

gangster disciples literature

gangster disciples literature encompasses a wide range of written materials associated with the Gangster Disciples, a prominent street gang originating from Chicago. This literature includes ideological writings, organizational manuals, symbolic explanations, and cultural expressions that have been used to unify members and propagate the gang's beliefs and codes. Understanding gangster disciples literature is essential for those studying criminology, sociology, and urban culture, as it provides insight into the gang's structure, beliefs, and influence. This article explores the origins, themes, and impact of gangster disciples literature, highlighting its role in shaping the gang's identity. Additionally, it examines the symbols, language, and rituals commonly referenced in these texts. The following sections provide a comprehensive overview of the key aspects of gangster disciples literature and its significance within and beyond the gang community.

- Origins and Historical Context of Gangster Disciples Literature
- Core Themes and Ideological Foundations
- Symbols and Language in Gangster Disciples Literature
- Functions and Uses of Gangster Disciples Literature
- Impact and Influence on Communities and Law Enforcement

Origins and Historical Context of Gangster Disciples Literature

The gangster disciples literature finds its roots in the formation and evolution of the Gangster Disciples street gang, which emerged in Chicago during the late 1960s and early 1970s. Founded by Larry Hoover and David Barksdale, the gang originally focused on social unity and community protection before evolving into a more organized criminal entity. The literature developed as a means to codify the gang's principles, provide instructions to members, and establish a unique cultural identity. Early written materials were often shared orally before being transcribed into more formal documentation, including rulebooks, handbooks, and ideological essays. These texts served as a foundation for the gang's expansion and helped maintain cohesion among dispersed members.

Historical Development of Written Materials

Initial gangster disciples literature was informal and primarily circulated within the gang's inner circles. Over time, as the gang grew in size and complexity, the literature became more structured, featuring detailed descriptions of the gang's history, hierarchy, and operational codes. The emergence of prison literature further solidified the role of written materials, as incarcerated members contributed to the documentation and dissemination of the gang's ideology. This historical context underscores the importance of gangster disciples literature in preserving the gang's legacy and guiding its activities.

Core Themes and Ideological Foundations

Gangster disciples literature is deeply embedded with core themes that reflect the gang's worldview, values, and objectives. Central to these themes are loyalty, respect, unity, and empowerment within the African American community. The literature often emphasizes the importance of brotherhood, discipline, and adherence to a strict code of conduct. Ideologically, the writings combine elements of street-level pragmatism with philosophical concepts drawn from various sources, including social justice movements and Afrocentric thought. This blend creates a unique narrative intended to motivate members and justify the gang's actions.

Key Ideological Principles

The ideological foundations of gangster disciples literature can be summarized in the following principles:

- **Loyalty and Brotherhood:** Emphasizing unwavering commitment to fellow members and the organization as a whole.
- **Respect and Discipline:** Advocating for respect among members and strict adherence to established rules and hierarchy.
- **Empowerment and Self-Determination:** Encouraging members to seek personal growth and community upliftment.
- **Resistance to Oppression:** Framing the gang's activities within a broader struggle against systemic inequality and injustice.
- **Unity and Organization:** Promoting collective action and solidarity to achieve common goals.

Symbols and Language in Gangster Disciples Literature

Symbols and coded language play a vital role in gangster disciples literature, serving as tools for communication, identification, and ideological expression. The literature extensively explains the meaning behind various symbols, colors, numbers, and gestures that define the gang's identity. Understanding these elements is crucial for interpreting the texts and the gang's cultural practices.

Common Symbols and Their Meanings

The gangster disciples are associated with several distinctive symbols, many of which are elaborated upon in their literature. These include:

- **Six-Pointed Star:** Represents the gang's six core principles: love, life, loyalty, knowledge, wisdom, and understanding.
- **Pitchfork:** A prominent symbol used in hand signs and graffiti, signifying the gang's power and readiness to defend itself.
- **Black and Blue Colors:** Signify the gang's identity and are used in clothing, flags, and tattoos.
- **Numerical Codes:** Numbers such as 6 and 18 frequently appear, symbolizing significant concepts within the gang's belief system.

Language and Terminology

Gangster disciples literature also includes a specialized lexicon that conveys specific meanings to members. Terms like "disciple," "soldier," and "foot soldier" denote rank and role within the organization. The literature often outlines protocols for communication, including slang and coded phrases, which help maintain secrecy and foster group cohesion. This unique language serves both practical and symbolic functions in reinforcing the gang's culture.

Functions and Uses of Gangster Disciples Literature

The gangster disciples literature serves multiple purposes within the gang and beyond. It functions as a manual for recruitment, training, and indoctrination, providing new members with a clear understanding of expectations and responsibilities. Additionally, the literature acts as a historical record, preserving the gang's narrative and legitimizing its existence. In some cases, it is used as a tool for negotiation and conflict resolution within the gang's network.

Practical Applications

Key uses of gangster disciples literature include:

1. **Recruitment and Initiation:** Providing guidelines and rituals for new members to join and integrate into the gang.
2. **Training and Discipline:** Outlining behavioral standards, codes of conduct, and disciplinary measures.
3. **Communication and Coordination:** Establishing protocols for internal communication and operational planning.
4. **Cultural Preservation:** Maintaining the gang's traditions and ideological continuity.
5. **Conflict Management:** Offering frameworks for resolving disputes within the gang or with rival groups.

Impact and Influence on Communities and Law Enforcement

The dissemination of gangster disciples literature has significant implications for communities affected by gang activity and for law enforcement agencies. The literature provides insight into the gang's structure and motivations, aiding law enforcement in understanding and addressing gang-related issues. However, it also perpetuates the gang's presence and influence, sometimes complicating community efforts to reduce violence and crime.

Influence on Community Dynamics

Gangster disciples literature contributes to the gang's cultural identity, which can both empower members and intimidate communities. The ideological content fosters a sense of belonging and purpose among members, but it may also reinforce cycles of violence and territorial control. Community programs aimed at intervention often study these texts to develop more effective strategies for prevention and rehabilitation.

Role in Law Enforcement and Criminology

For law enforcement, gangster disciples literature is a valuable resource for profiling, intelligence gathering, and strategy development. Understanding the gang's codes, symbols, and organizational structure aids in investigations and prosecutions. Additionally, criminologists analyze this literature to better comprehend the social and psychological factors driving gang affiliation and behavior.

Frequently Asked Questions

What is the Gangster Disciples literature?

Gangster Disciples literature refers to the written materials, including books, pamphlets, and coded writings, that outline the history, beliefs, rules, and symbols of the Gangster Disciples street gang.

What topics are commonly covered in Gangster Disciples literature?

Common topics include the gang's origins, leadership structure, symbols, codes of conduct, alliances, rivalries, and their set of beliefs known as the '6 Point Star' philosophy.

Is Gangster Disciples literature used for recruitment?

Yes, Gangster Disciples literature is often used as a recruitment tool to educate prospective members about the gang's values, history, and expectations.

Where can Gangster Disciples literature typically be

found?

It can be found in prisons, among gang members, and sometimes online through forums or websites that share gang-related content.

Are there risks associated with possessing Gangster Disciples literature?

Yes, in some jurisdictions, possessing gang-related literature may be viewed as evidence of gang affiliation and can lead to legal consequences.

What is the significance of the '6 Point Star' in Gangster Disciples literature?

The '6 Point Star' is a central symbol representing the six principles of the Gangster Disciples: knowledge, wisdom, understanding, love, peace, and unity.

How does Gangster Disciples literature portray the gang's history?

It often portrays the gang's history from its founding in Chicago during the 1960s, highlighting key leaders and events that shaped its development.

Are there educational or reform efforts involving Gangster Disciples literature?

Some community organizations use Gangster Disciples literature to understand the gang culture better and develop outreach and intervention programs.

Does Gangster Disciples literature include coded language or symbols?

Yes, it frequently includes coded language, hand signs, and symbols that are used internally for communication and identification among members.

Can Gangster Disciples literature be used by law enforcement?

Yes, law enforcement agencies study this literature to gain insights into gang structure, language, and activities to aid in investigations and prevention efforts.

Additional Resources

1. *The Gangster Disciples: A History of Chicago's Most Notorious Gang*

This book provides a comprehensive history of the Gangster Disciples, tracing their origins in Chicago's South Side during the late 1960s. It explores the gang's founders, organizational structure, and their evolution into one of the most powerful street gangs in the United States. The author also delves into the social and economic factors that contributed to the gang's rise.

2. *Inside the Gangster Disciples: Life Behind the Colors*

Offering an insider's perspective, this book features interviews and personal stories from former members of the Gangster Disciples. It gives readers an intimate look at day-to-day life within the gang, including the rituals, codes, and the complex hierarchy that governs members. The narrative sheds light on the challenges faced by those trying to leave the gang lifestyle.

3. *Gangster Disciples: Codes, Symbols, and Language*

This detailed study decodes the symbols, signs, and slang used by the Gangster Disciples. The author examines how these elements serve not only as identification but also as tools for communication and intimidation. The book is an essential resource for law enforcement, sociologists, and anyone interested in gang culture.

4. *The Brotherhood: Loyalty and Rivalry in the Gangster Disciples*

Focusing on the internal dynamics of the Gangster Disciples, this book explores themes of loyalty, betrayal, and power struggles. It highlights the complex relationships between members and the ways in which the gang maintains cohesion despite external pressures. Through case studies, it reveals how rivalries both within and outside the gang affect its stability.

5. *From Streets to Struggle: The Gangster Disciples and Urban America*

This book situates the Gangster Disciples within the broader context of urban poverty and systemic inequality. It analyzes how socio-economic conditions in Chicago and other cities have influenced gang formation and activity. The author argues for community-based solutions as a way to address the root causes of gang violence.

6. *Breaking Free: Rehabilitation and Redemption in the Gangster Disciples*

Highlighting stories of transformation, this book documents the journeys of former Gangster Disciples who have turned their lives around. It discusses the challenges of rehabilitation, the role of mentoring programs, and the importance of community support. The book offers hope and practical advice for those seeking to escape gang life.

7. *The Gangster Disciples and Drug Trade Networks*

This investigative work examines the involvement of the Gangster Disciples in drug trafficking operations. The author details how the gang's structure facilitates large-scale distribution and the impact this has on communities. Law enforcement strategies and the ongoing battle against narcotics-related crime are also analyzed.

8. *Gangster Disciples Tattoos and Identity*

Focusing on the tattoo culture within the Gangster Disciples, this book explores how body art serves as a symbol of identity, allegiance, and status.

It deciphers common tattoo designs and their meanings, offering insights into the personal and collective narratives of gang members. The book also discusses the risks and consequences associated with gang tattoos.

9. *Law and Order vs. The Gangster Disciples: A Battle for the Streets*

This book chronicles the efforts of law enforcement agencies to dismantle the Gangster Disciples over several decades. It covers major operations, prosecutions, and the use of intelligence gathering to combat gang activity. The author also reflects on the challenges of balancing aggressive policing with community relations.

gangster disciples literature: The Blueprint Rod Emery, 1996-07-01

gangster disciples literature: Super Demonic Book Lao ShiRen, 2020-06-01 Obtaining a book that could change him, a fatty began a new chapter in his life. All sorts of vampires, werewolves, Abyss Lords, ancient Evil Gods, and even the living female corpses of the Three Kingdoms' era would appear. What awaited the end was a showdown at the end of the century.

gangster disciples literature: Die Geschichte der Crip-Gang Stardust Book Publishing, 2020-05-10 Lieber Buchfreund, in diesem ultimativen Crip-Lexikon entdeckst du einzigartiges und umfassendes Wissen über eine der berühmtesten und berüchtigtsten Gangs auf diesem Planeten. Extra für den deutschsprachigen Raum! Dabei spiegelt dieses hochwertige Sachbuch über die Crips eine wahre Rarität für dich wider. Es ist eines der wenigen Bücher auf dem Markt, welches extra für den deutschsprachigen Raum verfasst wurde und dir somit einen leichten und umfangreichen Einblick in die Gang-Welt der Crips verschafft. Einmaliges und seltenes Wissen! Dies ist aber noch lange nicht alles, worauf du gespannt sein kannst! Du entdeckst einmaliges und seltenes Wissen in diesem Crip-Buch, welches du woanders in diesem Umfang und in Deutsch nur schwer finden wirst. Crip-Know-how von A Z! In diesem hochwertigen Crip-Lexikon lernst du erstaunliches Know-how über die Crips, und das von A Z. Dabei profitierst du nicht nur von ausführlichen Informationen über die größten Feinde der berüchtigten Bloods. Bonuswissen! Du erhältst im selben Atemzug interessantes und umfassendes Bonuswissen über die Organisationen der Folk Nation und der 8 Ball-Allianz, welche eng mit dem Werdegang der Crips in ganz Nordamerika verbunden sind. Zahlreiche Biografien! Du kannst dich darüber hinaus über eine Vielzahl von Biografien zu den wichtigsten und bedeutendsten Köpfen der Crips und der Folk Nation freuen und diese in deinem Crip-Buch erkunden und erforschen. Crip-Enzyklopädie! Doch sind wir noch lange nicht am Ende der Fahnenstange angelangt. Diese außergewöhnliche Crip-Enzyklopädie ist eine pure Essenz über die Crips und vermittelt dir einen seltenen Wissensschatz. Wieso sind die Crips entstanden, welche Kleidung tragen sie, welche Handzeichen werfen sie sich zu und welche unterschiedlichen Crip-Sets gibt es überhaupt? Auf all diese Fragen bekommst du vielfältige Antworten und noch viel mehr. Mit informativen Grafiken und Bildern! Dieses einmalige Crip-Buch besteht nämlich nicht nur aus Text. Du hörst richtig. Es sind auch zahlreiche informative Grafiken sowie Bilder enthalten, die deinen Lesegenuss abrunden und auf ein ganz neues Level heben. Unter

anderem erblickst du eine Reihe von unverwechselbaren Handzeichen der unterschiedlichen Crip-Sets. Diese wurden extra im Stile einer Handzeichnung angefertigt und stellen somit einen echten Mehrwert für dich dar. Crip-Set-Listen und Landkarte! Neben den reichhaltigen Fakten über die Crips erhältst du einzigartige Erkenntnisse über eine Vielzahl von unterschiedlichen Crip-Sets. Dabei lernst du, wo sie leben, wann sie entstanden sind, welche Besonderheiten sie haben, wer ihre Verbündeten und wer ihre Feinde sind. Weiterhin ergründest du in anschaulichen Crip-Set-Listen und einer grafischen Landkarte von Los Angeles die Lebensräume und die Vielfältigkeit der unterschiedlichen Crip-Sets in den USA. Sozialkritischer Einblick! Darüber hinaus bekommst du einen sozialkritischen Einblick in das Leben der Crips. Wie war das Leben früher und wie ist das Leben heute bei den Crips? Warum sind Schulen in Crip-Territorien anders als Schulen in neutralen Gebieten? Auf all diese Fragen erhältst du faszinierende und aufschlussreiche Antworten. 8 umfangreiche Bonuskapitel! Das Beste kommt zum Schluss! Du bekommst 8 weitere umfangreiche und detaillierte Bonuskapitel obendrauf. Unter anderem profitierst du von folgenden Zusatzkapiteln: Crips und Bloods vereint! Allgemeine Gang-Sprache! Geschichte der Gang-Kleidung! Das Rätsel der hängenden Schuhe! B-Boying (Breakdance)! 2Pac, Biggie und Dr. Dre! Geschichte des Raps! Lowrider! Füge jetzt dieses einzigartige Crip-Buch in deinen Einkaufswagen, um deine Reise durch das Crip-Universum zu starten und eine Menge Aha-Effekte zu erleben!

gangster disciples literature: The White Book Mackaveli, Makavelli, 2007-10 Most of us believe in information. Some believe in truths, while others believe in magic. Information is what we can see, truth is what we feel, and magic is what we instinctively know is true. On December 4th 1981 the president of the United States issued Executive Order 12333 concerning the activities of the intelligence community. Paragraph 2.11 of that order states; No employee of the United States Government shall engage in, or conspire to engage in assassination. But upon learning of the political ties and aspirations of one charismatic young entertainer and philanthropist, certain agencies broke that order in the fall of 1996 when the star was killed in a barrage of bullets fired by a confidential informant commissioned for just such an act. After a decade of silence the files have been unsealed and the shooter will now be revealed. Some call him a hero, others say he's a villain, and some even call him a god. The White Book provides a glimpse at man's perspectives of the cultural history of the United States: assassination, government cover-ups, and his perpetual pursuit of what sets us all free: the truth.

gangster disciples literature: The Ultimate Book of New York Lists Bert Randolph Sugar, 2009-11-15 Where can you find New York City's best hamburger? What are the ten best songs ever written about New York? The ten best books set in New York? Bert Randolph Sugar and some famous friends answer these burning questions, helping both New Yorkers and tourists learn what makes the greatest city on earth so great. With a foreword by legendary newspaperman Bill Gallo of the New York Daily News and lists from celebrity New Yorkers like Pete Hamill and Howard Stern, this is a book no lover of New York City should be without.

gangster disciples literature: The Book of Christian Nicholas Griffin Lombardi, 2022-12-15 The book begins chronicling the character of Christian. It starts with a look into His privileged upbringing in middle class America. It describes Christian's faith as being extremely real and visceral. Christian moves to Boston and one day prays this prayer: "God I want you to unify all Christians into one movement and I want to lead it." God answers His prayer and shows Christian a passage of scripture that said, "If you obey my commands like David did, I will be with you like I was with David, will build you a house like I built him and will give Israel to you." On this same day Christian was anointed with oil, confirming God's call. He meets a girl and through her enjoys a first member of the movement. He loses His job and began to encounter a yearning to be homeless. He was without a job and the white boy from the suburbs in Him wanted to experience a homeless stint to grow as a person. He experiences the rough and tumble part of shelter life but one day met a man named Clarence. Clarence was a gentle soul but had a secret— he had a demon that manifested in him. Christian treasured the experiences with the demons because of how they strengthened His faith. Soon Christian writes His family asking if they would put Him up for a few months in Atlanta,

they agreed. In Atlanta He has a terrifying experience with who He thought was God at the time but was actually the Devil. The experience landed Him into the hands of a psych ward. He wrestles with Himself and the doctors trying to tell them how fine He was but the doctors failed to understand the different spiritual realities that were present in Christian's case; so He trudged along, enduring the 21st century psychiatric world. Christian by this time knew that He not only would have a church movement but that He would be the temporal King of Israel. He would begin as prime minister then convert the country into a monarchy like the ancient kings in Israel's past. Christian meets another girl and is told that He will have multiple wives. The book ends after describing how Christian would be the leader of a conglomerate before becoming King. The book ends all of a sudden and that's the magic of it.

gangster disciples literature: A World of Gangs John Hagedorn, 2008 On the street with gangs in three world cities - Chicago, Rio de Janeiro, and Capetown - Hagedorn discovers that many of them have institutionalized as a strategy to confront a hopeless cycle of poverty, racism, and oppression. The nihilistic appeal of gangsta rap and its ethic of survival by any means necessary, he argues, provides vital insights into the ideology and persistence of gangs around the world. Proposing how gangs can be encouraged to overcome their violent tendencies, Hagedorn appeals to community leaders to use the urgency, outrage, and resistance common to both gang life and hip-hop to bring gangs into broader movements for social justice.--BOOK JACKET.

gangster disciples literature: King David and Boss Daley Lance Williams, 2023-02 In Chicago in mid-twentieth century amid the haze and smoke of urban renewal and the sounds of the wrecking balls and bulldozers, there lived two men, both street-savvy, one Black, one Irish, one young, one old and both leaders of their clans. Each ruled with an iron fist. Each embodied the fighting spirit of the turbulent 1960s. One was David Barksdale, the Black Disciples leader, a Black youth club that would give birth to America's largest street gang; the other was Richard J. Daley, the legendary Mayor of the City of Chicago. He was one of the longest-serving, most prominent mayors in American history and the last of the big-city bosses. Although the two never met, at least not face-to-face, their fates were linked by a time of change, an era of protest, which was a decisive moment of transformational power that was on the verge of a violent uprising in America's second-largest city. This is a book that is as lively as its subject. A braided narrative of two larger than life people, it has the boldness to combine two oddly related 1960s stories into a single narrative that is both intimate and epic. One captures the unlikely story of a Negro boy whose share-cropping family migrated from rural Mississippi to Chicago, where he started a street gang that became the largest in America. The book's other path follows America's last big city boss, whose persona is legendary and bigger than life. While historians, political pundits, and those who knew him speak of Hizzon as being a proud, Irish-Catholic who was the long-time godfather of the Chicago Democratic Party and Mayor who saved Chicago from becoming another Detroit or Cleveland, they also acknowledge that he was a fierce segregationist. He had a contentious relationship with civil rights leaders like Dr. Martin Luther King, Jr. Richard Daley also played a significant role in the history of the United States Democratic Party. Williams an internationally recognized gang expert and interventionist, eloquently tells the story of these men, their clans, and their on-going struggle for power, status, and legacy. However unheard of and unimaginable, some of the incidents may seem, this is not a work of fiction. Everything written comes from archival documents, official reports, focus groups, in-depth interviews, or first-hand accounts. The action takes place mostly in Chicago's Englewood neighborhood. Still, there are some occasions where the action takes place in Bronzeville, the Woodlawn community, on the West Side of the City and downtown.

gangster disciples literature: Power on the Inside Mitchel P. Roth, 2020-11-05 Power on the Inside is the first book to examine the historical development of prison gangs worldwide, from those that emerged inside mid-nineteenth-century Neapolitan prisons to the new generation of younger inmates challenging the status quo within gang subcultures today. Historian-criminologist Mitchel P. Roth examines prison gangs throughout the world, from the Americas, Oceania, and South Africa to

Southeast Asia, Europe, and beyond. The book examines the many variables that influence the evolution of prison subcultures, from colonialism and population demographics to prison architecture and staff-prisoner relations. *Power on the Inside* features eighty historical and contemporary images and will inform professionals in the field as well as general readers who want to know more about the realities of prison gangs today.

gangster disciples literature: *The Best American Crime Writing: 2003 Edition* Otto Penzler, Thomas H. Cook, 2010-08-04 This year's worth of the most powerful, the most startling, the smartest and most astute, in short, the best crime journalism. Scouring hundreds of publications, Otto Penzler and Thomas H. Cook have created a remarkable compilation containing the best examples of the most current and vibrant of our literary traditions: crime reporting. Included in this volume are Maximillian Potter's "The Body Farm" from *GQ*, a portrait of Murray Marks, who collects dead bodies and strews them around two acres of the University of Tennessee campus to study their decomposition in order to help solve crime; Jay Kirk's "My Undertaker, My Pimp," from *Harper's*, in which Mack Moore and his wife, Angel, switch from running crooked funeral parlors to establishing a brothel; Skip Hollandsworth's "The Day Treva Throneberry Disappeared" from *Texas Monthly*, about the sudden disappearance of a teenager and the strange place she turned up; Lawrence Wright's "The Counterterrorist" from *The New Yorker*, the story of John O'Neill, the FBI agent who tracked Osama bin Laden for a decade—until he was killed when the World Trade Center collapsed. Intriguing, entertaining, and compelling reading, *Best American Crime Writing* has established itself as a much-anticipated annual.

gangster disciples literature: *Writing to Survive* Deborah M. Alvarez, 2011-01-16 This ethnographic research investigates how adolescents use writing. Deborah M. Alvarez uncovers the hidden abuses and violence that adolescents bore with each school day. In two different research sites, the author follows adolescents through their academic and personal lives to discover how they use writing only to uncover the impact the public and private violence had upon their ability to learn. The author details the writing classroom practices; assignments; and how adolescents adapt, reconstruct and appropriate the lessons of the classroom for their purpose and needs. For the adolescents in the book, writing was a way to address the stresses that plagued the adolescents each day, especially when they had no other way to communicate or tell about their lived experiences. Alvarez outlines an alternative Expressivist plan for teaching writing to adolescents. This writing program builds upon the evidence from the case studies, brain theory and research on traumatic stresses to offer teachers and thereby their students a more effective way to teach writing with greater impact for those who need it most.

gangster disciples literature: *The Memo Book* Jim Gauger, 2010-06-10 There is no available information at this time.

gangster disciples literature: *Gangs and Organized Crime* George W. Knox, Gregg Etter, Carter F. Smith, 2018-07-04 In *Gangs and Organized Crime*, George W. Knox, Gregg W. Etter, and Carter F. Smith offer an informed and carefully investigated examination of gangs and organized crime groups, covering street gangs, prison gangs, outlaw motorcycle gangs, and organized crime groups from every continent. The authors have spent decades investigating gangs as well as researching their history and activities, and this dual professional-academic perspective informs their analysis of gangs and crime groups. They take a multidisciplinary approach that combines criminal justice, public policy and administration, law, organizational behavior, sociology, psychology, and urban planning perspectives to provide insight into the actions and interactions of a variety of groups and their members. This textbook is ideal for criminal justice and sociology courses on gangs as well as related course topics like gang behavior, gang crime and the inner city, organized crime families, and transnational criminal groups. *Gangs and Organized Crime* is also an excellent addition to the professional's reference library or primer for the general reader. More information is available at the supporting website – www.gangsandorganizedcrime.com

gangster disciples literature: *Ten Ways to Detect and Detour Children From Gang Membership* Charles Anthony Dickerson, 2020-11-10 Children as young as nine can unwittingly

become involved or associated with gangs and gang activity. Quite often, an uninformed and seemingly harmless choice quickly becomes a spiral into gang involvement and gun violence. Parents, grandparents, and caregivers often have no idea how to detect their children's involvement in gang activity, and if they do, they don't know what to do about it. Learn the true politics of being a gang member. Stories and interviews with active, former, and retired gang members provide a realistic picture of what gang membership looks like, giving ample reasons to avoid it. Each chapter provides the tools and instruction to educate and help parents and caregivers choose and create a safer and healthier lifestyle—and future—for their children

gangster disciples literature: Gangs and the Military Carter F. Smith, 2019-09-20 Over the past several decades, there has been a continuous and growing focus on street gangs, outlaw motorcycle gangs, and domestic extremist groups. Many of these groups have members with military training, and some actively recruit from current and former military veterans and retirees. That military experience adds to the dangerousness of veteran gang members, as well as those groups they associate with. Communities everywhere are experiencing the damaging impact of gang criminal behavior. By observing gang activity from the Revolutionary War to today Smith examines the presence of military-trained, often veteran, gang members in the communities. He looks at the turning points in gang investigations in the military, and also looks at the laws and policies designed to specifically counter the criminal activity the threats of gang activity pose on a community. Grounded in current knowledge and research, *Gangs and the Military* successfully addresses the growing presence of criminal gang members in the United States. As well as reflects on how the authorities that counter and combat them are doing so on a national and global level.

gangster disciples literature: African Youth in Contemporary Literature and Popular Culture Vivian Yenika-Agbaw, Lindah Mhando, 2014-01-21 This book explores how African youth are depicted in contemporary literature and popular culture, and discusses the different ways by which they attempt to construct personal and cultural identities through popular culture and social media outlets. The contributors approach the subject from an interdisciplinary perspective, looking at images in children's and adolescent literature from Africa, and the African diaspora, from Nollywood and Hollywood movies, from popular magazines, and from youth cultures encountered directly through field experiences. The findings reveal that there are many stereotypes about Africa, African youth and black cultures, and that African youth are aware of these. Since they juggle multiple identities shaped by their ethnicities, race and religion, it is often a challenge for them to define themselves. As they also share a global youth culture that transcends these cultural markers, some take advantage of media outlets to voice their concerns and participate in political struggles. Others simply use these to promote their personal interests. Contributors ponder the challenges involved in constructing unique identities, offering ideas on how African youth are doing so successfully or not in different parts of the continent and the African diaspora, and thus offer new possibilities for youth studies.

gangster disciples literature: Chasing Secrets (Elite Guardians Book #4) Lynette Eason, 2017-08-01 Elite Guardians bodyguard Haley Callaghan may be in South Carolina, but when a photo leads investigators in West Ireland to open a twenty-five-year-old cold case, her life is suddenly in danger. Haley knows how to take care of herself; after all, she's made a career out of taking care of others. But after an uncomfortably close call, Detective Steven Rothwell takes it upon himself to stay with her--and the young client she has taken under her wing. A protector at heart, he's not about to let Haley fight this battle alone. In a sweeping plot that takes them into long-buried memories--and the depths of the heart--Haley and Steven will have to solve the mystery of Haley's past while dodging bullets, bombs, and bad guys who just won't quit.

gangster disciples literature: Fighting the Last War Jeffrey M. Bale, Tamir Bar-On, 2024-01-24 The authors argue that the potential threat of a resurgence of fascism has been consistently exaggerated from 1945 until present day; that the ongoing lack of conceptual and definitional clarity with respect to terms like fascism, the radical right, the alt right, white supremacism, populism, racism, etc., has enabled ill-informed or dishonest commentators to distort

their meaning and abusively misapply those labels so as to delegitimize their political opponents; and that the political and economic elites in charge of contemporary Western societies are now deliberately exaggerating and exploiting the threat posed by the domestic radical right in order to facilitate vilifying, harassing, de-platforming, censoring, canceling, and repressing disgruntled citizens (no matter where they may lie along the political spectrum) who openly criticize and vigorously oppose their agendas. The authors also advocate the use of well-established scholarly methods for carrying out research on the right and provide precise definitions of various terms in order to facilitate the development of more accurate categorizations.

gangster disciples literature: Treating Violence Rob Gore, 2024-05-07 The inspiring story of a Black doctor who was deeply affected by the violence that plagued his Brooklyn childhood and later dedicated himself to addressing trauma and violence as public health issues Rob Gore first encountered violence when he was beaten and robbed as a 10-year old; it was treated as an inevitable fact of life, but after another brush with violence as a teen, he began to reject that prevalent attitude. As he matured and became a doctor, he grew in his determination to find treatments for what he saw not as an unavoidable fact for most people living in vulnerable, underserved neighborhoods especially, but as a public health issue that could be addressed by early intervention and solid support, beginning in the medical community. He also became deeply involved in efforts to diversify the entire field of medicine, starting with the “front lines” in the Emergency Department. Seeing his brother, Angel, and close friend, Willis, fall prey to the epidemic of violence with profound—and in Willis’s case—deadly consequences, Rob began seriously researching the issue and went on to found an organization which is one of the models for successful approaches to reducing violence and protecting victims, who are disproportionately BIPOC, living in impoverished neighborhoods, or members of the LGBTQ+ community. Here he provides not only statistics, but stories of what he witnessed in NYC neighborhoods, in Atlanta, Chicago, Buffalo, and even in medical work in Haiti and Kenya. His work with the Kings Against Violence Initiative (KAVI) and allied organizations is a blueprint for treating violence not as a police matter, but as a public health crisis, which can and should be addressed and substantially reduced. The people he introduces us to in these pages are not merely victims, but often advocates, paving the way for eliminating the epidemic of violence in our country.

gangster disciples literature: Gangland Laura L. Finley, 2018-10-01 This two-volume set integrates informative encyclopedia entries and essential primary documents to provide an illuminating overview of trends in gang membership and activity in America in the 21st century. *Gangland: An Encyclopedia of Gang Life from Cradle to Grave* includes extended discussion of specific gangs; types of gangs based on ethnicity and environment (rural, suburban, and urban); recruitment and retention methods; leadership structure and other internal dynamics of various gangs; impacts of gang membership on extended family; the historical evolution of gangs in American society; depictions of gang life in popular culture; violent and nonviolent gang activities; and programs, policies, agencies, and organizations that have been crafted to combat gang activities. In addition, the encyclopedia includes a suite of primary sources that offer a look into the personal experiences of gang members, examine efforts by law enforcement and public officials to address gang activity, and address wider societal factors that make eradicating gangs such a difficult task.
