kerala storybooks: *Valmiki Ramayana* R. Krishnan, 2021-01-16 Ramayana and Mahabharata are called The Itihasas. Itihasa in Sanskrit literally means 'it happened thus'. So these are to be distinguished from the Puranas. Itihasas were composed or written by those who witnessed what was happening so these are historical accounts. Valmiki lived during Ramayana period as did Veda Vyasa during The Mahabharata. Valmiki's Ramayana is in the form of poetry and is of great beauty. It is considered as the world's first poetry. It is set to Anushtup meter. It is the original version and there are several other versions written much later which were inspired from that of Valmiki. I am a scientist by profession and hence the type of treasure that I searched in Valmiki's great work and my view of things could be somewhat different and perhaps be of interest. So I decided to find out for myself such details. I was very much impressed to find so many rich details and interesting information on several aspects of Tradition, Culture, Astronomy, Geography and so on and which are not generally talked about. Valmiki's deep knowledge of Astronomy and Astrology is amazing. I was surprised to discover that iron was already in use in Ramayana period. Let us note that the westerners attribute a much later period for the use of iron and also claim that the knowledge of planets came to India from the Greeks!

kerala storybooks: She Is ElsaMarie D'Silva, 2021-11-24 2021 is the beginning of the 'decade of action' to realise the Sustainable Development Goals by 2030. It is imperative that every single person understands the goals, becomes familiar with them and takes individual and collective action to realise them if we want to live a quality life. SDG 5 in particular talks about Gender Equality which in our view is central to the realisation of the SDGs. Unfortunately in India, women in leadership positions are not visible and the numbers do not stack up. We have less than 10% representation of women in the State Legislative Assembly, 14% in Parliament, about 24% in the formal labour force which is declining year on year. If you cannot see her, you cannot be her. This book aims to showcase the journeys of women leaders in their respective fields and also in the realisation of the 17 SDGs through their work. We have scientists, police women, judges and business entrepreneurs who have shared their failures and successes. Through their unique perspectives they have shared on how despite one's backgrounds one can achieve one's goals, overcome socio-cultural barriers and contribute to the collective good.

kerala storybooks: *K. V. Dominic's "Write My Son, Write"--Text and Interpretation* K.V. Dominic, Ramesh Chandra Mukhopadhyaya, 2016-07-30 *Write My Son, Write* is K. V. Dominic's longest poem, in 21 sections taken from his collection of poems entitled *Write Son, Write*. Dominic unabashedly tackles everyday issues of India such as the social injustice of poverty, man's crass exploitation of natural resources that ought to belong to everyone, terrorism, and the eternal beauty of the natural world. This poem is the manifesto of Dominic's views and philosophies. About this work, K.V. Dominic writes, People today are crazy after materialism, and divinity in them is being lost to such an extent that they give no importance to principles, values, family and social relations, cohabitation with human beings and other beings. Instead they are trying their maximum to exploit their fellow beings, other beings and the planet itself. If it goes like this, the total destruction is not far away. It is the duty of the religious leaders, political leaders and the intelligentsia to inject the lost values to the masses and thus preserve this planet and the inhabitants from the imminent devastation. Instead, majority of these leaders become mafias and inject communal and corruptive venom to the minds of the masses. Corruption has become the hallmark of these leaders and influenced by them the masses also deviate from the right track to the evil track. And who will save this society? Writers, particularly poets who are like prophets. Dr. Ramesh Chandra Mukhopadhyaya's commentary provides the most complete critical analysis of the poem, section-by-section and line-by-line. Born in 1947 Ramesh Chandra Mukhopadhyaya M A (Triple) MPhil, PhD is a retired college teacher now residing at Howrah, West Bengal, India. A Bilingual writer (English and Bengali), he has been writing on different subjects for the last thirty years. He seeks to retrieve the wealth of poetry when it is a revelation. Dr. Mukhopadhyaya regards K. V. Dominic as a poet of a seer. From the World Voices Series Modern History Press www.ModernHistoryPress.com
