half hour bible sessions: Listen, Love, Repeat Bible Study Guide Karen Ehman, 2016-11-15 In this six-session video Bible study (DVD/digital video sold separately), Karen Ehman, New York Times bestselling author of *Keep it Shut*, helps you rediscover the life-changing joy that comes from putting others first. In a culture that tells us a me-first, you-second way of living is the key to happiness, Ehman explains that the key to moving forward in almost every facet of your life is to embrace backward living. Becoming a person who thinks about others first takes effort. It requires you to live alert. To be on the lookout in conversations for “heart drops”—hints of kindness you might grant to the person right in front of you, right where they are. But it is worth it. *Listen, Love, Repeat* gives you both the encouragement and practical, daily ways you can reach out to others with both planned and random acts of kindness. Topics include loving your family and friends, encouraging coworkers, reaching out to the lonely, blessing the “necessary people” who help you get life done every day but often go unnoticed, and many others who could use an act of

thoughtfulness. An additional focus on modeling for your children a lifestyle that listens and loves is accompanied by doable ideas for you and for your family. The Listen, Love, Repeat Study Guide includes video notes, group discussion questions, individual activities, Scripture memory verses, and between-sessions personal studies. Sessions include: Finding Your Big Why? half hour bible sessions: Translating the Bible Into Action, 2nd Edition Margaret Hill, Harriet Hill, 2022-06-15 When Jesus was born to Mary, God “translated” himself into our human world. This act of God’s translation continues today wherever the gospel is expressed, in each language and lived out in each culture that makes up our diverse world. Unfortunately, the church often ignores its cultural and linguistic diversity and, instead, imposes a dominant “language” and “culture” for expressing faith. This textbook seeks to challenge that situation. By identifying common barriers that prevent people from engaging with Scripture, the authors explore the ways churches can maintain unity in Christ and celebrate the diversity of their membership. Addressing a wide-range of relevant issues and using practical applications, this revised and updated edition re-establishes the importance of good, contextual Scripture engagement. A key resource in helping church leaders encourage people to communicate with God in their own language and to discover that Christ wants to make himself at home in their world.

half hour bible sessions: Reaching the Unreached Barry Blackstone, 2023-11-09 Have you ever imagined a trip back in time? Have you ever dreamed of exploring a native village that hasn't changed from its primitive past? Have you ever thought what it might be like to take the Gospel to an unreached people group? Since 1972 Barry Blackstone, a pastor from Maine, has imagined, dreamed, and thought of doing just that again. Those imaginations began with a trip to the deserts of Western Australia (recorded in his published book *The Region Beyond*) to minister to an Aboriginal tribe that had just been reached, but it wasn't until 2022 that this dream was fulfilled once more. Travel again with Pastor Blackstone to the remote tribal villages in Chhattisgarh and Kerala, India. Experience again the thrill of proclaiming God's word to villagers so removed from the modern world that the only way to reach them is by foot. It was on this trip that this pastor of fifty years learned why the apostle Paul said, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things (Rom 10:15). Share in a baptism in a concrete water storage tank for goats; witness the first graduation of an institute educating natives to reach their own tribes with the good news of Jesus Christ; experience the thrill of preaching to four native churches on one's seventy-first birthday; walk over a forest trail, up a steep incline, through virgin trees for nearly a mile before coming to a hidden hamlet where many of the people live in trees; then return to the modern world to be the graduation speaker for the fourth time at Kerala Baptist Bible College. The contrasts will be epic, the connections will be eternal, and the cultures will be eye-opening. This was Pastor Blackstone's sixth journey into the unknowns of India, and perhaps his most dramatic!

half hour bible sessions: Hoodwinked Bible Study Guide Karen Ehman, Ruth Schwenk, 2015-11-03 Mothers will find a fresh new vision for an age-old calling as they tackle the challenges and embrace the blessings of motherhood, instead of being taken in by the myths and Mommy Wars. Because of culture, family, friends, or lack of biblical teaching, today's wives and mothers are easily hoodwinked by a set of myths that have grown up around motherhood. Myths like: Mothering is natural, easy, and instinctive. The way I mother is the right (and only) way. My parenting is only as good as my child's choices. Serving my family is a subservient and antiquated role. All these lies are not only damaging to you and your family, but they are also opposed to the teachings and wisdom of the Bible. In this six-session video-based study (DVD/digital video sold separately), Bible teachers and experienced mothers Karen Ehman and Ruth Schwenk have teamed up to encourage and inspire women to embrace their roles as mothers wholeheartedly yet realistically, whether they work outside the home, have a home business, or are stay-at-home moms. Throughout this study, you and your mom's group will be introduced to a healthier, more biblical vision of motherhood and learn realistic and attainable tips for parenting well and thriving as an individual. Sessions include: Build Bridges, Not Fences: When Others Mother Differently Mothering Matters: Seeing the Hard Years as the Heart Years At the Top of the Tightrope: When You Try to Do It All Pressing the Pause Button: Taking Your Schedule from Racing to Rest In Armor of Their Own: On Revealing the Picture God's Painting Raising Children on Your Knees: When Your Child Makes a Bad Choice Study guide includes a bonus session ("No More Hoodwinked Moms"), ideas for building mom bridges, recipes, minute-long mom pep talks, and Scripture memory verses. Designed for use with the Hoodwinked Video Study (sold separately).
