games unblocked 67: Barbacoa Erik Orrantia, 2014-10-24 Professor Diego and his team have made a potentially world-shaking discovery at their archeological site in Central Mexico— two Aztec skeletons lovingly interred. As they begin to examine the remains, the story of an ancient mystery couple begins to unfold. In pre-Columbian Mexico, a young Aztec warrior called Metzín cannot

understand the strange attraction he feels for Tototli, a quiet slave owned by his family. Torn between familial duty and love for his little bird, Metzín becomes the target of a sadistic bully, both at school and on the battlefield. In the present, Diego and his assistant, Gerardo, dare to start a romance amid the conflicting forces of their families, religion, society, and work. With funding for their project in jeopardy, they must balance love with social disapproval and solve the mystery of the intertwined Aztec skeletons. And for Metzín—as war draws near, he must choose his destiny. Will he prove himself on the field of honor, or stay behind with his love? It is a more dangerous choice than Metzín realizes. Unbeknownst to him, forces beyond his control are gathering. It will be all he can do to survive the coming storm—and hold on to his love.

games unblocked 67: Mastering Small Stakes Pot-Limit Omaha Fernando "JNandez" Habegger, 2020-10-06 Welcome to the wonderful world of Pot Limit Omaha! With four hole cards instead of two, PLO is a far more nuanced game than No-Limit Hold'em and one that emphatically rewards greater skill. This makes it a very profitable game for serious players - especially when playing at the small stakes where recreational players consistently make expensive preflop and postflop mistakes. Mastering Small Stakes Pot-Limit Omaha is a thoroughly comprehensive guide that will give you all the tools you need to gain a huge edge at lower stakes play. Fernando JNandez Habegger is a successful high stakes professional player and leading PLO coach with his own training site at PLOMastermind.com. He has trained hundreds of players to become successful at PLO. In Mastering Small Stakes Pot-Limit Omaha, preflop play is broken down by identifying nine different hand categories and analysing how hands within each of them are handled preflop. Postflop analysis is based around the powerful technique of the Four Pillars of Postflop Play. The combination of these two creates a powerful gameplan that constitutes a fast track route to domination at the lower stakes. Further topics include adjusting to live play, PLO tournaments, building the right improvement habits, dealing with variance, and managing your PLO bankroll.

games unblocked 67: *The Oklahoma Football Encyclopedia* Ray Dozier, 2006 The Oklahoma Football Encyclopedia is an historical description of every University of Oklahoma football game from the beginning in 1895 through 2004. Learn how the team got its start and how coach Bennie Owen laid the foundation for the Sooners to become one of the most respected teams on the college football scene. Bud Wilkinson, Barry Switzer and Bob Stoops later directed the Sooners to college football's elite prize. Wilkinson was a great teacher of the Split-T formation, which guided the Sooners to three national championships, 72 consecutive conference games without a loss and a major college winning streak -- a record that may never be broken. Switzer, a master recruiter, implemented the Wishbone formation, which brought another three national titles and 12 conference crowns to Norman. After the Sooner football program had dropped to mediocrity status, Stoops turned the program around and won the national championship in his second year at the helm. This book provides insight into Sooner Magic. Many OU football teams appeared to have a supernatural force carry them to victory when victory was not assured. Was it sleight of hand? Smoke and mirrors? No, just pure talent and inspiration helped push the Sooners to the overwhelming tradition the teams have displayed on the gridiron.
