john savage columbine now: *Columbine, 20 Years Later and Beyond* Jaclyn Schildkraut, Glenn W. Muschert, 2019-01-17 This powerful retrospective analysis of the 1999 Columbine High School shooting aftermath considers society's response to the attack, long-term implications of the shooting, and the ways in which research and related policy must continue to move forward. An indispensable resource for anyone interested in learning about the long-term impact of the 1999 Columbine High School shooting, *Columbine, 20 Years Later and Beyond* provides a comprehensive look at how the event unfolded, what has changed since the attack, and how this information can be used to prevent future mass shootings. Authors Jaclyn Schildkraut and Glenn Muschert, both experts on mass shootings, share their broad understanding of this tragedy and its aftermath. Columbine became the measuring stick against which all other mass shootings would be compared, and this book details with great sensitivity the ensuing changes to school security, law enforcement's response to active shooter situations, threat assessment practices, legislative efforts, and media coverage of unfolding situations. With delicacy and tact, Schildkraut and Muschert help to answer the painful question raised by a stone on the wall of the Columbine Memorial: What have we learned?.

john savage columbine now: The African American Odyssey of John Kizell Kevin G. Lowther, 2012-06-05 A compelling biography of a South Carolina slave who returned to fight the slave trade in his African homeland The inspirational story of John Kizell celebrates the life of a West African enslaved as a boy and brought to South Carolina on the eve of the American Revolution. Fleeing his owner, Kizell served with the British military in the Revolutionary War, began a family in the Nova Scotian wilderness, then returned to his African homeland to help found a settlement for freed slaves in Sierra Leone. He spent decades battling European and African slave traders along the coast and urging his people to stop selling their own into foreign bondage. This in-depth biography—based in part on Kizell's own writings—illuminates the links between South Carolina and West Africa during the Atlantic slave trade's peak decades. Seized in an attack on his uncle's village, Kizell was thrown into the brutal world of chattel slavery at age thirteen and transported to Charleston, South Carolina. When Charleston fell to the British in 1780, Kizell joined them and was with the Loyalist force defeated in the pivotal battle of Kings Mountain. At the war's end, he was evacuated with other American Loyalists to Nova Scotia. In 1792 he joined a pilgrimage of nearly twelve hundred former slaves to the new British settlement for free blacks in Sierra Leone. Among the most prominent Africans in the antislavery movement of his time, Kizell believed that all people of African descent in America would, if given a way, return to Africa as he had. Back in his native land, he bravely confronted the forces that had led to his enslavement. Late in life he played a controversial role—freshly interpreted in this book—in the settlement of American blacks in what became Liberia. Kizell's remarkable story provides insight to the cultural and spiritual milieu from which West Africans were wrenched before being forced into slavery. Lowther sheds light on African complicity in the slave trade and examines how it may have contributed to Sierra Leone's latter-day struggles as an independent state. A foreword by Joseph Opala, a noted researcher on the Gullah Connection between Sierra Leone and coastal South Carolina and Georgia, highlights Kizell's continuing legacy on both sides of the Atlantic.

john savage columbine now: John Muir: Wilderness Essays, Environmental Studies, Memoirs & Letters (Illustrated Edition) John Muir, 2023-12-07 In *John Muir: Wilderness Essays, Environmental Studies, Memoirs & Letters (Illustrated Edition)*, Muir's rich tapestry of prose captures the sublime beauty of the natural world while advocating for its preservation. Combining personal narratives with environmental philosophy, the essays evoke the grandeur of America's wilderness through vivid descriptions and heartfelt reflections. This illustrated edition enhances the reading experience, offering visual context to Muir's arguments, infused with romanticism and transcendentalist ideals that were pivotal in the late 19th century, culminating in a powerful call to action for conservation. John Muir (1838-1914) was a Scottish-American naturalist, writer, and early advocate for the preservation of wilderness in the United States. His profound appreciation for nature, shaped by years of exploration in America's national parks, inspired him to pen these

essays. A founding figure of the Sierra Club, Muir's activism was rooted in a deep spiritual connection to the land, which propels the urgency and eloquence of his writings while prompting national dialogues on environmental stewardship. *John Muir: Wilderness Essays, Environmental Studies, Memoirs & Letters* is not merely a collection of essays; it is an essential companion for anyone who cherishes the natural world. This beautifully illustrated edition invites readers to immerse themselves in Muir's vision of ecological unity, making it a vital addition to environmental literature and a clarion call for the protection of our planet.

john savage columbine now: The Incredible Travel Tales of John Muir (Illustrated Edition) John Muir, 2017-07-04 During his numerous travels across the North America John Muir left behind a several travel books and travel reports. In September 1867, Muir undertook a walk of about 1,000 miles from Indiana to Florida, which he recounted in his book *A Thousand-Mile Walk to the Gulf*. He had no specific route chosen, except to go by the wildest, leafiest, and least trodden way I could find. Upon coming to California Muir immediately left for a visit to Yosemite, a place he had only read about. His hiking journeys through the mountains, valleys, forests and glaciers of Sierra are vividly described in books *My First Summer in the Sierra* and *The Mountains of California*. Muir also made four trips to Alaska and he documented these experiences in books *Travels in Alaska* and *The Cruise of the Corwin*. *Steep Trails* is collection of Muir's papers written during his journey over a period of twenty-nine years collected by William Frederic Badè. Table of Contents: A Thousand-Mile Walk to the Gulf *My First Summer in the Sierra* *The Mountains of California* *Travels in Alaska* *The Cruise of the Corwin* *Steep Trails* John Muir (1838-1914) was a Scottish-American naturalist, author, environmental philosopher and early advocate of preservation of wilderness in the United States. His letters, essays, and books telling of his adventures in nature, especially in the Sierra Nevada mountains of California, have been read by millions. His activism helped to preserve the Yosemite Valley, Sequoia National Park and other wilderness areas. The Sierra Club, which he founded, is a prominent American conservation organization.

john savage columbine now: JOHN MUIR'S CALIFORNIA COLLECTION (Illustrated) John Muir, 2023-12-06 In 'John Muir's California Collection (Illustrated),' readers are invited to traverse the majestic landscapes of California through Muir's vivid prose and stunning illustrations. This compilation encapsulates Muir's deep reverence for nature, blending poetic observations with scientific insights, showcasing the intricate relationship between humanity and the natural world. As a pioneering figure of the American conservation movement, Muir's writing is interwoven with the Romantic ideals of the 19th century, reflecting a profound appreciation for untamed wilderness that challenges industrial progress and advocates for preservation. John Muir (1838-1914), often referred to as the Father of the National Parks, was deeply influenced by his Scottish upbringing and love for the outdoors. His experiences in various landscapes, coupled with his belief in the spiritual and enlightening power of nature, informed his writing. Muir dedicated much of his life to exploring and protecting California's natural wonders, which ultimately led to the establishment of several national parks, including Yosemite and Sequoia, making him a key figure in environmental history. This beautifully illustrated collection is a must-read for nature enthusiasts, historians, and anyone interested in the movement towards environmental conservation. Muir's ability to inspire awe in readers about the natural world remains timeless, encouraging us all to reconnect with our surroundings and advocate for their protection.

john savage columbine now: JOHN MUIR'S CALIFORNIA COLLECTION: My First Summer in

the Sierra, Picturesque California, The Mountains of California, The Yosemite & Our National Parks (Illustrated) John Muir, 2024-01-09 In John Muir's California Collection, readers are invited into the majestic landscapes of California through Muir's evocative prose and keen observations. This compilation features his seminal works, including *My First Summer in the Sierra*, where Muir meticulously describes his transformative experiences in the Sierra Nevada. His lyrical style, often interspersed with rich illustrations, reflects the Romantic literary tradition, emphasizing nature's beauty and spiritual significance. Muir's writing is not only a celebration of the natural world but also a call to conserve it, providing critical insights into the environmental ethos emerging in 19th-century America. John Muir, a Scottish-American naturalist and advocate for the preservation of wilderness, became a pivotal figure in the environmental movement. Growing up in the rugged landscapes of Scotland instilled in him a deep appreciation for nature. His experiences in California catalyzed his mission to promote the preservation of its natural wonders, leading to the establishment of national parks. This collection showcases Muir's profound relationship with the land, reflecting his belief that nature is essential for the human spirit. This anthology is a vital read for anyone interested in environmentalism, literary nature writing, or the history of American conservation. Muir's poetic exploration of California's diverse landscapes not only captures their beauty but also serves as a poignant reminder of the necessity to protect them for future generations.

john savage columbine now: The Complete Works of John Muir John Muir, 2023-12-29 The Complete Works of John Muir is an expansive anthology that encompasses the writings of one of America's foremost naturalists and environmentalists. Muir's prose is characterized by its lyrical beauty, vividly painting the landscapes of the American wilderness while seamlessly interweaving the themes of spirituality and conservationism. His essays, letters, and books, a blend of scientific observation and poetic reflection, provide readers with a comprehensive vision of nature's beauty and fragility, illustrating the profound interconnection between humanity and the natural world. Muir's works resonate within the context of the late 19th and early 20th centuries, a period marked by increasing industrialization and a burgeoning conservation movement in the United States. John Muir, often referred to as the 'Father of the National Parks,' was a Scottish-American naturalist whose passion for the environment was molded by his early experiences in nature. His commitment to preserving the wilderness was further solidified by his explorations of Yosemite and other American landscapes. Muir's influence extends beyond literature; he played a critical role in the establishment of national parks, shaping environmental policy and public sentiment towards conservation. This anthology is highly recommended for anyone with a deep appreciation for nature, literature, or environmental advocacy. Muir's eloquent writing invites readers on a transformative journey, urging them to recognize their role in protecting the natural world. Engaging with The Complete Works of John Muir is not only an opportunity to explore the author's rich reflections on nature but also a call to action to preserve the beauty that surrounds us. In this enriched edition, we have carefully created added value for your reading experience: - A comprehensive Introduction outlines these selected works' unifying features, themes, or stylistic evolutions. - The Author Biography highlights personal milestones and literary influences that shape the entire body of writing. - A Historical Context section situates the works in their broader era—social currents, cultural trends, and key events that underpin their creation. - A concise Synopsis (Selection) offers an accessible overview of the included texts, helping readers navigate plotlines and main ideas without revealing critical twists. - A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different work's strengths. - Reflection questions inspire deeper contemplation of the author's overarching message, inviting readers to draw connections among different texts and relate them to modern contexts. - Lastly, our hand-picked Memorable Quotes distill pivotal lines and turning points, serving as touchstones for the collection's central themes.

john savage columbine now: The Collected Works of John Muir John Muir, 2022-11-13 In The Collected Works of John Muir, readers are invited to delve into the profound observations and lyrical

musings of one of America's foremost naturalists. This compilation encompasses Muir's essays, journals, and letters, showcasing his poetic prose that both celebrates and critiques the relationship between humanity and the natural world. Muir's vivid descriptions and philosophical reflections reveal a deep reverence for wilderness, while his advocacy for conservation highlights a critical moment in America's environmental history, particularly in the late 19th and early 20th centuries, as industrialization threatened the integrity of natural landscapes. John Muir was not just a writer but a dedicated environmentalist whose passion for nature was rooted in personal experience. Growing up in the diverse ecosystems of Scotland and later in the United States, Muir's journeys through the Sierra Nevada and other wilderness areas fueled his ecological consciousness. His role in founding the Sierra Club and efforts in establishing national parks underscored his commitment to preserving the beauty of America's landscapes, which he eloquently articulated through his writings. This anthology is highly recommended for those seeking inspiration, as it resonates with contemporary environmental challenges and fosters a deeper appreciation for nature. Muir's narratives encourage readers to reflect on their relationship with the earth, making it an essential addition for environmentalists, literature enthusiasts, and anyone yearning for a more profound connection to the natural world.

john savage columbine now: The Wilderness of California (Illustrated Edition) John Muir, 2019-04-22 When John Muir moved to San Francisco, he immediately left for a week-long visit to Yosemite, a place he had only read about. Seeing it for the first time, Muir noted that He was overwhelmed by the landscape, scrambling down steep cliff faces to get a closer look at the waterfalls, whooping and howling at the vistas, jumping tirelessly from flower to flower. He climbed a number of mountains, including Cathedral Peak and Mount Dana, and hiked the old Indian trail down Bloody Canyon to Mono Lake. He lived in the cabin for two years and wrote about this period in his book *First Summer in the Sierra*. Muir wrote few more books about his days in California and also a few about California's nature and wild life including *The Mountains of California*, *Our National Parks*, *The Yosemite* and *Picturesque California*.

john savage columbine now: The Complete Works of John Muir (Illustrated Edition) John Muir, 2023-12-03 In *The Complete Works of John Muir (Illustrated Edition)*, readers are invited into the poetic and passionate prose of one of America's foremost naturalists and conservationists. This meticulously curated collection showcases Muir's writings on nature, intertwined with rich illustrations that evoke the breathtaking landscapes he so fiercely defended. Muir's literary style blends personal narrative with scientific observation, reflecting the Romantic-era fascination with nature while also manifesting an early environmental consciousness that resonates throughout modern ecological discourse. Each piece not only emphasizes the beauty of the natural world but also critiques humanity's disconnection from it, making the collection both a literary treasure and a manifesto for conservation. John Muir (1838-1914), often referred to as the Father of the National Parks, founded the Sierra Club and played a pivotal role in the establishment of numerous national parks, including Yosemite. His experiences as a wanderer and naturalist profoundly influenced his writings, revealing an intimate relationship with nature that underscored the urgency of environmental preservation—a theme that echoes throughout his works. Muir's affinity for the sublime in nature stemmed in part from his Scottish upbringing, which instilled a deep appreciation for the wilderness. This illustrated edition is highly recommended for anyone interested in environmental literature, history, or the intricate relationship between humanity and nature. Each page not only invites a deeper understanding of Muir's philosophy but also inspires a renewed commitment to environmental stewardship, making it essential reading for both scholars and casual readers alike.

john savage columbine now: John Muir's Incredible Travel Memoirs: A Thousand-Mile Walk to the Gulf, My First Summer in the Sierra, The Mountains of California, Travels in Alaska, Steep Trails... (Illustrated) John Muir, 2024-01-09 In *John Muir's Incredible Travel Memoirs*, readers embark on an evocative journey through the natural landscapes of America as revealed by one of its most revered naturalists. This compilation features Muir's eloquent and vivid

prose, characterized by rich descriptions and acute observations that encapsulate the splendor of the wilderness. Spanning his extensive travels, from the Sierra Nevada to the rugged terrains of Alaska, the book situates Muir's reflections within the context of late 19th-century American environmentalism, revealing both the beauty of nature and its fragility amid industrial expansion. John Muir (1838-1914), known as the Father of the National Parks, has been a pivotal figure in American environmentalism. His experiences, both as an immigrant and a naturalist, deeply influenced his writing and his advocacy for wilderness preservation. Muir's life was marked by a strong interplay between scientific curiosity and spiritual reverence for nature, which he portrays masterfully in these memoirs, capturing the essence of his lifelong commitment to exploring and protecting the natural world. This collection is a must-read for anyone interested in nature writing, environmental advocacy, or the history of America's wilderness. Muir's insights are as relevant today as they were over a century ago, encouraging readers to reconnect with the outdoors and consider their role in its stewardship.

john savage columbine now: JOHN MUIR Ultimate Collection: Travel Memoirs, Wilderness Essays, Environmental Studies & Letters (Illustrated) John Muir, 2024-01-09 In JOHN MUIR Ultimate Collection: Travel Memoirs, Wilderness Essays, Environmental Studies & Letters (Illustrated), readers are invited into the rich landscapes of nature through Muir's eloquent prose. This comprehensive anthology presents a harmonious blend of travel memoirs, reflective essays, and passionate letters that encapsulate the spirit of the American wilderness. Muir's literary style, infused with vivid imagery and lyrical cadences, evokes an intimate connection between humanity and nature, while his environmental studies provide a prescient framework for understanding humanity's role within ecology. The contextual backdrop of the late 19th and early 20th centuries, marked by burgeoning industrialization, resonates with his urgent calls to conserve the natural world. John Muir (1838-1914), often referred to as the Father of the National Parks, dedicated his life to wilderness advocacy, and his experiences as a naturalist deeply informed his writings. A Scottish immigrant, Muir's transformative encounters with the wilds of North America fueled his passion for environmental stewardship. His establishment of the Sierra Club, along with his relentless campaigns for national parks, reflect a profound commitment to preserving the beauty he so eloquently articulated in his works. This ultimate collection is an essential read for anyone seeking inspiration from nature and a deeper understanding of environmental philosophy. Muir's timeless reflections resonate in our modern context, inviting readers to reconnect with the natural world and consider the significant role of conservation. Whether you are an environmentalist, a lover of memoirs, or simply seeking solace in nature's beauty, Muir's writings will captivate and inspire. In this enriched edition, we have carefully created added value for your reading experience: - A comprehensive Introduction outlines these selected works' unifying features, themes, or stylistic evolutions. - The Author Biography highlights personal milestones and literary influences that shape the entire body of writing. - A Historical Context section situates the works in their broader era—social currents, cultural trends, and key events that underpin their creation. - A concise Synopsis (Selection) offers an accessible overview of the included texts, helping readers navigate plotlines and main ideas without revealing critical twists. - A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different work's strengths. - Reflection questions inspire deeper contemplation of the author's overarching message, inviting readers to draw connections among different texts and relate them to modern contexts. - Lastly, our hand-picked Memorable Quotes distill pivotal lines and turning points, serving as touchstones for the collection's central themes.

john savage columbine now: JOHN MUIR Ultimate Collection (Illustrated) John Muir, 2023-12-06 In the JOHN MUIR Ultimate Collection (Illustrated), readers are treated to a comprehensive anthology of Muir's writings, vividly illustrated to enhance the appreciation of his profound connection with nature. Muir, often hailed as the father of the American national parks, employs a lyrical and immersive literary style that seamlessly intertwines personal reflection with scientific observation. His passionate prose not only captures the awe-inspiring beauty of the natural

world but also advocates for its preservation, reflecting the burgeoning conservation movements of the late 19th and early 20th centuries. The collection encompasses essays, letters, and excerpts from Muir's notable works, inviting readers into a world where ecology and spirituality coalesce. John Muir's extensive travels and experiences in the American wilderness — from the Sierra Nevada to Yosemite — informed his writing and fueled his advocacy for environmental protection. Born in Scotland and later emigrating to the United States, Muir's early life was marked by a deep love for nature, which he cultivated through rigorous studies in botany and geology. His establishment of the Sierra Club and his role in the creation of national parks exemplify his commitment to the preservation of the natural landscape. This illustrated collection is an essential read for anyone interested in environmental literature, offering a unique glimpse into Muir's visionary ideals and profound insights. It is particularly recommended for those inspired by nature's splendor and the importance of its conservation, encouraging a renewed appreciation for the wilderness and its critical role in our lives.

john savage columbine now: *The History of the State of Rhode Island and Providence Plantations* Thomas Williams Bicknell, 1920

john savage columbine now: The Martyrs of Columbine J. Watson, 2003-05-02 On April 20, 1999, Eric Harris and Dylan Klebold killed twelve fellow students and one teacher at Columbine High School in Littleton, Colorado. Two of the victims of the Columbine massacre, Cassie Bernall and Rachel Scott, reportedly were asked by the gunmen if they believed in God. Both supposedly answered 'Yes' and were killed. Within days of their death, Cassie and Rachel were being hailed as modern-day martyrs and are seen by many American evangelicals as the sparks of a religious revival among teenagers. Cassie and Rachel, as innocents martyred for faith, also became useful symbols for those seeking to advance a conservative political agenda and to lay the blame for Columbine at the feet of their liberal opponents. According to police investigators, however, Cassie and Rachel may never have been asked by their killers about God. They may have been simply victims of a senseless crime rather than martyrs to a cause. The Martyrs of Columbine provides a careful examination of the available evidence and attempts to discover what really occurred. Despite these questions the martyr-stories continued to be told and the religious and political use of Cassie and Rachel continues. The popular significance of the martyrs of Columbine persists, and may even be growing. How and why is this happening? The Martyrs of Columbine is a groundbreaking investigation of what this tragedy has come and will come to mean in American religion, politics, and culture.

john savage columbine now: Collected Travel Memoirs John Muir, 2022-11-13 John Muir's Collected Travel Memoirs offers an immersive exploration of the American wilderness through the lens of one of nature's most passionate advocates. In this anthology, Muir blends lyrical prose with vivid imagery, capturing the essence of landscapes from the Sierra Nevada to the Alaskan wilderness. His distinctive style, characterized by detailed observations and philosophical musings, places his work within the transcendental literary tradition, echoing the sentiments of Emerson and Thoreau while pioneering a unique, environmental consciousness. This collection not only showcases Muir's love for nature but also addresses the urgent need for conservation during the late 19th and early 20th centuries, a time of industrial expansion and ecological peril. Muir, often referred to as the Father of the National Parks, was profoundly influenced by his childhood in Scotland and his subsequent experiences in the rugged American wilderness. His adventures and explorations were driven by a relentless curiosity and a desire to protect America's natural heritage. Muir's commitment to nature is imbued in his writings, reflecting a personal journey that transcends mere observation, advocating for a deeper understanding of our connection to the environment. For readers yearning to immerse themselves in the beauty of nature and the philosophy of conservation, Collected Travel Memoirs is an essential companion. Muir's observations resonate with contemporary concerns about environmental stewardship, making this book not only a historical gem but also a poignant reminder of our relationship with the natural world. Delve into this captivating collection and experience the travel narratives that have inspired generations of nature lovers and environmentalists.

john savage columbine now: My First Summer in the Sierra John Muir, 2010-07-01 In the summer of 1869, John Muir set out from California's Central Valley with a flock of sheep and trekked into the foothills of the Sierra Nevada. His journals describe the summer he spent in what would become Yosemite National Park. Celebrating the Sierra's lizards and mountain lions, tall trees and waterfalls, fierce thunderstorms and bears, Muir raises an awareness of nature to a spiritual dimension. John Muir is internationally acknowledged as one of the founding fathers of modern conservation and his vision, passion and integrity continue to inspire readers today - particularly in this, his best-loved book.
