ken blanchard ebooks: *Digital Leaders* Marcus Disselkamp, 2021-08-17 Unternehmen wirtschaften unter sich ständig verändernden Bedingungen. Veränderungsbereitschaft war dabei schon immer das entscheidende Merkmal jeder langfristig erfolgreichen Organisation. Das Auftauchen neuer Wettbewerber am Markt, sich ändernde Kunden- oder Mitarbeiterbedürfnisse oder auch die Chancen und Risiken technischer Entwicklungen sind keine Erfindungen des 21. Jahrhunderts. Doch der digitale Wandel erhöht den Druck auf die Veränderungsbereitschaft von Unternehmen und die Möglichkeiten, Geld zu verdienen, in bislang ungekanntem Maße. Basierend auf modernen, digitalen Technologien erleben wir rein digitale Wirtschafts-Megatrends mit gravierenden Folgen für die heutige Wettbewerbsfähigkeit, wie zum Beispiel die globale Vernetzung und Transparenz aller Marktteilnehmer (Netzwerkökonomie), die maximale Verwertung von Daten (Datenökonomie), die zunehmende Automatisierung oder die Bedeutung von jungen Unternehmen (Start-up-Ökonomie), um nur einige zu nennen. Für Unternehmen kommt es nicht mehr nur darauf an, mit Veränderungen zu leben. Unternehmen überleben heute und in Zukunft allein durch die kontinuierliche Bereitschaft zu Veränderungen. Dabei stellen sich für jede Organisation zentrale Fragen: Wie gelingt es, den digitalen Wandel und die damit verbundenen Veränderungen zu managen? Wie rettet man bestehende Geschäftsmodelle und macht diese zukunftsfähig? Woher kommen die Ideen für neue Geschäftsmodelle? Und wie gelingt es, dass die Digitalisierung nicht nur ein Investment bleibt? Kurzum: Wie lässt sich in digitalen Zeiten Geld verdienen? Dr. Marcus Disselkamp zeigt in seinem Buch die neun fundamentalen Prinzipien auf, die Unternehmen optimal für die Zukunft rüsten. Von Anpassungsfähigkeit und Abenteuerlust über Agilität und Antifragilität bis hin zu Autonomie und Anerkennung: Marcus Disselkamp gibt Führungskräften anhand vieler konkreter Beispiele aus dem Unternehmensalltag einen fachlich fundierten und praxisnahen Begleiter durch die digitale Transformation an die Hand. Umfassend und zugleich pointiert zeigt er, wie Sie Ihr Unternehmen zukunftsfähig aufstellen und mit der Digitalisierung Geld verdienen.

ken blanchard ebooks: EBOOK: *Understanding Business, Global Edition* William Nickels, Jim McHugh, Susan McHugh, 2012-05-16 *Understanding Business Global Edition* by Nickels, McHugh, and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons: (1) The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience, (2) we listen to our customers, and (3) the quality of our supplements package. We consistently look to the experts – full-time faculty members, adjunct instructors, and of course students – to drive the decisions we make about the text itself and the ancillary package. Through focus groups, symposia, as well as extensive reviewing of both text and key ancillaries, we have heard the stories of more than 600 professors and their insights and experiences are evident on every page of the revision and in every supplement. As teachers of the course and users of their own materials, the author team is dedicated to the principles of excellence in business education. From providing the richest most current topical coverage to using dynamic pedagogy that puts students in touch with today's real business issues, to creating groundbreaking and market-defining ancillary items for professors and students alike, *Understanding Business* leads the way.

ken blanchard ebooks: Leadership of Digital Transformation Jean Elia, 2023-07-27 The evolution of digital technologies at an exponential pace, especially over the last decade, has led to the emergence of technology-based players that are disrupting practices across all sectors of business. As a consequence, companies are being forced to launch or to accelerate their Digital Transformation in order to remain competitive, or even to just survive. In the financial sector, the rise of disruptive digital players such as FinTechs and neo-banks is threatening the business models and value chains of incumbent banks, driving them to accelerate their transformations and review how they operate. Leadership is a vital success factor for organisations, particularly when leading change. Conducting a Digital Transformation presents further challenges for leaders, in addition to those of running the day-to-day business and dealing with financial, regulatory and risk constraints. This book develops a thorough and concrete understanding of Leadership in the context of Digital Transformation in the banking sector. The author uses a Grounded Theory approach and research from the field involving bank CEOs, getting their real-world insights and perspectives on this major topic. This research approach includes an in-depth analysis of Digital Transformation and how it is shaping banking and interactions with clients, employees and external stakeholders. It also includes a comprehensive study of Leadership, in terms of characteristics, styles and contingency, as well as the specific role a leader should personally play in the context of Digital Transformation. In light of the improved knowledge developed through the author's research, the book proposes, in the format of a short guide for CEOs, five key managerial recommendations on how to lead Digital Transformation, from strategy through to execution, and on how to embark people within the organisation on this journey.
