A few years ago, Erica Heller realized how universal the longing is for one more moment with a lost loved one. It could be a parent, a sibling, a mentor, or a friend, but who wouldn’t love the opportunity to sit down, break bread, and just talk? Who wouldn’t jump at the chance to ask those unasked questions, or share those unvoiced feelings? In *One Last Lunch*, Heller has asked friends and family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. And Heller herself connects with her father, the renowned author Joseph Heller. lasting love ebook download: The Last Story Arthur Kane, 2024-04-30 THE LAST STORY: The Murder of an Investigative Journalist in Las Vegas is an exclusive deep dive into a chilling true tale of sex, ambition, retribution, and homicide. Jeff German, a veteran Las Vegas Review-Journal investigative reporter, was no stranger to controversy or the danger of his work. For more than four decades, he wrote stories relentlessly confronting the mob, corrupt politicians, and greedy bureaucrats. As a result, he was often threatened—enough that he and his friend and fellow investigative reporter, Arthur Kane, sometimes joked about reporting on these threats if they were ever acted upon. Then, in the spring of 2022, German received a tip about abuses at a little-known county office. His subsequent investigation unearthed a scandalous, sexually incriminating video of a rising politician, Robert Telles. The resulting stories in the Review-Journal ended Telles's political aspirations. Less than six months later, on September 3, German's lifeless body was discovered

outside his home with multiple stab wounds. His dedicated newsroom colleagues, including Kane, vowed to find the killer. In doing so, they exposed the true depths of corruption and malice in Sin City. Meanwhile, the police struggled to identify a suspect until they released a photo of the suspect's vehicle to the media. That tip led them to none other than Robert Telles, who was subsequently arrested. In August 2024, with the national media in attendance at his trial, Telles was convicted of first-degree murder and later sentenced to twenty years in prison. In *THE LAST STORY*, Kane delivers an intense narrative of courage, betrayal, and the unrelenting quest for justice.

lasting love ebook download: The Last Jewish Gangster: The Middle Years David Larson, 2022-08-16 The second installment of this saga of gangland lore follows gregarious gangster, Michael Hardy, further down his twisted criminal path. The Last Jewish Gangster, The Middle Years, starts in 1968 with Hardy sentenced to twelve years in the world's most dangerous prison in Mexico after taking the rap for his mother's counterfeiting scheme, hoping to have finally earned her love and respect. Once he's released from prison, Hardy returns to Brooklyn and tries to go straight, but drifts back into a world of crime. He gets Sammy "the Bull" Gravano to join his crew to pull major heists like kidnapping drug lords for million-dollar ransoms, and robbing cop bag men. To evade the law, he goes to Europe and ends up in Israel where he works on a Kibbutz, touching the hem of his Jewish heritage. Hardy devolves further into a gangster's life when he returns to Brooklyn, running a finger of the Mob's Five-Fingers International Car Theft Ring, participating in a stolen airline ticket scam, and doing fourteen hits for the Mob, still hoping his mother will take notice. When she gets busted for the car theft ring, she turns him in to reduce her time. Crushed by his mother's callous self-interest, Hardy ends up cutting a deal with Rudy Giuliani to nab a dirty cop to reduce his time and negotiate his place in the witness protection program. Relocating to LA under an alias, it doesn't take long for Hardy to land a gig as muscle for a Hollywood studio and meet his future wife, a sex worker who stole from his mother. The lines between love and revenge begin to blur.

lasting love ebook download: The Last Jewish Gangster: The Early Years David Larson, 2022-05-10 "A captivating and different kind of story" about the life of Bugsy Siegel's godson, from

the author “who captured his voice” (Nick Pileggi, author/screenwriter of *Goodfellas* and *Casino*). In 1944 Brooklyn, newborn Michael J. Hardy is rejected by his mother so she can run with gangster Bugsy Siegel, Hardy’s godfather. Shirley Rook rose to the top of the criminal ranks. As the Queen of New York City crime, she laundered Mob money, ran the city’s largest bookmaking operation, and handed payouts to dirty cops, politicians, and judges. To win his mother’s love and respect, Hardy became a fearless gangster. Throughout his career as a mercenary, he robbed banks and drug dealers alike, ran a kidnapping ring, and even became a hired gun. At his lowest, he ended up doing time for his mother’s counterfeiting operation in Mexico’s most dangerous prison. Hardy’s criminal code of conduct combines elements of tough Ukrainian Jew and warm Southern Baptist, whether dealing with family and friends or fellow inmates during a combined twenty-six years spent in prisons and jails. He maintained this characteristic gregarious strength throughout his astonishing life in which Hardy was shot eleven times, committed fourteen hits for the Mob, twice wore wires for Rudy Giuliani to nab dirty cops, wrote a letter to JFK to get out of military prison, choked the Hillside Strangler, shared prison time with notorious criminals, and even spent ten years in Hollywood, cast in non-speaking roles in B-movies. “A fascinating character study of an unapologetic criminal. David S. Larson masterfully weaves this tale in Michael Hardy’s own words, resulting in a powerful, inside story of a gangster’s life.” —Cathy Scott, Los Angeles Times-bestselling author

lasting love ebook download: The Last Man Standing Alan R. Warren, 2018-11-13 A "riveting account of guilt versus innocence" from the bestselling author and host of the true crime radio show House of Mystery (Aphrodite Jones, New York Times bestselling author). It was a shattering death bed confession by a heartbroken mother. But would it solve the oldest cold case murder case in American jurisprudence? In January 1994, Eileen Tessier told Jack McCullough's half-sister Janet Tessier that he, her son, kidnapped 7-year-old Maria Ridulph from their neighborhood in Sycamore, Illinois, and killed her in December 1957. It was a case that tore the child's family apart, as well as dividing and terrifying the town as the days, then the months, and finally the years passed with no arrest. In 2008 the Illinois State police reopened the case against Jack after receiving an email from Janet Tessier about their mother's deathbed confession. After the Illinois State police interviewed Janet and learned that Jack had also been accused of raping their other sister, Jeanne Tessier, they reopened the case. But would reopening the case solve the question of who killed Maria Ridulph? And was McCullough the killer? In *The Last Man Standing*, true crime author Alan Warren writes in exacting detail about the kidnapping, murder and subsequent investigations—both in 1957 and 2008—that eventually led to the murder conviction of Jack McCullough. But the story doesn't stop there as it delves into the years McCullough spent in prison and the efforts to have his conviction overturned. Was McCullough the brutal killer of a little girl? Or was he the last man standing when the justice system decided he needed to pay for the crime? You decide.
