jenette mccurdy autobiography pdf: *The Power of Parting* Eamon Dolan, 2025-04-01 A myth-shattering, inspiring book that combines research, reportage, and memoir to explore the growing phenomenon of estrangement from toxic relatives—showing it not as a tragedy, but as an empowering and effective solution to the heartbreak of family abuse. After decades of enduring his mother's physical and psychological torment, after years of trying in vain to set boundaries, Eamon Dolan took a radical step: he cut his mother out of his life. No more phone calls, no more visits, no more contact. Parting with his abuser gave him immediate relief and set him on a path toward freedom, confidence, and joy like none he had ever felt before. In *The Power of Parting*, Dolan has written the book he wishes he'd had when he was struggling to free himself from his mother's abuse. In the process, he discovered how widespread estrangement really is. At least 27 percent of Americans are estranged from a parent, sibling, or other family member. He also learned why so much stigma surrounds this common—and often lifesaving—phenomenon. Even among

therapists—the professionals who would seem most attuned to the pain relatives can inflict—there's a bias toward reconciliation, when millions of their patients need instead to escape their abusers' grip. Estrangement, Dolan realized, should be understood and embraced, not shrouded in shame. Drawing on his own suffering and healing, as well as experts' advice and the testimony of other courageous survivors, Dolan first explains why abuse is much different and more prevalent than we may think, how it harms us in childhood and beyond, and why limiting or eliminating contact might be our best possible choice. Then, he walks readers through the steps of a successful, positive estrangement: how to take crucial time for yourself; how to make sure no one can gaslight you into minimizing or forgetting; how to set rules for your abuser and—if they can't or won't respect your limits—how to end a toxic relationship. He also offers valuable counsel on how to ease the guilt and grief that often accompany parting, and how to break the cycle of abuse that was likely passed down to you through many generations. With a convincing blend of clarity and empathy, Dolan encourages others to do what he ultimately did for himself: determine whether the people in your life treat you with the care and concern you deserve—and part ways with them if they don't.

jenette mccurdy autobiography pdf: Sono contenta che mia mamma è morta Jennette McCurdy, 2023-03-14 JENNETTE MCCURDY HA SOLO tredici anni quando diventa una celebrità della tv grazie alla serie iCarly. Dietro il suo sorriso smagliante si nasconde però l'inferno degli abusi fisici e psicologici a cui sua madre la sottopone fin da quando è bambina. Ossessionata dall'idea di fare della figlia una star, Debbie ha assunto il controllo maniacale di ogni aspetto della sua vita. E Jennette, pur di vedere la madre felice e di conquistare il suo amore, è disposta a rinunciare all'infanzia normale che vorrebbe così tanto. Giorno dopo giorno, per anni, Debbie cerca di distruggere Jennette per ricostruirla a suo piacimento. Solo quando il cancro obbliga Debbie a stare in ospedale e lontano da lei, Jennette scopre fino a che punto è riuscita a devastarla. Preda di disturbi alimentari, dell'alcol e di una grave depressione, è costretta ad affrontare il suo passato e il mostro che l'ha resa ciò che non avrebbe mai voluto essere. Scritto con disarmante sincerità e umorismo nero, Sono contenta che mia mamma è morta è il racconto di quello che succede quando chi ci dovrebbe amare più di tutti abusa della nostra innocenza. Ma soprattutto è una storia che parla di resilienza e conquista della libertà. E della felicità di farti lo shampoo da sola.
