kambi kadhakal: Rated A Darshana Sreedhar Mini, 2024-08-06 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. In the 1990s, India's mediascape saw the efflorescence of edgy soft-porn films in the Malayalam-speaking state of Kerala. In Rated A, Darshana Sreedhar Mini examines the local and transnational influences that shaped Malayalam soft-porn cinema—such as vernacular pulp fiction, illustrated erotic tales, and American exploitation cinema—and maps the genre's circulation among blue-collar workers of the Indian diaspora in the Middle East, where pirated versions circulate alongside low-budget Bangladeshi films and Pakistani mujra dance films as South Asian pornography. Through a mix of archival and ethnographic research, Mini also explores the soft-porn industry's utilization of gendered labor and trust-based arrangements, as well as how actresses and production personnel who are marked by their involvement with a taboo form negotiate their social lives. By locating the tense negotiations between sexuality, import policy, and censorship in contemporary India, this study offers a model for understanding film genres outside of screen space, emphasizing that they constitute not just industrial formations but entire fields of social relations and gendered imaginaries.

kambi kadhakal: Ngũgĩ Simon Gikandi, D. Ndirangu Wachanga, 2018 This collection of essays reflects on the life and work of Ngugi wa Thiong'o, who celebrated his 80th birthday in 2018. Drawing from a wide range of contributors, including writers, critics, publishers and activists, the volume traces the emergence of Ngugi as a novelist in the early 1960s, his contribution to the African culture of letters at its moment of inception, and his global artistic life in the twenty-first century. Here we have both personal and critical reflections on the different phases of the writer's life: there are poems from friends and admirers, commentaries from his co-workers in public theatre in Kenya in the 1970s and 1980s, and from his political associates in the fight for democracy, and contributions on his role as an intellectual of decolonization, as well as his experiences in the global art world. Included also are essays on Ngugi's role outside the academy, in the world of education, community theatre, and activism. In addition to tributes from other authors who were influenced by Ngugi, the collection contains hitherto unknown materials that are appearing in English for the first time. Both a celebration of the writer, and a rethinking of his legacy, this book brings together three generations of Ngugi readers. We have memories and recollections from the people he worked with closely in the 1960s, the students that he taught at the University of Nairobi in the 1970s, his political associates during his exile in the 1980s, and the people who worked with him as he embarked on a new life and career in the United States in the 1990s. First-hand accounts reveal how Ngugi's life and work have intersected, and the multiple forces that have converged to make him one of the greatest writers to come out of Africa in the twentieth century. Simon Gikandi is Robert Schirmer Professor of English, Princeton University. He was editor of the PMLA, the journal of the MLA (the Modern Languages Association) from 2011-2016. He served as the 2nd and 1st president of the MLA in 2017 and 2018 and is the president elect of the association for 2019. Ndirangu Wachanga is Professor of Media Studies and Information Science at the University of Wisconsin. He is also the authorized documentary biographer of Professors Ali A. Mazrui, Ngugi wa Thiong'o and Micere Mugo.

Urithi huu unamtoa Gusto katika ulimwengu wa wachawi. Hatimaye, baada ya kupambana na vitimbi, hasara na mikasa ya kutisha, inambidi Gusto akate shauri kati ya kuyatekeleza matakwa ya marehemu baba yake na kuyatimiza matakwa ya dhamiri yake binafsi na ya jumuiya yake inayotafuta maendeleo ya kisasa. For linguists working on grammars of specific languages this book provides both methodological tools for objective description and a wealth of ideas about functional parameters which have been found to be significant in the languages of the world. For linguists interested in language typology, this book gives data from a wide variety of languages which allow for a more direct cross-linguistic comparison of function than is possible from consulting reference grammars alone. For qualitative discourse analysts, this book describes in basic terms some quantitative methods of linguistic analysis, and includes discussion of word order and voice alternations, grammaticalization, aspect, topic and focus marking, clause-chaining and noun incorporation.
