jonathan cahn ebooks: The Return of the Gods Jonathan Cahn, 2022-09-06 NEW YORK TIMES Best-Selling Author From the author that brought you 6 New York Times best-selling books including *The Harbinger*, *The Book of Mysteries*, *The Oracle* and *The Harbinger II* Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world...and that they now have returned? *The Return of the Gods* is the most explosive book Jonathan Cahn has ever written. It is so explosive and so revealing that no description here could do it justice. Jonathan Cahn is known for revealing the stunning mysteries, many from ancient times, that lie behind and are playing out in the events of our times. But with *The Return of the Gods*, Cahn takes this to an entirely new level and dimension. *The Return of the Gods*, Cahn takes the reader on a journey from an ancient parable, the ancient inscriptions in Sumer, Assyria, and Babylonia that become the puzzle pieces behind what is taking place in our world to this day, specifically in America. Is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming? Who is the Possessor? The Enchanter? The Destroyer? And the Sorceress? Could a sign that has appeared all over America and the world be linked to the gods of Mesopotamia? And if so, what does it actually mean? Could the gods have returned to New York City and an ancient mythology played out on the streets in real time? Is it possible that the gods lie behind everything from what appears on our computer monitors, our televisions and movie screens; to the lessons given in our classrooms; to the breakdown of the family; to wokism; to the occult; to our addictions; to the Supreme Court; to cancel culture; to children's cartoons; to every force and factor that has transformed the parameters of gender; to that which appears in our stores, on our T-shirts, and on our coffee mugs—to that which is, at this very moment, transforming America and much of the world? Is it possible that behind all these things are ancient mysteries that go back to the Middle East and ancient Mesopotamia? This and so much more, most of which we can't even reveal in this description, will be uncovered. *The Return of the Gods* is not only one of the most explosive books you'll ever read but also one of the most profound. It will reveal the most stunning secrets and truths behind what is happening before your eyes in America and the nations. You will see things, even in your world, in a whole new light. With such chapters as *The House of Spirits*, *The Avatar*, *The Masters*, *The Deep Magic*, and *The Day of the Goddess*, *The Return of the Gods* will take readers on a fascinating, unforgettable, and mind-blowing journey that will leave them stunned and with the ability to see the world as they never have before. Be prepared to be blown away as you open up Jonathan Cahn's most explosive book ever, *The Return of the Gods*!

jonathan cahn ebooks: *Hidden Truth from Prophecy—Beyond 2012* Robert B. Scott, 2012-10-26 *The Harbingers* warnings to America expose an important, untold story, the astounding truth about prophecy hidden from the Christian world. This work is like a sequel, unveiling the mysteries of prophecy. The keys to the enigma that is Bible prophecy consist in knowing these rarely understood truths: America is identified in the Bible and is a major player in prophecy. The books of Job and Isaiah are the foundations of all Bible prophecy. Aliens and giants are also mentioned in *Gods Word* and will play a major role in end-time events. Quote from the book: This is more than a book that warns the world of what is about to happen. It is also a book that offers a sure hope for the future. While the winter solstice of 2012 will indeed begin the time of the greatest spiritual darkness the world has ever known, its not the end. Its not the end of the world; its not even the end of this age.

jonathan cahn ebooks: *God and Cancel Culture* Stephen E. Strang, 2021-09-07 FROM THE BEST-SELLING AUTHOR OF *GOD AND DONALD TRUMP* 64% of Americans believe cancel culture is a threat to their freedom. This book will help you realize the seriousness of the battle before us and illuminate the present circumstance for the purpose of doing good-to bring hope. It will document what is happening in our country, how believers can respond, and why we can look expectantly to the future. This is the time for neither religious fatalism nor political inaction. No matter how bad things get in the culture or in government, the Bible is true and God has plans and purposes we don't understand-and in the end we win. Things are chaotic in America. Liberal policies

are advancing. A rash of executive orders appears to be moving the nation closer to socialism and a one-world government. And conservatives, including many Christians, are being censored as never before. There's even a term- cancel culture-which 64 percent of Americans believe poses a threat to their freedom, according to a Harvard CAPS-Harris Poll. (Among Republicans, that figure is even higher at 80 percent.) The term applies to all conservatives who oppose the politically correct crowd, but it's part of a bigger effort to cancel Christianity and those who espouse biblical principles. It almost seems this is the beginning of the end and the Antichrist will appear at any time. You pick the cultural or political issue, and there likely is not even the semblance of widespread agreement. It seems that Christians are in an unprecedented season of fragmentation, potential division, and actual separation on many fronts. Instead of going forward, much of the church seems to be moving backward or standing still, waiting for what's next. The body of Christ is a big, diverse family, and we must choose to cheer one another on rather than get into circular firing squads. We are called to advance on every front. This book will assess and affirm the different approaches playing out. The body needs clarity and unity- and has little of both right now. Wounded armies want hope, focus, and encouragement. This book will not throw anyone overboard who is standing for the truth in some positive way. Rather, it will allow readers to look critically at the various approaches vying for our allegiance and attention here in the middle of 2021. In the course of this survey, we will find reason to affirm where people are fighting on the battlefield and validate the perspectives they bring. Featuring interviews with a cross section of leaders, this book will document what is happening in our country, how believers can respond, and why we can look to the future with hope. Even though things are bad, we must understand that conditions have been this bad or worse in the past and God always came through. He has plans and purposes we don't understand. Christians must not lose heart. We must stand strong and not be intimidated. We must pray, and we must believe God for a great awakening. No matter how bad things get in the culture or in government, the Bible is true and all things work together for good to those who love God (Rom. 8:28, MEV). That's because we are called according to His purpose. A purpose never goes in reverse. This book will reveal what that looks like in its various forms in the day in which we live. It gives a great handle for promoting unity and appreciation of one another when that is breaking down so badly elsewhere. Indeed, maybe the love Jesus spoke about that makes us recognizable to the world will be seen as this book illuminates the supernatural unity among people of very diverse opinions and approaches while pointedly addressing these various hot-button areas.
