil rights movement—*Dissent in Wichita: The Civil Right Movement in the Midwest, 1954-1972* (U of IL Press, 2001/2007) won three awards: The Richard Wentworth award from the University of Illinois as the best book in American history that press published over two years, the University of Kansas' Hall Center Award for the best book by a Kansas author (the first time the award went to someone not teaching at K.U.), and the William Rockhill Nelson award for the best nonfiction book by a Kansas or Missouri author. The book resulted in two museum exhibits, a 2009 Telly Award-winning public television documentary about the first successful student-led sit-in, the 1958 Dockum Drug Store Sit-in in Wichita, and mention in the Smithsonian Museum of African American History and Culture.
