intimate memoirs download: **Airbrushed Nation** Jennifer Nelson, 2012-10-30 Glamour. Cosmo. SELF. Ladies' Home Journal. Vogue. In an industry that has been in a downward spiral for years, these magazines—and other women-focused magazines like them—have not only retained their readership, they've increased it. Every month, five million-plus women peel back the slick cover of their favorite magazine to thumb through pages filled with tidings and advice about fashion, beauty, sex, relationships, dieting, health, and lifestyle. But do women's magazines offer valuable information, or do they merely peddle fluff and fantasy—and in either case, do women take their messages to heart? In *Airbrushed Nation*, Jennifer Nelson—a longtime industry insider—exposes the naked truth behind the glossy pages of women's magazines, both good and bad. Nelson delves deep into the world of glossies, explaining the ways in which these magazines have been positive for women, highlighting the ways in which their agendas have been misguided, and asking the questions that have long gone unasked: What do women think and believe about the retouched photos, the ubiquitous sex advice, the constant offensive on aging, and the fantasy fashion spreads featuring unaffordable clothing and accessories? Do the unrealistic ads, images, and ideals that permeate glossies damage women's self-esteem . . . and is it intentional?

But at twenty-nine, she's left her analyst job, dropped out of an MBA program, and is trapped in an unhappy engagement. So when she gets the rare opportunity to work at one of the most prestigious hedge funds in the world, she knows she can't say no. Fourteen interviews later, she's in. intimate memoirs download: Essays on the Awareness of Loss in Contemporary Albanian

Literature Bavjola Gami Shatro, 2024-05-29 *Essays on the Awareness of Loss in Contemporary Albanian Literature: Voices that Come from the Abyss* is the first scholarly monograph on the concept of loss in Albanian poetry and life writing of the twentieth and twenty-first centuries. It represents the first academic contribution to an international audience dedicated to three women writers that personified loss in communist Albania and two eminent poets who wrote representative and outstanding poetry on the meaning of loss in Albanian literature. Through the work of these three politically persecuted women writers and two modern poets, this book analyzes loss in relation to pain, grief, memory, death, freedom, and love inquiring on the meeting point between life writing and poetry, and the point where they part ways. The book explores the work of: Musine Kokalari, the first Albanian woman writer and political dissident; Bedi Pipa, the first woman known to have authored a diary in Albanian literature; Drita Çomo, author of a diary and poetry written in secret in political exile under communism; Fatos Arapi the Albanian poet who has been awarded the most important international literary prize to date and who has elaborated on the ethical implications of freedom, grief and death in relation to (personal) loss; Ali Podrimja a cornerstone of contemporary Albanian poetry, author of a volume that marked a definite turn to modernity in Albanian poetry in the Republic of Kosovo and to date one of the best volumes of poetry written in the history of Albanian literature Lum Lumi, where he explores the depth of grief, pain, loss and love. The works of these five authors bring forth the necessity to re-visit the history of Albanian literature and promote interdisciplinary and comparative studies beyond Albanian literature. Shatro studies the unique traits of their life writing, the specific link between different literary genres and the exceptional capacity of poetry to carry loss to the point of articulating the unsaid, thus giving a voice to silence. She argues that through diary, memoir, epistolary and poetry, all five authors provide different views of loss and its challenging ethical implications in relation to death, memory, and freedom.

intimate memoirs download: Albert Camus and the Philosophy of the Ordinary Raymond D.

Boisvert, 2023-02-23 The standard interpretation keeps repeating that Camus is the prototypical “absurdist” thinker. Such a reading freezes Camus at the stage at which he wrote *The Stranger* and *The Myth of Sisyphus*. By taking seriously how (1) Camus was always searching and (2) the rest of his corpus, *Albert Camus and the Philosophy of the Ordinary* corrects the one-sided, and thus faulty, depiction of Camus as committed to a philosophy of absurdism. His guiding project, which he

explicitly acknowledged, was an attempt to get beyond nihilism, the general dismissal of value and meaning in ordinary life. Tracing this project via Camus's works, Albert Camus and the Philosophy of the Ordinary, offers a new lens for thinking about the well-known author.

intimate memoirs download: Sexual Justice Alexandra Brodsky, 2021-08-24 A pathbreaking work for the next stage of the #MeToo movement, showing how we can address sexual harms with fairness to both victims and the accused, and exposing the sexism that shapes today's contentious debates about due process Over the past few years, a remarkable number of sexual harassment victims have come forward with their stories, demanding consequences for their assailants and broad societal change. Each prominent allegation, however, has also set off a wave of questions – some posed in good faith, some distinctly not – about the rights of the accused. The national conversation has grown polarized, inflamed by a public narrative that wrongly presents feminism and fair process as warring interests. Sexual Justice is an intervention, pointing the way to common ground. Drawing on core principles of civil rights law, and the personal experiences of victims and the accused, Alexandra Brodsky details how schools, workplaces, and other institutions can – indeed, must – address sexual harms in ways fair to all. She shows why these allegations cannot be left to police and prosecutors alone, and outlines the key principles of fair proceedings outside the courts. Brodsky explains how contemporary debates continue the long, sexist history of “rape exceptionalism,” in which sexual allegations are treated as uniquely suspect. And she calls on readers to resist the anti-feminist backlash that hijacks the rhetoric of due process to protect male impunity. Vivid and eye-opening, at once intellectually rigorous and profoundly empathetic, Sexual Justice clears up common misunderstandings about sexual harassment, traces the forgotten histories that underlie our current predicament, and illuminates the way to a more just world.

Based in comparative policy analysis it asks, what accounts for the differences in the policies toward and the outcomes of private security between EU member states?

intimate memoirs download: Nordic Private Collections of Chinese Objects Minna Törmä, 2020-05-27 This book explores the ways in which Nordic private collectors displayed their collections of Chinese objects in their homes. This leads to a reconsideration of how to define collecting and display by analysing the difference between objects serving as decorative or collectible items, while tracing collecting and display trends of the twentieth century. Minna Törmä examines four Scandinavian collections as case studies: Kustaa Hiekka, Sophus Black, Osvald Sirén and Marie-Louise and Gunnar Didrichsen, all of whom had professional backgrounds (a jeweler, two businessmen and a scholar) and for whom collecting became a passion and an educational endeavour. This book will be of interest to scholars in art history, museum studies, Chinese studies and design history.

intimate memoirs download: Gay Conversion Practices in Memoir, Film and Fiction James E. Bennett, Marguerite Johnson, 2024-06-13 For over half a century, organizations and individuals promoting ex-gay, conversion and/ or reparative therapy have pushed the tenet that a person may be able to, and should, alter their sexual orientation. Their so-called treatments or therapies have taken various forms over the decades, ranging from medical (including psychiatric or psychological) rehabilitation approaches, to counselling, and religious healing. Gay Conversion Practices in Memoir, Film and Fiction provides an in-depth exploration of the disturbing

phenomenon of gay conversion 'therapy' and its fictional and autobiographical representations across a broad range of films and books such as *But I'm a Cheerleader!* (1999), *This is What Love in Action Looks Like* (2011) and *Boy Erased* (2018). In doing so, the volume emphasizes the powerful role the arts and media play in communicating stories around conversion practices. Approaching the timely and urgent subject from an interdisciplinary perspective, contributors utilize film theory, queer theory, literary theory, mental health and social movement theory to discuss the medicalization and pathologizing of queer people, the power of institutions ranging from church, psychiatry and family (sometimes in alliance), and the real and fictional voices of survivors.

intimate memoirs download: *Sexual Harassment and the Law in Africa* Furaha-Joy Sekai Saungweme, Carol Chi Ngang, Graham Towl, 2024-03-19 Written by a team of experts from legal, forensic, and policy backgrounds, this book presents new research into sexual violence and harassment across Africa. This first of its kind book foregrounds the work of African scholars and presents careful research analysis and case studies that consider sexual harassment from legal, socio-economic, and cultural realities. It highlights the importance of laws around sexual harassment in Africa, the intersectional challenges it poses to women in the workplace, and the role of the feminist movement in Africa to hold perpetrators accountable and give voice to survivors of sexual harassment. The book forms part of a broader African-driven research initiative on sexual harassment and the law and is written in partnership with the Africa End Sexual Harassment Initiative (AESHI). It also explores the need to focus on best-practice benchmarks for Africa and also learning from developments in Africa. Timely and relevant, the book will be of great interest to legal and policy academic scholars, professionals, and activists working in the fields of gender policy, forensic psychology, and NGOs. It will also be useful reading for postgraduate students of law, gender studies, political science, and African studies.

intimate memoirs download: *Applied Theatre and Sexual Health Communication* Katharine E. Low, 2020-11-05 This book analyses the partnership between applied theatre and sexual health communication in a theatre-making project in Nyanga, a township in South Africa. By examining the bridges and schisms between the two fields as they come together in the project, an alternative way of approaching sexual health communication is advocated. This alternative considers what it is that applied theatre does, and could become, in this context. Moments of value which lie around the margins of the practice emerge as opportunities that can be overlooked. These somewhat ephemeral, intangible moments, which appear on the edges, are described as 'apertures of possibility' and occur when one takes a step back and realises something unnoticed in the moment. This book offers an invitation to pause and notice the seemingly insignificant moments that often occurs tangentially to the practice. The book also calls for more outcry about sexual health and sexual violence, arguing for theatre-making as a route to multitudes of voices, nuanced understandings, and diverse spaces in which discussions of sexuality and sexual health are shared, felt, and experienced.
