Lamport, 2018-06-01 Christianity has transformed many times in its 2,000-year history, from its roots in the Middle East to its presence around the world today. global bible study pdf: Hermeneutical Community C. S. Barefoot, 2024-12-23 Many Western initiatives exist for theological development in the majority world, but how often do practitioners from the West pause to examine the role they should play in that endeavor? Missions history and church history have revealed inadequacies of imposing foreign theology on local churches, yet the alternative of withdrawing from local theological development appears equally problematic. If, therefore, the outsider's role is neither to impose theology nor withdraw from the task, then what is his or her role? Hermeneutical Community addresses this fundamental question and seeks to lay a sound missiological foundation for local theological development.

global bible study pdf: Connected Learning L. Lynn Thigpen, 2020-04-21 How does the world's oral majority--adults with limited formal education (ALFE)--really prefer to learn? Few pause long enough to ask those who eschew print. The result of scholarly research and prolonged immersion in the Cambodian culture, *Connected Learning* exposes the truth about orality--the shame associated with limited formal education; the unfortunate misnomer that is orality; the place of spirituality, grace, and hope; and the obvious but overlooked learning preferences. ALFE have different ways of learning and knowing, a different epistemology and culture from print learners, even though we all begin alike. The choice is not between Ong's orality or literacy, but between learning from people or from print. Dr. Thigpen, a veteran cross-cultural worker, shares remedies for the hegemony and inequities unwittingly fostered by the literate minority. In a dominant culture where learning from people is prime, how can educators with a preference for print adapt? Providing an important tool in the Learning Quadrants diagram, *Connected Learning* advises teaching to the quadrant and calls for seven necessary shifts in teaching. Anyone versed in orality will admit these findings have global implications and applications (Steffen). The reader who heeds will positively impact a huge portion of humanity.

global bible study pdf: Interpreting Scripture across Cultures Will Brooks, 2022-06-17 The refugee that has come to your church, the pastor of the immigrant church in your town, and you yourself all come before the same Bible, even the same verse, and walk away with completely different understandings and applications. In an increasingly globalized and multicultural world, how can we learn to see beyond our own cultural influences, understand those of others, and learn from each other in order to better understand and apply the word of God? How do we stay faithful to the text when our contemporary cultural perspective is so different from the original author's? This book will enable you to understand the common pitfalls and dangers related to cross-cultural hermeneutics while also equipping you with principles and real-life examples for how to interpret Scripture in such situations. Additionally, given the fact that our world is increasingly digitized and people are less and less likely to read, we will consider the issue of oral hermeneutics and how those who can't read or choose not to read can interpret Scripture faithfully.

global bible study pdf: The Bible and Sustainability John Abubakar, 2024-08-01 The Bible and Sustainability addresses the ecological crisis the world is facing, and what the Bible can teach us about sustainable living. Drawing on the interest in the ecological debate generated by *Laudato Si*, this book attempts to push the discussion beyond intellectual perspectives and help students and researchers apply biblical wisdom to the UN sustainable development goals. It begins with a discussion of what sustainability is, and how people, planet, and profit are affected by unsustainable practices, before exploring four specific biblical practices and their relationship with sustainability: Covenants, the sabbatical year, monastic communities, and the fruit of the spirit. It also discusses the creation account and personalistic nature texts, considering the social relationship that humans have with nature. Finally, it examines an Augustinian perspective on sustainability which encourages sharing, common ownership of property, and living simply. The book concludes by inviting governments, civil society organizations, and academia to bring these biblical practices and passages into the ecological debate. It is an outstanding resource for researchers of the Bible and environment, and Religion and environment more generally.

global bible study pdf: Schulbuch und religiöse Vielfalt Zrinka Stimac, Riem Spielhaus, 2018 Wie wird Religion in Bildung und Schulbüchern präsentiert? Religionsbezogene Analysen in Geschichts-, Ethik und Religionsschulbüchern unterschiedlicher Länder ergeben hinsichtlich der Konstruktion religiöser Vielfalt ein disparates Bild. Deutlich wird allerdings, dass alle Schulfächer im Hinblick auf religiöse und weltanschauliche Vielfalt vor ähnlichen Herausforderungen stehen. Eine Reihe von Beiträgen zeigt, dass Religionen in Bildungsmedien bisher nicht in ihren Wandlungen in den Blick genommen werden und die Grenzziehung zwischen Religion und »Nicht-Religion« unterbestimmt bleibt. Klar wird auch, dass die Debatte um den angemessenen Bildungszugang zu Religion in demokratischen Gesellschaften wieder an Dynamik gewonnen hat.

global bible study pdf: Strangers in the Kingdom Rupen Das, Brent Hamoud, 2017-05-14 Today's refugee crisis has engulfed public policy and politics in countries around the world, deeply dividing communities. With increased migration many fear terrorism, crime and a dilution of their

perceived national identity, while others embrace it as an inevitable reality of the globalized world in which we live. But what does the Bible have to say about migration and displacement and how refugees, migrants, and the stateless should be treated? *Strangers in the Kingdom* asks why God cares for the displaced, presenting biblical, theological, and missiological foundations for ministries to those who have been uprooted from their homes and all that is familiar. Rupen Das and Brent Hamoud apply their experience and expertise to provide timely answers that the Christian community is waiting to hear. Addressing the humanitarian and legal needs of the displaced is the starting point, but relief, repatriation, and resettlement programs need to help the stranger find a place to belong, a place to call home.

global bible study pdf: Faith-Based Organizations in Development Discourses and Practice

Jens Koehrsen, Andreas Heuser, 2019-11-28 Exploring faith-based organizations (FBOs) in current developmental discourses and practice, this book presents a selection of empirical in-depth case-studies of Christian FBOs and assesses the vital role credited to FBOs in current discourses on development. Examining the engagement of FBOs with contemporary politics of development, the contributions stress the agency of FBOs in diverse contexts of development policy, both local and global. It is emphasised that FBOs constitute boundary agents and developmental entrepreneurs: they move between different discursive fields such as national and international development discourses, theological discourses, and their specific religious constituencies. By combining influxes from these different contexts, FBOs generate unique perspectives on development: they express alternative views on development and stress particular approaches anchored in their theological social ethics. This book should be of interest to those researching FBOs and their interaction with international organizations, and to scholars working in the broader areas of religion and politics and politics and development.

global bible study pdf: *Jeremiah 48 as Christian Scripture* Julie Woods, 2011-01-01

All Scripture is God-breathed and yet some parts seem rather less God-breathed than one might imagine, or even like. The prophecy concerning Moab in Jeremiah 48 is one such text, since it appears to equate the Lord's work with bloodshed and curses those who withhold their swords. How, if at all, might such a passage inform the Christian community of faith? In this sophisticated study Julie Woods identifies some salient features of Jeremiah's Moab oracle by means of a careful analysis and comparison of both the Septuagint and the Masoretic Text of Jeremiah 48. She also explores the implications of links between the Moab oracles in Jeremiah 48 and Isaiah 15-16. The focus then moves to theological hermeneutics via an examination of some recent Christian interpretations of the oracle (from Walter Brueggemann, Ronald Clements, Terence Fretheim, Douglas Jones, and Patrick Miller). Building on the observations of these scholars and the conclusions reached from her own textual analyses, Woods provides an innovative Christian reading of the oracle (including two imaginative film scripts to bring the text to life). Perhaps one of the more surprising proposals is that Easter is the ultimate horizon of Jeremiah 48.
