- Cultural Representation

## Origins of the Gorilla Stone Gang

The story of the Gorilla Stone Gang begins in the early 2000s in New York City. Emerging from the Bronx, the group was formed by individuals seeking protection, brotherhood, and economic opportunity within disadvantaged neighborhoods. The founding members, many of whom had previous ties to other street organizations, united to address common challenges and to carve out a distinct identity in the city's competitive gang landscape. The name "Gorilla Stone" is believed to reference both the strength and resilience of its members, as well as a nod to the "stone" symbolizing steadfast loyalty.

Initially, the Gorilla Stone Gang operated on a small scale, focusing primarily on local territory control, drug distribution, and protecting its members from rival groups. The early

**gorilla stone gang history:** *Gangs and the Military* Carter F. Smith, 2019-09-20 Over the past several decades, there has been a continuous and growing focus on street gangs, outlaw motorcycle gangs, and domestic extremist groups. Many of these groups have members with military training, and some actively recruit from current and former military veterans and retirees. That military experience adds to the dangerousness of veteran gang members, as well as those groups they associate with. Communities everywhere are experiencing the damaging impact of gang criminal behavior. By observing gang activity from the Revolutionary War to today Smith examines the presence of military-trained, often veteran, gang members in the communities. He looks at the turning points in gang investigations in the military, and also looks at the laws and policies designed to specifically counter the criminal activity the threats of gang activity pose on a community. Grounded in current knowledge and research, *Gangs and the Military* successfully addresses the growing presence of criminal gang members in the United States. As well as reflects on how the authorities that counter and combat them are doing so on a national and global level.

**gorilla stone gang history:** *New York Smexy - The Gut & The Kiss* Tapio Tiihonen, 2020-11-04 Love and Luxury, Money and Culture always try to find their way to You. Please, be patient and give them a Chance. Dear Reader! This is a story about how I meet My Lady Victoria June in New York City while making my Book Towns Group business. Just one a kiss, and the world has a different color. Especially in Brooklyn. Nahmean, the cool points are outto window and I'm all twisted up in the game. Our Romantic path is filled with noice bankers, gunrunners from Straight Cash/Get Gwop like gangs, the Bonanno, and other mobs, gr8 businessmen, the real Brooklyn sunshine. I, the deep Brooklyn, make deals and take my love, Victoria, and our dancers and singers, to the old continent. And we find a great connection with bootiful Europe and the swell U.S. If You need a book of love and hard action, at the beginning of the coronavirus pandemic, this is for You. yours Tapio Tiihonen

**gorilla stone gang history:** *Complex Presents Dummy Boy* Shawn Setaro, 2021-12-21 The story of Tekashi 6ix9ine one of the most controversial figures in all of hip-hop history, Dummy Boy tells the tale his meteoric rise to fame. In tracing Danny Tekashi 6ix9ine Hernandez's life from Bushwick to the heights of the rap scene, Complex reporter Shawn Setaro illuminates the story of the young rapper who forged an alliance with a notorious street gang to bolster his image and boost his internet clout. Before long, Tekashi's antics and affiliations caught up with him, leading to a major police investigation that tore apart his team and saw him squarely behind bars, facing a life in prison. A thrilling true crime narrative set in the contemporary hip-hop world, Dummy Boy draws on dozens of exclusive interviews with collaborators, associates, and witnesses, to provide a detailed account of the most beguiling and intriguing story in modern music. More than a biography, Dummy Boy is an American crime story, a critical examination of internet trolling in the Trump era, and an exploration of the long-running connection between rap, gangs, and police in New York City.

**gorilla stone gang history:** *Der aufrechte Gang* Kurt Bayertz, 2012-09-28 Der aufrechte Gang ist niemals nur ein anatomisches Faktum gewesen. Er hat stets auch menschlicher Selbstdeutung gedient. Dieses Buch macht deutlich, dass der aufrechte Gang schon in der Antike als

Ausdruck der privilegierten Stellung des Menschen im Kosmos angesehen wurde. Es führt seine Leser auf anthropologischen Seitenwegen durch das Mittelalter und legt schließlich die Hintergründe des neuzeitlichen Bruches mit der klassischen Tradition offen: In der Moderne erscheint der aufrechte Gang nicht mehr nur als Privileg, sondern auch als Risiko. Kurt Bayertz legt damit die erste historische Gesamtdarstellung des anthropologischen Denkens auf der Grundlage des aufrechten Ganges vor.

**gorilla stone gang history: Report Writing for Criminal Justice Professionals** Larry S. Miller, John T. Whitehead, 2010-11-24 So much of the process of criminal justice depends on good documentation, and criminal justice professionals can spend as much as 50-75% of their time writing up administrative and research reports. Much of the legal process depends on the careful documentation that records crucial information. And yet most of these law enforcement, security, corrections, and probation and parole officers have not had adequate training in how to provide a well-written, accurate, brief, and complete report. Report Writing for Criminal Justice Professionals provides practical advice on report writing -- with specific writing samples and guidelines. The authors go beyond the routine English grammar approach to deal with the difficult but often-ignored problem of documentation that will hold up in court. Important concepts are emphasized with related checklists, forms, and pull-out chapter tests. The material is organized into three sections: The Nature of Report Writing, The Mechanics of Report Writing, and The Modernization of Report Writing NEW TO THIS EDITION Updated and revised with new material on forensics and scientific reports, crime reporting, common errors in forensic reports, and automation of report writing. Appendixes are thoroughly revised, with new examples of reporting forms, worksheets, and reports, including a sample forensic lab report and presentence investigation report. Text complemented by numerous examples, sample reports and tools. Each chapter concludes with a sample test for the reader to self-evaluate learning. Appendices include model reports, examples of agency instructions for completing report forms and selected readings.

**gorilla stone gang history: Hanna-Barbera, the Recorded History** Greg Ehrbar, 2024-08-27 Featuring the first extensive Hanna-Barbera discography ever published and over 140 photos and illustrations! Whether it's Tom and Jerry, Scooby-Doo, the Jetsons, Yogi Bear, Top Cat, Huckleberry Hound, or hundreds of others, the creations of the Hanna-Barbera studio continue to delight generations worldwide. The groundbreaking company employed thousands in the art and business of animation. Some of them were vintage-era veterans, others were up-and-coming talents, some of whom found blockbuster success at other studios. The power of the sounds that Hanna-Barbera crafted to accompany the compelling visuals was a key factor in its spectacular success. Legendary vocal performances and signature sound effects evoke countless visual images. Catchy music cues and theme songs are recalled instantly. Hanna-Barbera, the Recorded History: From Modern Stone Age to Meddling Kids chronicles, for the first time, the story of this entertainment phenomenon from one century to the next and reveals unexplored aspects of its artistry. Hanna-Barbera's impact on the music industry is chief among these aspects. Author Greg Ehrbar chronicles the partnership between Bill Hanna, Joe Barbera, and their talented associates—and, at the same time, parallels the impact of their artistry on the recording industry. Page after page abounds with exclusive interviews, surprising facts, and previously unpublished anecdotes. Also featuring the first extensive H-B discography ever published, Hanna-Barbera, the Recorded History earns its place on the go-to shelf of every animation, music, television, and film enthusiast.

**gorilla stone gang history: The Way of the Warrior** Chris Crudelli, 2008-10-01 Do you know your ashiwaza from your elbow strike? Find out with The Way of the Warrior, which features every major style of martial art in existence, bringing ancient and modern arts together in one complete

work of reference. This comprehensive, fully illustrated encyclopedia covers a huge range of martial arts, from the ancient and renowned styles of China's Shaolin Temple to the lesser-known styles of Africa's indigenous tribes. It looks at the history, philosophy, guiding principles, key moves, weaponry, founding members, and famous exponents of individual arts, as well as highlighting unbelievable feats, such as drilling wood with a finger or deflecting swords with the abdomen. Specially commissioned photo-narrative and first-person features trace the daily training schedules of key exponents, providing human-level insights into ways of life and often complex and mystical disciplines.

**gorilla stone gang history:** American Street Gangs Tim Delaney, 2006 This book provides a comprehensive review of all the critical elements relevant to the growing phenomenon of gang life. It is designed to provide the necessary background material of gangs so that readers gain a clear idea of the cultural and structural components of gang activity. This book provides an examination of the history of gangs, socio-psychological aspects of individual and group behavior, the major theories and socio-economic reasons as to why gangs exist, descriptions of all types of gangs, as well as law enforcement techniques.

**gorilla stone gang history:** Behind Every Bush Richard H. Ichord, John Boyd, 1979

**gorilla stone gang history:** Roadies Stuart Coupe, 2018-09-25 This is your backstage pass to the hidden side of the music industry - the tantrums, the fights, the tensions, the indulgence, the sex, the alcohol, the drugs. The roadies see it all, and now they are sharing their secrets. Roadies are the unsung heroes of the Australian music industry. They unload the PAs and equipment, they set it all up, they make sure everything is running smoothly before, during and after the gigs. Then they pack everything up in the middle of the night, put it in the back of the truck and hit the road to another town - to do it all over again. They know everything about the pre- and post-show excesses. They bear witness to overdoses, the groupies, the obsessive fans. They are part of - and often organise - all the craziness that goes on behind the scenes of the concerts and pub gigs you go to. From The Rolling Stones to AC/DC, Bob Marley to Courtney Love, Sherbet to The Ted Mulry Gang, INXS to Blondie - these guys have seen it all. And now they're stepping onto the stage and talking. The Roadies' Creed: If it's wet, drink it. If it's dry, smoke it. If it moves, \*\*\*\* it. If it doesn't move, throw it in the back of the truck. 'Fabulous . . . a bold portrait' SYDNEY MORNING HERALD on Stuart Coupe's GUDINSKI

**gorilla stone gang history:** KAHOOLAWA Rod Williams, 2013-10-07 Synopsis KAHOO LAWE The primary locale is the Hawaiian island of KAHOO LAWE with backdrops including Maui, Mexico, Vietnam and Alaska. The theme is love, the love of a man and woman for a mute Vietnamese girl and

their frantic search for her kidnapper The search ends on the desolate uninhabited island of KAHOOLAWA in the midst of naval gunfire, a Kona storm and an Aleutian born tsunami. Adding to the mix is the arrival on Maui of a movie production company with a cast of unforgettable and very shallow actors, an incompetent director and a doomed producer. Prior to the kidnapping several savage murders occur on Maui followed by an inept coroner's investigation and a manhunt in the clouds with a near capture. There are body parts, mostly human heads throughout the manuscript interspersed with ambush humor. The murder victims include the director of the Hawaii visitors Bureau, A Bishop in the Catholic Church, a well known Hollywood producer and a young couple on their honeymoon in the crater of Haleakala. In sum, it's a fresh non industry produced story, free of the repetitive formula sometimes mass produced by the usual script purveyors. The ending provides a launching pad for a sequel.

**gorilla stone gang history:** *The War on Drugs* David Farber, 2021-11-30 Essays offering a revealing look at the history and legacy of the "War on Drugs" in the United States. Fifty years after President Richard Nixon declared a "War on Drugs," the United States government has spent over a trillion dollars fighting a losing battle. In recent years, about 1.5 million people have been arrested annually on drug charges—most of them involving cannabis—and nearly 500,000 Americans are currently incarcerated for drug offenses. Today, as a response to the dire human and financial costs, Americans are fast losing their faith that a War on Drugs is fair, moral, or effective. In a rare multi-faceted overview of the underground drug market, featuring historical and ethnographic accounts of illegal drug production, distribution, and sales, *The War on Drugs: A History* examines how drug war policies contributed to the making of the carceral state, racial injustice, regulatory disasters, and a massive underground economy. At the same time, the collection explores how aggressive anti-drug policies produced a "deviant" form of globalization that offered economically marginalized people an economic life-line as players in a remunerative transnational supply and distribution network of illicit drugs. While several essays demonstrate how government enforcement of drug laws disproportionately punished marginalized suppliers and users, other essays assess how anti-drug warriors denigrated science and medical expertise by encouraging moral panics that contributed to the blanket criminalization of certain drugs. By analyzing the key issues, debates, events, and actors surrounding the War on Drugs, this timely and impressive volume provides a deeper understanding of the role these policies have played in making our current political landscape and how we can find the way forward to a more just and humane drug policy regime.

**gorilla stone gang history:** *The Marvel Comics Guide to New York City* Peter Sanderson, 2007-11-20 New York City has had a profound influence on the Marvel Comics universe. Unlike Batman's Gotham City or Superman's Metropolis, the Marvel superheroes - Spider-Man, the Fantastic Four, the Avengers - are grounded firmly in the streets of New York, working and living beside us. This fun and informative guide will take you through those streets, pointing out locations of interest along the way. Peter Parker's apartment in the West Village? We'll show you how to get there. Looking for the Avengers headquarters? They might give you funny looks when you show up at the Frick Museum, but don't worry, you're in the right place. You'll also discover why Stan Lee decided to use New York as his backdrop in the first place, and what effect that decision has had on subsequent generations of comic book artists and writers. Whether you're a curious traveller or just a Marvel Comics fan, *The Marvel Comics Guide to New York City* gives a fresh and fun new look at the greatest city in the world - and the Marvel universe.

**gorilla stone gang history:** *Into the Fire* A.C. Watson, 2024-02-28 About the Book In *Into the Fire*, we meet a young man who endured abuse as a boy and found his own way to deal with the pain and shame of it. He begins to seek out people who prey on the weak and makes them pay the ultimate price for their sins. He has a special way to dispose of the evidence and takes a particular joy in watching it. *Into the Fire* shows the reader that nothing is impossible to overcome, no matter how you choose to deal with the pain, and life can shine light on the darkest side of ourselves. About the Author A.C. Watson grew up on the southeast coast of North Carolina. An avid reader, lifelong surfer, and lover of the outdoors, he has read books in almost every genre and has a particular love

of crime and mystery books. His favorite authors include Robert Ludlum, Stephen King, Lee Child, and Madeleine L'Engle, and is also a fan of some upcoming authors, including Liz Lawson, Dante Medema, Tara Jade Brown, and Keeley Webb. A.C. currently lives in Southeastern Minnesota with his wife and their gray tabby fur baby, Purls. He began his healthcare career as a patient care assistant, and is currently working in sports medicine and orthopedics. He is currently working on a partner novella to Into the Fire and three other books, including a mystery and two children's books.
