lacey sturm faith journey: With My Eyes Wide Open Brian "Head" Welch, Carol Traver, 2016-05-17 He left KoRn to help himself. He went back to help others. And along the way, he nearly lost everything. A life-changing spiritual awakening freed Brian "Head" Welch from a stranglehold of drugs and alcohol and prompted him to leave the highly successful nu-metal band KoRn in 2005. What followed was a decade-long trial by fire, from the perils of fathering a teen lost in depression and self-mutilation to the harsh realities of playing solo and surviving the shattering betrayal of a trusted friend. In this intensely inspiring redemption saga, perhaps most inspiring is Brian's radical decision to rejoin KoRn and reconcile with the tribe of people he once considered family in the metal music scene. Brian returned to his musical roots with a clear head and a devoted heart. Though his story is wild, hilarious, and deeply poignant, the message is simple: God will love you into the freedom of being yourself, as long as you keep the relationship going and never, ever quit.

lacey sturm faith journey: The Mystery Lacey Sturm, 2016-10-04 Love Exists. It's for You--and It's Worth Pursuing Rock princess Lacey Sturm wants to share her journey from heartbreak to wholeness with young women. In The Mystery, Sturm helps readers understand that any loving relationship begins with knowing your own identity in Christ. And yet, so many people have learned to define love through their own dysfunctional family, unhealthy relationships, the romances and wrecked relationships of mainstream pop culture, or, sadly, through pornography. Is it any wonder

so many people end up brokenhearted, divorced, abused, abusive, or even suicidal? Through personal stories, Sturm shows readers why true love is difficult and often painful but still worth fighting for. She helps women recognize destructive patterns in their relationships, discover a vision for a true and heart-flourishing love, and heal from past wounds. For anyone seeking healthy, loving relationships in our broken world, *The Mystery* lights the way to the love we were meant for.

lacey sturm faith journey: *The Return* Lacey Sturm, 2018-05-22 It's easy to go through days, weeks, even years on autopilot, moving from one activity to another, rarely taking the time to consider what it's all for anyway. Why did God make us? What does he want us to do with the time he has given us? And how can we find out? In her bestselling story-driven style, Christian rocker Lacey Sturm shares with readers the beautiful struggle of learning what one's unique gifts are and pursuing them wholeheartedly. She helps them see each day as a gift from God, find balance in their busy lives, and discover the joy of giving God's gifts back to him by using them to bring him glory. Young people especially will love this openhanded and openhearted take on what to do with their lives, as will those who feel like they've been coasting or heading down the wrong path.

lacey sturm faith journey: *The Reason* Lacey Sturm, 2014-09-30 The day Lacey Sturm planned to kill herself was the day her grandmother forced her to go to church, a place Lacey thought was filled with hypocrites, fakers, and simpletons. The screaming match she had with her grandmother was the reason she went to church. What she found there was the Reason she is alive today. With raw vulnerability, this hard rock princess tells her own story of physical abuse, drug use, suicide attempts, and more--and her ultimate salvation. She asks the hard questions so many young people are asking--Why am I here? Why am I empty? Why should I go on living?--showing readers that beyond the temporary highs and the soul-crushing lows there is a reason they exist and a purpose for their lives. She not only gives readers a peek down the rocky path that led her to become a vocalist in a popular hardcore band, but she shows them that the same God is guiding their steps today.
