gary soto author: What Poets Are Like Gary Soto, 2013-08-20 Gary Soto is a widely published author of children's and young adult fiction, and he is an acclaimed poet--often referred to as one of the nation's first Chicano poets. With a sharp sense of storytelling and a sly wit, *What Poets Are Like* is a memoir of the writing life that shares the keen observation, sense of self and humor of such writers as Sherman Alexie and Nora Ephron. In some 60 short episodes, this book captures moments of a writer's inner and public life, close moments with friends and strangers, occasional reminders of a poet's generally low place in the cultural hierarchy; time spent with cats; the curious work of writing. He tells the stories of his time spent in bookstores and recounts the glorious, then tragic, arc of Cody's Bookstore in Berkeley, ending with the author whose scheduled event fell on the day after the business shut down, but who stood outside the locked door and read aloud just the same. As all writers do, Soto suffers the slings and arrows of rejection, often from unnamed Midwest poetry journals, and seeks the solace of a friendly dog at such moments. Soto jabs at the crumbs of reward available to writers--a prize nomination here, a magazine interview there--and notes the toll they take on a frail ego. The pleasure Soto takes in the written word, a dose of comic relief plus his appreciation of the decisive moment in life make this an engaging and readable writer's confession.

Miata Ramirez is scared and upset. The skirt she brought to show off at school is gone. She brought her forklorico skirt to show off at school and left it on the bus. It's not just any skirt. This skirt belonged to Miata's mother when she was a child in Mexico. On Sunday, Miata and her dance group are supposed to go to dance forklorico, or traditional Mexican folk dances; and that kind of dancing requires a skirt like the one Miata lost. It's Friday afternoon. Miata doesn't want her parents to know she's lost something again. Can she find a way to rescue the precious skirt in time? With its focus on family ties, friendship, and ethnic pride and includes an afterword from its acclaimed author, *The Skirt* is a story that children everywhere will relate to and be inspired by, no matter their background. A light, engaging narrative that successfully combines information on Hispanic culture with familiar and recognizable childhood themes....A fine read-aloud and discussion starter, this story blends cultural differences with human similarities to create both interest and understanding.—SLJ "Light, easy reading . . . offering readers a cast and situations with which to identify, whatever their own ethnic origins."—*The Bulletin* Soto's light tale offers a pleasant blend of family ties, friendship and ethnic pride...[and Miata is] a spunky and imaginative heroine.—Publishers Weekly

gary soto author: Gary Soto Ron McFarland, 2022-08-05 In a 1995 interview, prolific Chicano writer Gary Soto noted, Wonderment has always been a part of my life. This book surveys Soto's immense range of poems, stories, novels, essays and plays for audiences of prereaders to adults. Soto's world moves from the cotton and beet fields of the San Joaquin Valley to the blue-collar barrios of Fresno, and to urban and suburban settings in Oakland and Berkeley. Chapters analyze a wide variety of Soto titles, from his breakout works like 1977's *The Elements of San Joaquin* to the *Chato the Cat* illustrated books for children. With self-deprecating humor, particularly in his poems, Soto combines his wonderment with the trials and conflicts that beset him throughout life. In such novels as *Jesse*, *Buried Onions* and *The Afterlife*, and in his stories for YA readers, including *Baseball in April* and *Petty Crimes*, his broad array of characters confront the anxieties and annoyances of adolescence. Although he continues to motivate young Chicanos to read and write, Soto stakes his greatest claims to literary prominence through his poems, which are accessible to readers of all ages.
