free spooky stories download: Sombre Stroll

Mark Tullius, 2017-05-18 Short-but-sweet collection by Mark Tullius, one of the hardest-hitting horror authors around. Included are five sombre strolls through what could be any suburban town. Find yourself: an overworked father trying to protect his son an injured construction worker questioning reality a sensitive teenage girl watching a mixed martial arts battle to the death an aging DJ granting a sick girl's glorious last wish The fifth and final tale is a shocking jaunt through the author's mind, full of juicy revelations and admissions. These bizarre and bloody tales will leave you begging for more. I went into these pages not having any familiarity with Mr. Tullius. The stories are quick and very involved with the first person narrative of the author acting the part in each offering. I am going to be exploring Mark Tullius further and am looking forward to reading his work in true novel form...the short stories being so intriguing that I have to imagine his full length work will be quite the adventure. - Dahne1004 Let the nightmares begin; get your copy today.

free spooky stories download: *Mommy, I'm Scared* Drac Von Stoller, Carol Anne would always fear the night because she knew when she laid her head down on her pillow her nightmares would suffocate her as she squeezed her doll with all her might as though it would be her last. Every morning when she sat with her mother at the kitchen table for breakfast reliving the experience of her nightmares over and over in hopes her mother would believe what she was telling her was not a dream. Finally, her mother said, "If you don't stop this nonsense you are going to get the spanking of your life." Carol just looked in her mother's cold dark eyes as tears flowed down her cheeks saying "Mommy, don't worry when morning comes I won't be sitting at the breakfast table pleading with you to believe what I say is true." Again night came and Carol Anne climbed into her bed knowing this would probably be the last time she screamed and held her dolly in her arms for comfort.

The tale of *IN LOVING MEMORY*, with its subtle sci-fi undertones, reveals a childhood mischief that unknowingly ends in adulthood. The cyberpunk episode *ALPHA BETA GAMMA KILL* is taken from the popular Chaos Halo series giving us a dystopian future where food is in short supply. With *THE REBIRTH* we are shown Cassell's unquestionable passion for supernatural horror, in which a school teacher is gifted a peculiar Easter egg. Finally there's the flash fiction steampunk piece *VANISHED*, about the short-lived maiden voyage of an airship. A wicked journey of the imagination. A Mustread. - Five-star reviewer. free spooky stories download: *Selected Ghost Stories from Kwaidan* Lafcadio Hearn, 2022-06-19 A haunting collection of Japanese folktales, translated and interpreted by the acclaimed Irish-Greek author and Japanophile. In 1904, Lafcadio Hearn introduced Western readers to the world of Japanese folklore with his collection of ghost stories, *Kwaidan: Stories and Studies of Strange Things*. His hauntingly lyrical and complex translations, in which he often put his own twist on the traditional tale, are now regarded as preeminent classics in Japan. This volume presents seventeen of Hearn's unforgettable stories. A blind performer plays for an audience of ghosts. A maiden reincarnates to search for her beloved. A nurse offers the ultimate sacrifice for her young charge. And a group of rokurokubi plot to end the life of a noble samurai. Whether you're in the mood for phantoms, demons, ghouls, or ghosts, these otherworldly tales will haunt you long after you've finished reading.

free spooky stories download: *The Mysterious Disappearance of The Sara Ann* Drac Von Stoller, It was one of the happiest days of Sara Ann's life, it was spring break and her father bought a new boat. He wanted to surprise his daughter and take her on her first trip on a boat in the ocean. Sara lost her mother a few years ago to cancer, and her father took it hard and knew in his heart no other woman could ever fill that hole in his heart so he just focused on his only daughter Sara Ann, and made sure she never did without, and always put her first because Sara was very close to her mother, and he had not always been around because of working so many hours at his job and decided to do the best he could to raise her in a loving home so she could grow up and be the best person she could like her mother. Sara's father bought the boat so he could spend more time with his daughter and let her see the beauty of the ocean even though it was short-lived. Sara's father blindfolded his daughter and took her to his barn where he hid the boat from Sara for a surprise. When Sara entered the barn her father took off the blindfold and Sara said "It's beautiful father." Then her father said I've got another surprise and he took her by the hand around the other side of the boat and said "You can open your eyes now." Sara cried tears of joy and said "That's my name!" Her father chimed in and said, "I named the boat after you because when you were born it was the happiest day of your mom and I lives." Sara gave her dad a hug and thanked him. Her father said, "Why don't we take it for a spin?" Sara said, "That would be so cool!" "I can only be gone for an hour because I promised my friends I would go with them on our spring break." Her father replied, "That's fine I know you're excited about going on this trip and there will always be more trips on the boat in the days to come." "Remember, I was young once too and I could not wait to go on spring break with my friends so no big deal." Sara's father hooked up the boat to his truck and the two drove happily to the dock and set sail in the ocean on a clear beautiful sunny day. Even though Sara's father read the stories about the Bermuda Triangle, he just thought they were all explainable

and not mysterious disappearances as were written about in many books.
