jeanne duprau ebook: Story Katie Egan Cunningham, 2015 Stories surround us, support us, and sustain us. We see and hear them when walking down the street, on our digital newsfeeds, in our interactions with one another, in the ways our students play, and in literature, poetry, music, images, multimedia, and dramatic works. While acknowledging the importance of teaching students strategies to read different kinds of text, to write across genres, and to speak and listen with purpose, Katie Egan Cunningham reminds us that when we bridge strategy with the power of story, we deepen literacy learning and foster authentic engagement. *Story: Still the Heart of Literacy Learning* compels us to ask crucial questions: Why do stories matter? Whose stories count? Where do stories live? How do stories come alive? How do we build stories? How do we talk about stories? And why does this work take courage? Katie shares her story as a classroom teacher, literacy specialist, staff developer, and professor. She shows teachers how to create classrooms of caring and inquisitive readers, writers, and storytellers. Katie explains specific ways to build a classroom library that reflects our diverse society through rich, purposeful, and varied texts. She also provides numerous examples of multigenre and multimodal stories from children's and young adult literature, poetry, songs, and multimedia. The practical toolkit at the end of each chapter demonstrates how to make stories come alive in any classroom.

jeanne duprau ebook: The City of Ember - Literature Kit Gr. 5-6 Chad Ibbotson, 2020-08-12 A dystopian future set underground brings to light the struggles that humanity will endure in order to survive. The variety of engaging activities can be easily broken up over several weeks to coordinate with assigned reading. Describe in detail the city of Ember, from how it looks to how it operates. Analyze the chapter titles and dissect what they could allude to. Explain what we as readers discover about Ember when Doon visits the library. Answer comprehension questions about events in the book surrounding Doon's investigation in the tunnels. Create your own list of instructions that have been damaged and have a partner decipher what they are for. Plot the important moments or points of action from the story in a Pipeline Timeline graphic organizer. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: The City of Ember tells the tale of a society living underground for hundreds of years and the two kids who must bring them into the light. Hundreds of years earlier, a group of people descended underground in hopes to save the human race from extinction. They had enough supplies and power to last them for over 200 years, at which point, instructions on how to return to the surface would be revealed. The only problem is, no one knows these instructions exist, and when they are revealed, they are destroyed. It's up to Lina and Doon to decipher the few clues they have, locate the way out, and get this news back to their people. But it's not that easy. In their attempts to find the way out, Lina and Doon stumble on a conspiracy that involves the Mayor and city guards. As such, they are now being hunted as fugitives. Their nearly impossible task just got harder. Now they must race against the clock to escape from Ember with no knowledge of where they are going, and how they can get back to save everyone else.

jeanne duprau ebook: Make Room for Teens! Michael Garrett Farrelly, 2011-02-18 This collection of thoughtful essays discusses library trends and best practices in creating dynamic, effective, and enjoyable spaces for young adults. Young adult librarians face a wide of array of issues when planning spaces for teen patrons. At the same time, the digital divide has shrunk for many Americans in the past decade, and libraries are expected to keep up by providing more open access to mobile technologies, digital books, and online information—certainly a formidable challenge. Make Room for Teens!: Reflections on Developing Teen Spaces in Libraries serves as a thought-provoking tool for librarians who seeking guidance in creating, maintaining, and updating young adult spaces in their libraries. The essays contained within this book discuss the topic in clear language that is free from jargon, emphasizing illustrative (and sometimes humorous) anecdotes, experiential learning, and best practices. Rather than a how-to guide, the book provides a comprehensive thought exercise for librarians looking to better understand and create spaces for

young adults and teenagers. Subjects addressed include important issues like common space, collection development, and the ways in which teens own a space, giving librarians an invaluable understanding of what a library space really says to young adults.
