james dashner ebook: *The Networked Library* Melissa A. Purcell, 2012-07-16 The lesson plans in this book enable educators to easily incorporate networking technologies into the classroom—not just a fun enrichment activity, but one that is selective and intentional to teach the required standards. Our Web 2.0 world is based on participation. Incorporating networking sites into classroom lesson plans invites students to participate and get involved using the digital learning styles with which they are already accustomed—interacting with new information, building knowledge, and sharing that knowledge with an authentic, responsive audience. *The Networked Library: A Guide for the Educational Use of Social Networking Sites* demonstrates how integrating networking tools that students enjoy using can improve their learning in the classroom. The book is designed to take educators who are new to networking sites from the ground up, while allowing experts to jump directly into the lesson plan chapters. It covers many types of networking sites that educators can use to their advantage: media sharing sites, including YouTube, TeacherTube, Wikimedia Commons, and Flickr; microblogs and wikis such as Wikispaces, PBworks, and Twitter; and social networking sites including Facebook, Ning, and Edmodo.

james dashner ebook: *Virtual Identities and Digital Culture* Victoria Kannen, Aaron Langille, 2023-02-28 *Virtual Identities and Digital Culture* investigates how our online identities and cultures are embedded within the digital practices of our lives, exploring how we form community, how we play, and how we re-imagine traditional media in a digital world. The collection explores a wide range of digital topics – from dating apps, microcelebrity, and hackers to auditory experiences, Netflix algorithms, and live theatre online – and builds on existing work in digital culture and identity by bringing new voices, contemporary examples, and highlighting platforms that are emerging in the field. The book speaks to the modern reality of how our digital lives have been forever altered by our transnational experiences – one of those key experiences is the pandemic, but so too is systemic inequality, questions of digital privacy, and the role of joy in our online lives. A vital contribution at a time of significant social and cultural flux, this book will be highly relevant to those studying digital culture within media, communication, cultural studies, digital humanities, and sociology departments.

james dashner ebook: *Imaginative Teaching through Creative Writing* Amy Ash, Michael Dean Clark, Chris Drew, 2021-03-25 Growing out of recent pedagogical developments in creative writing studies and perceived barriers to teaching the subject in secondary education schools, this book creates conversations between secondary and post-secondary teachers aimed at introducing and improving creative writing instruction in teaching curricula for young people. Challenging assumptions and lore regarding the teaching of creative writing, this book examines new and engaging techniques for infusing creative writing into all types of language arts instruction, offering inclusive and pedagogically sound alternatives that consider the needs of a diverse range of students. With careful attention given to creative writing within current standards-based educational systems, *Imaginative Teaching through Creative Writing* confronts and offers solutions to the perceived difficulty of teaching the subject in such environments. Divided into two sections, section one sees post-secondary instructors address pedagogical techniques and concerns such as workshop, revision, and assessment before section two explores hands-on activities and practical approaches to instruction. Focusing on an invaluable and underrepresented area of creative writing studies, this book begins a much-needed conversation about the future of creative writing instruction at all levels and the benefits of collaboration across the secondary/post-secondary divide.

james dashner ebook: *Bookshelves in the Age of the COVID-19 Pandemic* Corinna Norrick-Rühl, Shafquat Towheed, 2022-10-05 *Bookshelves in the Age of the COVID-19 Pandemic* provides the first detailed scholarly investigation of the cultural phenomenon of bookshelves (and the social practices around them) since the start of the pandemic in March 2020. With a foreword by Lydia Pyne, author of *Bookshelf* (2016), the volume brings together 17 scholars from 6 countries (Australia, Canada, Germany, the Netherlands, the UK, and the USA) with expertise in literary studies, book history, publishing, visual arts, and pedagogy to critically examine the role of bookshelves during the current pandemic. This volume interrogates the complex relationship between the physical book and its digital manifestation via online platforms, a relationship brought to widespread public and scholarly attention by the global shift to working from home and the rise of online pedagogy. It also goes beyond the (digital) bookshelf to consider bookselling, book accessibility, and pandemic reading habits.

james dashner ebook: *Quicklet on James Dashner's The Maze Runner* Peg Robinson, 2011-12-20 ABOUT THE BOOK "Out there's the Maze," Newt whispered, eyes wide as if in a trance. "Everything we do—our whole life, Greenie—revolves around the Maze. Every lovin' second of every lovin' day we spend in honor of the Maze, tryin' to solve somethin' that's not shown us it has a bloody solution, ya know? And we want to show ya why it's not to be messed with. Show ya why them buggin' wals close shut every night. Show ya why you should never, never find your butt out there." "All is an illusion" is the core message emanating from James Dashner's novel, *The Maze Runner*, which hitches a young adult (YA) science-fiction fantasy plot to a premise reminiscent of *The*

Prisoner or an old Twilight Zone episode. Children trapped in a manipulative experiment, with their memories of their past lives wiped clean, struggle to escape to a seemingly elusive freedom. The Maze Runner series is violent, dark, and edgy, with a similar allure to that of The Hunger Games. According to IMDb, in their article on The Maze Runner, a movie based on the novel is in development, and is scheduled for release in 2013. MEET THE AUTHOR Peg Robinson holds a BA in Religious Studies from the University of California at Santa Barbara, and has partially completed an MA/PhD in Mythological Studies from Pacifica Graduate Institute. She holds a certificate in copy editing from Media Bistro. Her publishing career started in 1998, on winning a place in Simon and Schuster's Star Trek: Strange New Worlds competition. Her novelette Tonino and the Incubus qualified for the 2007 Nebula Awards. She has worked as a content provider, copy writer, informational writer, copy editor, and developmental editor. EXCERPT FROM THE BOOK Thomas, a boy of about sixteen, arrives in a mysterious compound in the middle of a Maze. He's without any memories of his prior life, without friends or family. He meets the residents of the Maze—other teenaged boys who, like him, have found themselves in this unexplained place, pitted against deadly foes and struggling to find escape from their prison. Thomas finds himself wishing to become one of the Maze Runners for whom the story is named: the best, fastest, bravest, strongest, and most resourceful of the boys. Maze Runners go out daily to explore the maze, trying to learn its secrets and find a way out. His goals are challenged, though, by rivals within the compound known as the Glade, and by the dangers and difficulties of the world itself.
