ha jin author ebooks: *The Woman Back from Moscow: In Pursuit of Beauty* Ha Jin, 2023-11-21 Through the life of a remarkable woman—based on pioneering stage director Sun Weishi (1921-1968)—this epic novel immerses us in the multifaceted history of China's Communist Party. A powerful, insightful account from the National Book Award-winning author, who came of age during the Cultural Revolution. As a promising young actress, Sun Weishi made the critical decision to pursue her studies in Moscow—with the blessing of her influential adoptive father, Zhou Enlai, and Mao himself. The valuable insights she gained there during World War II, most notably the significance of characters' inner lives, would enable her to excel back in China, where she produced works by Chekhov and Gogol, and other socially progressive dramas, such as an adaptation of Uncle Tom's Cabin. Her striking career as China's first female director of modern spoken drama (Huaju) would be derailed with the advent of the Cultural Revolution in 1966, however, which put her once again at odds with an old enemy—Jiang Qing, a fellow actress who schemed her way to the top as Mao's fourth and final wife. Through the decades-long rivalry between these two complex women, and their differing approaches to the men in power who shaped their lives, Ha Jin deftly explores the ideals of communism and the reality of the Chinese Communist Party. At the same time, the novel captivates us with Sun Weishi's personal struggles and triumphs, as she navigates friendship, love, art, and politics amidst the great events of the twentieth century.

ha jin author ebooks: *A Song Everlasting* Ha Jin, 2021-07-27 From the universally admired, National Book Award-winning, bestselling author of *Waiting*—a timely novel that follows a famous Chinese singer severed from his country, as he works to find his way in the United States At the end of a U.S. tour with his state-supported choir, popular singer Yao Tian takes a private gig in New York to pick up some extra cash for his daughter's tuition fund, but the consequences of his choice spiral out of control. On his return to China, Tian is informed that the sponsors of the event were supporters of Taiwan's secession, and that he must deliver a formal self-criticism. When he is asked to forfeit his passport to his employer, Tian impulsively decides instead to return to New York to protest the government's threat to his artistic integrity. With the help of his old friend Yabin, Tian's career begins to flourish in the United States. But he is soon placed on a Chinese government blacklist and thwarted by the state at every turn, and it becomes increasingly clear that he may never return to China unless he denounces the freedoms that have made his new life possible. ha jin author ebooks: *The Boat Rocker* Ha Jin, 2016-10-25 From the award-winning author of *Waiting* and *War Trash*: an urgent, timely novel that follows an aspiring author, an outrageous book idea, and a lone journalist's dogged quest for truth in the Internet age. New York, 2005. Chinese expatriate Feng Danlin is a fiercely principled reporter at a small news agency that produces a website read by the Chinese diaspora around the world. Danlin's explosive exposés have made him

legendary among readers—and feared by Communist officials. But his newest assignment may be his undoing: investigating his ex-wife, Yan Haili, an unscrupulous novelist who has willingly become a pawn of the Chinese government in order to realize her dreams of literary stardom. Haili's scheme infuriates Danlin both morally and personally—he will do whatever it takes to expose her as a fraud. But in outing Haili, he is also provoking her powerful political allies, and he will need to draw on all of his journalistic cunning to emerge from this investigation with his career—and his life—still intact. ha jin author ebooks: The Banished Immortal Ha Jin, 2019-01-15 From the National Book Award-winning author of *Waiting*: a narratively driven, deeply human biography of the Tang dynasty poet Li Bai—also known as Li Po In his own time (701–762), Li Bai's poems—shaped by Daoist thought and characterized by their passion, romance, and lust for life—were never given their proper due by the official literary gatekeepers. Nonetheless, his lines rang out on the lips of court entertainers, tavern singers, soldiers, and writers throughout the Tang dynasty, and his deep desire for a higher, more perfect world gave rise to his nickname, the Banished Immortal. Today, Bai's verses are still taught to China's schoolchildren and recited at parties and toasts; they remain an inextricable part of the Chinese language. With the instincts of a master novelist, Ha Jin draws on a wide range of historical and literary sources to weave the great poet's life story. He follows Bai from his origins on the western frontier to his ramblings travels as a young man, which were filled with striving but also with merry abandon, as he raised cups of wine with friends and fellow poets. Ha Jin also takes us through the poet's later years—in which he became swept up in a military rebellion that altered the course of China's history—and the mysterious circumstances of his death, which are surrounded by legend. *The Banished Immortal* is an extraordinary portrait of a poet who both transcended his time and was shaped by it, and whose ability to live, love, and mourn without reservation produced some of the most enduring verses.

ha jin author ebooks: A Map of Betrayal Ha Jin, 2014-11-04 A Christian Science Monitor Best Book of the Year From the award-winning author of *Waiting* and *War Trash*: a riveting tale of espionage and conflicted loyalties that spans half a century in the entwined histories of two countries—China and the United States—and two families. When Lilian Shang, born and raised in America, discovers her father's diary after the death of her parents, she is shocked by the secrets it contains. She knew that her father, Gary, convicted decades ago of being a mole in the CIA, was the most important Chinese spy ever caught. But his diary, an astonishing chronicle of his journey as a Communist intelligence agent, reveals the pain and longing that his double life entailed—and point to a hidden second family that he'd left behind in China. As Lilian follows her father's trail back into the Chinese provinces, she begins to grasp the extent of his dilemma: he is a man torn between loyalty to his motherland and the love he came to feel for his adopted country. She sees how his sense of duty distorted his life, and as she starts to understand that Gary too had been betrayed, Lilian finds that it is up to her to prevent his tragedy from endangering yet another generation of Shangs. A stunning portrait of a multinational family and an unflinching inquiry into the meaning of citizenship, patriotism, and home, *A Map of Betrayal* is a spy novel that only Ha Jin could write.

Including chapters on artist-writers such as Gao Xingjian, Dai Sijie, Ha Jin and Hong Ying, Tyrus Wong, and Shen Wei, the book explores personal cross-cultural experiences through their literary and other artistic works, reflecting on their cultural identity, their native home, and their new home, the past and the present. By writing, filming, and painting about their diaspora/diasporic experience, they are writing about their selves and the traumatic experience many of them have gone through in forgetting the past, forgiving the damage, and foreshadowing a future by re-visioning their selves. As a study of cross-cultural human experience through the lens of literature, film, and other arts, this book will not only appeal to students and scholars of Chinese diaspora studies, it will also appeal to those with an interest in Chinese literature, film, and culture.

ha jin author ebooks: Not Born Digital Daniel Morris, 2016-07-14 Not Born Digital addresses from multiple perspectives – ethical, historical, psychological, conceptual, aesthetic – the vexing problems and sublime potential of disseminating lyrics, the ancient form of transmission and preservation of the human voice, in an environment in which e-poetry and digitalized poetics pose a crisis (understood as opportunity and threat) to traditional page poetry. The premise of Not Born Digital is that the innovative contemporary poets studied in this book engage obscure and discarded, but nonetheless historically resonant materials to unsettle what Charles Bernstein, a leading innovative contemporary U.S. poet and critic of “official verse culture,” refers to as “frame lock” and “tone jam.” While other scholars have begun to analyze poetry that appears in new media contexts, Not Born Digital concerns the ambivalent ways page poets (rather than electronica based poets) have grappled with “screen memory” (that is, electronic and new media sources) through the re-purposing of “found” materials.

ha jin author ebooks: Literature in the Age of Lingua Franca English Justin Quinn,

2024-12-30 The English language is now a lingua franca spoken by about two billion people. This insightful study considers how a bridge language affects world literature by analyzing what it is, how it works, what are its themes, what it means for canons, and how it is mediated. Cultural criticism often employs perspectives of race, citizenship, and colonialism, as well as considerations of scale (archipelagic, planetary), form (analogies between the literary and the social), and technologies (as they inflect artifacts). These approaches help rethink the new dynamics of anglophone literature, but they have often overlooked one of the basic elements of literature – the language itself. Literatures in English vernaculars have flourished, and Justin Quinn shows that writers are also creating a new idiom in English that is not fixed to a particular locale or community. While sentences may become simpler, the vocabulary range narrower, and rich cultural references lost, Quinn reveals how much this new form of writing gains. He explores the work of a wide range of authors, including Daisy Hildyard, Kim Stanley Robinson, Bryan Washington, Yiyun Li, and Terrance Hayes. Literature in the Age of Lingua Franca English: The Zero Style is an innovative and illuminating resource for students and scholars of global anglophone literature, comparative literature, and cultural studies.

ha jin author ebooks: A New Literary History of Modern China David Der-wei Wang, 2017-05-22 Literature, from the Chinese perspective, makes manifest the cosmic patterns that shape and complete the world—a process of “worlding” that is much more than mere representation. In that spirit, *A New Literary History of Modern China* looks beyond state-sanctioned works and official narratives to reveal China as it has seldom been seen before, through a rich spectrum of writings covering Chinese literature from the late-seventeenth century to the present. Featuring over 140 Chinese and non-Chinese contributors from throughout the world, this landmark volume explores unconventional forms as well as traditional genres—pop song lyrics and presidential speeches, political treatises and prison-house jottings, to name just a few. Major figures such as Lu Xun, Shen Congwen, Eileen Chang, and Mo Yan appear in a new light, while lesser-known works illuminate turning points in recent history with unexpected clarity and force. Many essays emphasize Chinese authors’ influence on foreign writers as well as China’s receptivity to outside literary influences. Contemporary works that engage with ethnic minorities and environmental issues take their place in the critical discussion, alongside writers who embraced Chinese traditions and others who resisted. Writers’ assessments of the popularity of translated foreign-language classics and avant-garde subjects refute the notion of China as an insular and inward-looking culture. A vibrant collection of contrasting voices and points of view, *A New Literary History of Modern China* is essential reading for anyone seeking a deeper understanding of China’s literary and cultural legacy.
