lestat novels download: *The Mayfair Witches Series 3-Book Bundle* Anne Rice, 2013-10-07

An enchanting, hypnotic trilogy of witchcraft, adventure, and romance from the beloved author of *Interview with the Vampire* and *The Vampire Lestat*, *The Mayfair Witches* is a wondrous journey through the centuries, across the globe, and between the human and demonic worlds. Now all three novels in Anne Rice's spellbinding series have been collected for the first time in this stunning eBook bundle: *THE WITCHING HOUR* *LASHER* *TALTOS* On the screened porch of a great New Orleans house, now faded, a mute and fragile woman sits rocking. She belongs to a legendary dynasty of witches—a family that is itself haunted over the ages by a dangerous and seductive being named Lasher. Their story begins in our time, with a rescue at sea. Rowan Mayfair, a brilliant neurosurgeon aware of her abilities but oblivious to her ancient line, finds the drowned body of Michael Curry off the coast of California and brings him to life. In his brief interval of death, he has acquired a sensory power that mystifies and frightens him. Fiercely drawn to each other, Rowan and Michael set out to solve the mystery of her past and his unwelcome gift, and an intricate tale of evil unfolds: an evil unleashed in seventeenth-century Scotland, where the first “witch,” Suzanne of the Mayfair, conjures up the spirit that spells her own destruction and torments each of her descendants in turn. Praise for Anne Rice and *The Mayfair Witches* “Behind all the velvet drapes and the gossamer winding sheets, this is an old-fashioned family saga. . . . Rice's descriptive writing is so opulent that it almost begs to be read [by] candlelight.”—*The Washington Post Book World* “[A] huge and sprawling tale of horror.”—*The New York Times Book Review* “Lush prose, dense atmosphere, steamy sex, Gothic tension . . . Rice stages her scenes in a wide variety of times and locales, tapping deeply into the richest veins of mythology and history.”—*San Francisco Chronicle* “Spellbinding . . . mythical . . . Rice is a pure storyteller.”—*Cosmopolitan* “Rice sees things on a grand scale. . . . There is a wide-screen historical sweep to the tale as it moves from one generation of witches to the other.”—*The Boston Globe* “An intricate, stunning imagination.”—*Los Angeles Times Book Review* “It is hard to praise sufficiently the originality of Miss Rice. . . . She has made a masterpiece of the morbid, worthy of Poe's daughter.”—*The Wall Street Journal*

lestat novels download: *Anne Rice and Sexual Politics* James R. Keller, 2000-09-15 From the vampires *Lestat* and *Louis* to a sexually liberated *Sleeping Beauty*, novelist Anne Rice has created a host of characters who are notable for their paradoxical combinations of the deviant and the conventional. *Exit to Eden*, for example, ends with the sado-masochistic protagonists embarking on a traditional monogamous heterosexual relationship, while the vampires often long to exchange their erotic immortality for ordinary mortal lives and loves. This scholarly analysis of the seemingly incompatible elements of the subversive and the socially acceptable in Rice's early work covers her career from the landmark *Interview with the Vampire* (1976) to *Lasher* (1993). Each chapter tackles a different aspect of Rice's conflicting portrayals of sexual issues, including homophobia, pedophilia, castration anxiety, and the vast array of gender stereotypes and roles that her novels so often interpret and exploit. This study is appropriate both for readers of Rice's writing and those intrigued

by issues of sexual politics and the ways in which a popular author both embraces and repudiates some of the most shocking concepts of sexuality. An index and bibliography are included to aid research.
