enciso daughters father: Marvels and Miracles in Late Colonial Mexico William B. Taylor, 2019-02-15 Miracles, signs of divine presence and intervention, have been esteemed by Christians, especially Catholic Christians, as central to religious belief. During the second half of the eighteenth century, Spain's Bourbon dynasty sought to tighten its control over New World colonies, reform imperial institutions, and change the role of the church and religion in colonial life. As a result, miracles were recognized and publicized sparingly by the church hierarchy, and colonial courts were increasingly reluctant to recognize the events. Despite this lack of official encouragement, stories of amazing healings, rescues, and acts of divine retribution abounded throughout Mexico. Consisting of three rare documents about miracles from this period, each accompanied by an introductory essay, this study serves as a source book and complement to the author's Shrines and Miraculous Images: Religious Life in Mexico Before the Reforma.

enciso daughters father: Linajudos and Conversos in Seville Ruth Pike, 2000 In Seville many of the patrician families that dominated the transatlantic trade and governed the city in this period had intermarried with the conversos or were themselves of similar origin. This book views the linajudo phenomenon as part of the wider problem of the assimilation of the conversos into sixteenth- and seventeenth-century Spanish society.--BOOK JACKET.

enciso daughters father: The Living and the Dead Anthony J. Enciso, 2009-12-04 A teenage son makes a strange discovery one morning at the back of his parents closet. Wrapped in red silk

and hidden beneath a pile of old photos is a beautiful samurai sword in its scabbard. When the boy confronts his father with his discovery, he soon learns the tragic story behind its acquisition and its villainous former owner. His father's tale of one man's ultimate devotion to the woman he loves and the sacrifices he was willing to make in her name begins to unfold, changing the boy forever. Nate Walker had lived a lonely existence, tormented for much of his young life by the nightmares of an abusive childhood and his bouts with his personal demons. But when Sarah Ross entered his life by chance and fell in love with him, his life suddenly took on a whole new meaning. A lifetime of happiness no longer seemed an unattainable dream. Little did Nate know, however, that a lone bullet fired on a warm summer night in Las Vegas would drastically alter his life and threaten to destroy his future with the woman he loves more than life itself. The shadows from her past would catch up to them in the worst way possible. After burying his older brother, Mark ODane, Sarah's ex-fiancé and the youngest son of a casino magnate, launches a desperate ploy to win her back. Despite his associates' dire warnings, ODane turns to his father's sinister chief enforcer, Dante Medina, to deliver Sarah an invitation to his party in Las Vegas, an invitation he knows she would not dare refuse. When the sadistic killer arrives in town, she has no choice but to accept his summons in fear of a violent reprisal against Nate and his loved ones. After setting in motion a disastrous last-minute attempt to see Sarah before her departure, Nate and his friends, Mitch Green and Roy Tucker, launch a frantic plan of their own to find her and, at the same time, protect their loved ones at home from retaliation. Broken and afraid, Nate and Sarah find their way back to each other, but are burdened with the haunting knowledge that the true horror Dante threatened to unleash is only just beginning. Volume I comes to a tumultuous end, but the tale of the samurai sword is only halfway complete. The epic love story concludes in volume II.

enciso daughters father: Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines: Education, English, and Library and Information Science. Distinguished by its multidisciplinary approach, it describes and analyzes the different aspects of literary reading, texts, and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature. Part one considers perspectives on readers and reading literature in home, school, library, and community settings. Part two introduces analytic frames for studying young adult novels, picturebooks, indigenous literature, graphic novels, and other genres. Chapters include commentary on literary experiences and creative production from renowned authors and illustrators. Part three focuses on the social contexts of literary study, with chapters on censorship, awards, marketing, and literary museums. The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds, thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory.

enciso daughters father: Black Protagonists of Early Modern Spain, 2023-12-22 ** Awarded the MLA's Aldo and Jeanne Scaglione prize for a translation of a literary work (December 2024) ** The prize committee's citation: In the three Spanish comedias included in *Black Protagonists of Early Modern Spain*, which appear together and in English for the first time, the seemingly rigid social hierarchies that form the setting of so many comedias are put to the test when three talented Black men break through the racial barriers. Michael Kidd's selection of plays will appeal to students of literature, history, cultural studies, and the African diaspora. The plays themselves are framed between a highly informative preface and introduction and an extensive annotated glossary of people and places. However, it is the accessibility, fluidity, and vibrancy of language that make this volume an excellent choice for all readers to experience and enjoy in English the same kind of wordplay that was integral to the Spanish comedia of the early modern period. From the back cover: Remarkable products of a nation deeply implicated in the Atlantic slave trade, the seventeenth-century Spanish plays *Juan Latino*, *The Brave Black Soldier*, and *Virtues Overcome* appear together in English for the first time in this volume. The three

protagonists not only defy the period's color-based prejudices but smash through its ultimate social barrier: marriage into the white nobility. Michael Kidd's fluid translations and extensive critical introduction, bibliography, and glossary are enhanced by Hackett's title support webpage. *Black Protagonists of Early Modern Spain* is essential reading for students of theater history, Spanish literature, and the African diaspora.

enciso daughters father: Advocate , 1988

enciso daughters father: *Making Literacy Real* Joanne Larson, Jackie Marsh, 2014-11-17 Offering an overview of the major fields in literacy studies, this book presents a detailed and accessible discussion of key theories and their relevance in the primary classroom. Each chapter uses a real life case study to explore the application of theory in practice, followed by a detailed discussion of the case study material by a leading name in the field, including contributions from Barbara Comber, Michele Knobel, Colin Lankshear, Gunther Kress, Brian Street, Kevin Leander and Patricia Enciso. The text also offers reflections on theoretical foundations for research, exploring literacy as a practice grounded in social, cultural, historical and political contexts and in relationships of power. This second edition includes: New chapters covering digital literacy, space and play, and multimodality Examples and contributions from a range of international contexts, including US, UK, Canada, Australia and South Africa Further reading links. Essential reading for students at undergraduate and post-graduate level on primary education courses and an invaluable guide for anyone wanting to understand literacy theory and successfully apply this to the classroom.

enciso daughters father: *Sharing the Journey* David Yellin, 2017-05-12 This wonderful resource from two authors with an infectious enthusiasm for children's literature will help readers select and share quality books for and with young children. Specifically focused on infants through the third grade, *Sharing the Journey* contains descriptive book annotations, instructive commentary, and creative teaching activities tailored for those important years. Extensive book lists throughout will help readers build a library of quality children's literature. Books representing other cultures are included to help celebrate diversity as well as cultural connection. Genre chapters include poetry, fantasy, and realistic and historical fiction. A chapter on informational books demonstrates how young children can be introduced to, and learn to enjoy, nonfiction.

enciso daughters father: *Deza and Its Moriscos* Patrick J. O'Banion, 2020-08-01 Bainton Prize for History and Theology Honorable Mention *Deza and Its Moriscos* addresses an incongruity in early modern Spanish historiography: a growing awareness of the importance played by Moriscos in Spanish society and culture alongside a dearth of knowledge about individuals or local communities. By reassessing key elements in the religious and social history of early modern Spain through the experience of the small Castilian town of Deza, Patrick J. O'Banion asserts the importance of local history in understanding large-scale historical events and challenges scholars to rethink how marginalized people of the past exerted their agency. Moriscos, baptized Muslims and their descendants, were pressured to convert to Christianity at the end of the Middle Ages but their mass baptisms led to fears about lingering crypto-Islamic activities. Many political and religious authorities, and many of the Moriscos' neighbors as well, concluded that the conversions had produced false Christians. Between 1609 and 1614 nearly all of Spain's Moriscos—some three hundred thousand individuals—were thus expelled from their homeland. Contrary to the assumptions of many modern scholars, rich source materials show the town's Morisco minority wielded remarkable social, economic, and political power. Drawing deeply on a diverse collection of archival material as well as early printed works, this study illuminates internal conflicts, external pressures brought to bear by the Inquisition, the episcopacy, and the crown, and the possibilities and limitations of negotiated communal life at the dawn of modernity.

enciso daughters father: *Blood on the Boulders* Diego de Vargas, John L. Kessell, Rick Hendricks, 1998-06 Through *The Journals of don Diego de Vargas*, translated from official and private correspondence, we are drawn back, through conflict and compromise, into New Mexico's formative era in this boxed set.

enciso daughters father: PTTI Newsletter , 1994

enciso daughters father: Genocide Literature in Middle and Secondary Classrooms Sarah Donovan, 2016-08-12 At the heart of this inquiry into the ethical implications of education reform on reading practices in middle and secondary classrooms, the central question is what is lost, hidden, or marginalized in the name of progress? Drawing on her own experiences as an English teacher during the No Child Left Behind era, the author examines school cultures focused on meeting standards and measurable outcomes. She shows how genocide literature illuminates the ethics of reading and helps teachers and students rethink how literature should be taught in this modern, globalized era and the purposes of education more broadly.

enciso daughters father: *The Season of Stories* Silvio Sirias, 2016 In 1961, twelve year-old Diego Miranda's life changes drastically when his parents inform him that they are moving back to their homeland, Nicaragua. The boy, who has lived only in Los Angeles, hates the idea of leaving the city he loves, his friends, and his beloved Dodgers. In the middle of this crisis, he meets the writer Scott O'Dell, the novelist who has recently won the Newbery Medal for *Island of the Blue Dolphins*. In spite of their age difference, the two become close friends. As a result of this relationship, Diego's teachers invite the writer to give a talk about the Spanish explorer Vasco Núñez de Balboa. O'Dell chooses to narrate the story of Balboa's colonization efforts, his sighting of the Pacific Ocean, and his eventual beheading through the eyes of Anayansi—the Indian Princess with whom he shared his life. Told alongside each other, Diego's and Anayansi's lives intertwine to create a broad, stunning portrait—set four centuries apart—of the redemptive power of storytelling.

enciso daughters father: *Vampires and Zombies* Dorothea Fischer-Hornung, Monika Mueller, 2016-02-02 The undead are very much alive in contemporary entertainment and lore. Indeed, vampires and zombies have garnered attention in print media, cinema, and on television. The vampire, with roots in medieval European folklore, and the zombie, with origins in Afro-Caribbean mythology, have both undergone significant transformations in global culture, proliferating as deviant representatives of the zeitgeist. As this volume demonstrates, distribution of vampires and zombies across time and space has revealed these undead figures to carry multiple meanings. Of all monsters, vampires and zombies seem to be the trendiest--the most regularly incarnate of the undead and the monsters most frequently represented in the media and pop culture. Moreover, both figures have experienced radical reinterpretations. If in the past vampires were evil, blood-sucking exploiters and zombies were brainless victims, they now have metamorphosed into kinder and gentler blood-sucking vampires and crueler, more relentless, flesh-eating zombies. Although the portrayals of both vampires and zombies can be traced back to specific regions and predate mass media, the introduction of mass distribution through film and game technologies has significantly modified their depiction over time and in new environments. Among other topics, contributors discuss zombies in Thai films, vampire novels of Mexico, and undead avatars in horror videogames. This volume--with scholars from different national and cultural backgrounds--explores the transformations that the vampire and zombie figures undergo when they travel globally and through various media and cultures.

enciso daughters father: *The Living & the Dead*: ANTHONY J. ENCISO, 2011-09-07 After learning about the pain and heartache his father suffered for the woman he loved, Matty Walker discovers the rest of his family's tumultuous history as the epic tale of the samurai sword comes to a triumphant conclusion. Two years and four months after Dante Medina and his Perros assembled in Juárez to swear retribution for the deaths of Duncan and Dimacio, Nate Walker and Sarah Ross are trying desperately to save their newly forged marriage after a senseless indiscretion threatens to destroy it. Despite the brief respite from Dante's wrath, El Cazador and his Perros soon make a sudden strike against the people Nate and Sarah love. Suddenly, Nate is pulled back into the nightmarish world he thought he had escaped and is forced to face each of the diabolical Perros one-by-one before entering a final showdown against Dante Medina himself. With his soul on the line, Nate must make a heartbreaking decision between saving himself or the woman he loves.
