homolka family background: Lethal Marriage Nick Pron, 2012-08-14 One of Canada's finest crime reporters tells the whole story of the infamous Bernardo-Homolka case. NOW UPDATED WITH A NEW CHAPTER The sensational trials of Paul Bernardo and Karla Homolka for abduction, rape, manslaughter and murder caused widespread controversy that continues to this day. The public was particularly outraged by the so-called "sweetheart deal" — the twelve-year sentence Homolka received as part of an agreement with government lawyers. Journalist Nick Pron gives us a comprehensive account of previously banned information about Bernardo and Homolka; about Homolka's role in the death of her sister Tammy; of slipshod police work and lack of communication that allowed Bernardo and Homolka the opportunity to murder schoolgirls Kristen French and Leslie Mahaffy; of the host of disturbing facts that were ruled inadmissible at the trial. A new chapter details the most recent, shocking facts of Homolka's life in prison, including her alleged "special treatment," such as private access to the prison's beauty salon and gym, and rumoured liaisons in Kingston's Prison for Women. Also detailed are her startling plans for the future. As Karla Homolka's release date nears, many will reflect on her place in history, and on the Canadian legal system.

homolka family background: The Moralization of Jewish Heritage in Germany Sarah M. Ross,

2024-09-16 This book explores and reveals the intricacies of Jewish heritage in contemporary Germany, the role it plays as a moral heritage in the symbolic representation of Jews and Judaism in the national landscape, and its relevance for the cultural sustainability of local Jewish communities. The practice of synagogue music in the past and present is a central case study in the discussions. This ethnographic study examines how Jewish liturgical music as the cultural heritage of minorities has been constructed, treated, discussed, appropriated, and passed on to different actors in different forms and for different purposes over time. It also examines the resulting moral and ethical questions and power imbalances. The author discusses how both Jewish and non-Jewish stakeholders utilize the music of 19th- and early 20th-century Reform Judaism and the Minhag Ashkenaz for a symbolic reconstruction of German Jewry. Furthermore, they repatriate it in local Jewish communities today. This is usually done for individual, sometimes commercial, rather than religious reasons. The Jewish-musical cultural heritage process is characterized by moral imperatives and complex negotiations about power and representation. It reveals problematic aspects of German-Jewish relations, cross-generational rifts, and denominational differences between the Jewish communities in post-war Germany.

homolka family background: Understanding Sexual Serial Killing Frederick Toates, Olga Coschug-Toates, 2022-06-02 Why do some people engage in serial killing for sexual pleasure? This book considers the phenomenon of sexual serial killing from the perspective of motivation theory, as advanced in psychology and neuroscience. By examining biological, psychological and social determinants, it develops a model of sexual killing that integrates widely dispersed existing literature. The first part of the book reviews scientific data and theories, while the second part presents biographical sketches of 80 sexual killers and links their early development and later killing to current theoretical understanding. The book examines cases of serial killers from the USA, Western Europe, Iran, Australia and South Africa, and it also includes an account of killers from the USSR, made available to non-Russian speakers for the first time. Deliberately written to avoid jargon, *Understanding Sexual Serial Killing* is accessible to students, scholars and professionals across psychology, sociology, forensic science and law.

Jahrhunderts als Fortsetzungserzählungen erschienen sind. Diese popularisieren das Ideal einer Partizipation gesetzestreuer Juden an der modernen Gesellschaft und inszenieren das Judentum als Familienreligion in Form von sentimentalen, mehrere Generationen umspannenden Liebesgeschichten. Dieses „Projekt der Neudefinierung des Judentums, lokalisiert dieses primär im familiären Kontext und zeugt dennoch – oder gerade deshalb – von den komplexen Ordnungs- und Grenzziehungsstrategien des sich pluralisierenden Judentums, sowie einer Neuordnung der Geschlechterrollen. Das Medium der Feuilletonliteratur dient dabei nicht nur der Unterhaltung, sondern fungiert auch als ästhetisches Mittel der religiösen Wissensvermittlung und zeugt zugleich vom Anspruch dieser Literatur, als eigenständige Kunst wahrgenommen zu werden.

homolka family background: Killer of Her Husband's Secretary: The 1935 Love Triangle *Ire of Etta Reisman (A Historical True Crime Short)* R. Barri Flowers, From R. Barri Flowers, award-winning criminologist and bestselling author of *Murder of the Horse Trainer's Rival*, *Murderess on the Loose*, *Murder at the Pencil Factory*, *Murder of the Doctor's Wife*, and *Murder During the Chicago World's Fair*, comes the thought-provoking historical true crime short, *Killer of Her Husband's Secretary: The 1935 Love Triangle* *Ire of Etta Reisman*. On the morning of August 14, 1935, Virginia Seigh, an attractive twenty-three-year-old secretary, was shot and killed as she stood in the driveway of a home in Queens, New York. Her murderer was Mrs. Etta Reisman, the

thirty-five-year-old wife of Arthur Reisman, a forty-two-year-old well-to-do owner of a beauty salon chain. The previous day, Reisman had confessed to his wife that he had fallen in love with Miss Seigh--his secretary, who had resided with the Reismans for seven years--and wanted a separation. This did not set well with Etta, who felt totally betrayed by her husband and their house guest, causing her to snap and go on a shooting frenzy. Along with Reisman himself, also witnessing the shocking homicide was his daughter from an earlier marriage, Annette Reisman. The twenty-three-year-old was injured when she attempted to take the gun from the unhinged shooter. Etta Reisman was arrested and charged with murder in this classic case of a love triangle that ended tragically for all parties concerned. The embittered wife turned vengeful killer was convicted of the crime of violence, resulting in a stunning and controversial action the judge set in motion. The heartbreaking tale of Etta Reisman has endured through the decades as, sadly, many others have followed the same path of jealous rage as an often impulsive and deadly response to being wronged and paying an even greater price themselves in the final analysis. Bonus material includes a chapter from the author's bestselling true crime book, *Serial Killer Couples: Bonded by Sexual Depravity, Abduction, and Murder*. Also included are excerpts from the author's true crime anthologies, *Murder and Menace: Riveting True Crime Tales*, and *Murder Chronicles: A Collection of Chilling True Crime Tales*.

Yet his work has been largely neglected by critics and scholars. This career retrospective highlights Stevens' achievements, particularly in his sweeping American Dream trilogy (*A Place in the Sun*, *Shane* (1953) and *Giant*). His recurrent themes and characteristic style reveal a progressive attitude towards women's experiences and highlight the continued relevance of his films today.

homolka family background: *The Jewish Family in Global Perspective* Harriet Hartman, 2024-07-01 This book contains a collection of chapters about the Jewish family across different parts of the world, with contributions representing Africa (Ivory Coast and Ethiopia), Latin America, Australia, Europe (Germany), Russia, Israel, Canada, Indian families in Canada, and a comparative chapter of Ba'a lot Teshuva in the US and Argentina. Where much existing research and literature on the dynamic process of intermarriage and (Jewish) family life has taken primarily a historical approach, here the authors together present a broad, global, comparative approach. The book uses an open systems model to organize comparisons between Jewish families the world over. Each case study focuses on Jewish family life in a particular country or region of the world and, taken together, cover an extensive range of topics - including but not limited to: demographic and socio-economic description of the Jewish families; immigration patterns; family roles; family engagement in Jewish life; marriage formation; interfaith families; same-sex couples/parenting - surveying the extant research and/or reporting on new research about contemporary families, within the historical context. The book therefore presents a novel framework for understanding the variations in Jewish families to highlight what Jewish families the world over have in common (whether within the microsystem of the family or in the family's relationships with the environment), as well as using the open systems model to explain main types of difference between the various regions.
