holy spirit devotionals download: Divine Downloads Bob Herndon, 2024-08-09 Bob began typing ideas and presenting them as blogs or devotionals on Facebook around 2020. For several years, he would post Scriptures by themselves as a means of encouraging other people to draw near to Jesus. During his prayer walks in the morning, time reading the Word, and sometimes, just pondering things about the Lord, he would receive a sudden inspiration that he would start writing down. If he immediately started typing it, it would just begin to flow. If he procrastinated, he would lose it and not be able to remember it again. Thus, he nicknamed it, "Divine Downloads". This book is not the traditional daily devotional with a date beside the message for the day. Instead, it is written with the idea of starting with prayer, then flipping through the book until you stop or put your finger on a page. Hopefully, the page will speak directly to you and give you encouragement for that day. You may choose to read it the traditional way, one devotional at a time, in order. That's ok too; just maybe, not as much fun. Feel free to write notes about inspirations or "downloads" that you may have had while reading the devotion of the day. This book is designed to be written in, digested, re-read, and experienced; not just read. Another note, after using this "faith reading" method, try using it with the Bible. Ask God to apply His Word directly to your life and watch it change.

How bold witnesses, supernatural signs, and practical love resulted in massive expansion of the early church despite extreme persecution. How Montanism tried to revive the church from moral decay through strict living and prophetic gifts before it was rejected. How Emperor Constantine I reunited the Roman Empire under a new Christian-friendly regime. How the new state-run churches, overrun with sin, caused many to flee to the wilderness resulting in another intense spiritual revival. How the Middle Ages featured the mass conversion of much of northern Europe through miracle-working missionary monks, followed by a period of great jubilation, mystical faith, and charismatic revivals, and ending with the incredible healing ministry of Vincent Ferrer.

But so many either don't know what they're missing, or they had the fire and lost it. When passions have grown cold, and when our hearts feel distant from God, we can't allow the embers to go out. As John W. Nichols (author of *Healing is Here*) was serving God as a missionary and pastor, Jesus told him that he was a prodigal son. He thought he was doing all the right things, but didn't realize he had left the Father's discipline. Eventually, John felt his zeal for the Lord had become dull. He knew he needed to fan himself into flames again. In *Rekindling the Fire: A Devotional on Returning to the Father's Refining Fire and Who He Created You to Be*, the author invites you to join in a journey of rebuilding the foundation and being restored as a manifest child of God. It is a twenty-one-day devotional that will return the prodigal to their loving Abba, remove the snares that have drawn them away, and set ablaze hearts to burn with passion again. This study will allow the Father to pull up roots, prune away every dead thing, and re-create life. Each day will grow a beautiful garden in your heart. As you fellowship with Him again, the seed of His Word will bear much fruit. Weekly Descriptions: The first week is available to download for free as a standalone eBook, and restores the foundation needed to rekindle the fire. We'll come back to Abba, allow Him to remove the things that have drawn us away, and get ready to receive what He has for us.
