lois lowry books free: Defending Frequently Challenged Young Adult Books Pat R. Scales, 2016-09-08 A Day No Pigs Would Die, Speak, Thirteen Reasons Why These are some of the most beloved, and most challenged, books. Leaving controversial titles such as these out of your collection or limiting their access is not the answer to challenges. While ALA's Office for Intellectual Freedom reports more than 4,500 challenges to young adult literature from 2000 through 2009. This authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers. With a profile of each book that includes its plot and characters, related materials and published reviews, awards and prizes, and Web and audiovisual resources, you will be prepared to answer even the toughest attacks.

lois lowry books free: Quicklet on Lois Lowry's Number the Stars (CliffNotes-like Book Notes) David Hauslein, 2012-04-28 ABOUT THE BOOK Number the Stars is author Lois Lowry's fictional account of actual historic events that took place in Denmark during World War II. The book follows two families, the Johansens and the Rosens, as they struggle for survival against the oppressive and invasive Nazi occupation. When it is discovered that the Nazis plan to relocate all of Copenhagen's Jewish population, the Johansens realize they must do everything they can to help their Jewish neighbors, the Rosens. The story is told through the perspective of the Johansens' eldest daughter, Annemarie. As the story progresses, Annemarie grows up fast, learning to be brave in the face of certain danger and realizing the importance of doing the right thing, even when circumstances are difficult. MEET THE AUTHOR David Hauslein is a screenwriter who occasionally produces short prose and non-fiction works. His most recent screenplay, Buck Run, was selected as one of the Top 40 finalists in the Final Draft Big Break Screenplay Competition. He is currently at work on a number of projects, including a feature length collaboration with award winning writer/director

Matthew Garrett (Morris County, Beating Hearts). David is available for freelance writing assignments. For work samples and additional information please visit www.davidhauslein.com

EXCERPT FROM THE BOOK The character of Annemarie is a ten-year old girl thrust into the world of serious adult problems and life or death consequences. Though she is still a child, she finds her responsibilities multiply as the story reaches its climax. Annemarie is often shown parallel to her younger sister Kirsti, a precocious little girl who is oblivious to the troubles of the world. Annemarie cannot relate to her sister. Since the death of her elder sister Lise, Annemarie's relationship with her former brother-in-law Peter Neilsen has changed as well. He used to be jocular and relatable. Now, in the midst of war, he is serious and driven. She can no longer relate to him either, leaving her stranded between childhood and adulthood. At various points in the story adults require her to be brave and act mature, but refuse to tell her everything she wants to know, because she is still a child.

lois lowry books free: The Magic of Memoir Brooke Warner, Linda Joy Myers, 2025-07-30 The Magic of Memoir is a memoirist's companion for when the going gets tough. Editors Linda Joy Myers and Brooke Warner have taught and coached hundreds of memoirists to the completion of their memoirs, and they know that the journey is fraught with belittling messages from both the inner critic and naysayers, voices that make it hard to stay on course with the writing and completion of a book. In The Magic of Memoir, 38 writers share their hard-won wisdom, stories, and writing tips. Included are Myers's and Warner's interviews with best-selling and widely renown memoirists Mary Karr, Elizabeth Gilbert, Dr. Azar Nafisi, Dani Shapiro, Margo Jefferson, Raquel Cepeda, Jessica Valenti, Daisy Hernández, Mark Matousek, and Sue William Silverman. This collection has something for anyone who's on the journey or about to embark on it. If you're looking for inspiration, The Magic of Memoir will be a valuable companion. Contributors include: Jill Kandel, Eanlai Cronin, Peter Gibb, Lynette Charity, Lynette Charity, Roseann M. Bozzone, Carol E. Anderson, Bella Mahaya Carter, Krishan Bedi, Sarah Conover, Leza Lowitz, Nadine Kenney Johnstone, Lynette Benton, Kelly Kittel, Robert W. Finertie, Rita M. Gardner, Robert Hammond, Marina Aris, LaDonna Harrison, Jill Smolowe, Alison Dale, Vanya Erickson, Sonvy Sammons, Laurie Prim, Ashley Espinoza, Jing Li, Nancy Chadwick-Burke, Dhana Musil, Crystal-Lee Quibell, Apryl Schwab, Irene Sardanis, Jude Walsh, Fran Simone, Rosalyn Kaplus, Rosie Sorenson, Rosie Sorenson, Jerry Waxler, and Ruthie Stender.

lois lowry books free: Freewriting with Purpose Karen Filewych, 2019-02-04 In freewriting, we write continuously: we begin with a prompt and keep our pen or pencil moving throughout the entire duration. We do not stop to question or censor ourselves; we do not concern ourselves with spelling, punctuation, capitalization, or grammar; we do not allow critical thoughts. This practical book shows teachers how to use freewriting to help kids write well and more, regardless of grade level, subject, or time of day or year. It is a simple process to implement, and yet makes a significant difference in teacher attitudes, student confidence, and, ultimately, student writing abilities.

lois lowry books free: Controversial Books in K-12 Classrooms and Libraries Randy Bobbitt, 2019-10-04 Controversial Books in K-12 Classrooms and Libraries: Challenged, Censored, and Banned analyzes the history of controversy surrounding assigned reading in K-12 classrooms and books available in school libraries. Randy Bobbitt outlines the history of book banning and controversy in the United States, stemming from 1950s conservative Cold War values of patriotism and respect for authority and ramping up through the 1960s and onward as media coverage and parental intervention into the inner workings of schools increased. The author claims that sensitive topics, including sexuality, suicide, and drug use, do not automatically imply the glorification of deviant behavior, but can be used constructively to educate students about the reality of life. Bobbitt argues that in an effort to shield children from the dangers of controversial issues, parents and administrators are depriving them of the ability to discover and debate values that are inconsistent with their own and those around them, teaching instead that avoidance of different viewpoints is the

solution. Scholars of education, communication, literature, and policy will find this book especially useful.

lois lowry books free: Banned Books for Kids American Library Association (ALA), 2023-09-18 From the American Library Association comes an expansive guide to teaching banned books to children at home or in the classroom, with a forward by renowned children's author Judy Blume. Books matter. In our polarized environment, the censorship and outright banning of children's books remains a major concern for libraries. The American Library Association, an intellectual freedom champion, has created this illuminating and expansive guide for book lovers who hope to teach children the importance of banned literature. With a focus on modern books that have been banned, along with classic literature that continues to be under attack for political or religious reasons, Teaching Banned Books to Kids will educate adults and children about the importance of books. With useful tools and techniques, caregivers and educators will find the best ways to talk about banned books to children.

lois lowry books free: Freewater - Literature Kit Gr. 5-6 Vaani Sai, 2024-08-13 Experience what it's like to go on the run for your freedom and well-being. Students will become immediately engaged with this resource due to the fun and educational activities. Explain the reason behind the appearance of the "tree people". Dissect key characters from the story to learn the meanings behind their actions. Determine why it is ironic that Sanzi set the cornfields on fire. Explore Sanzi's initial reaction to the Southerland Plantation. Complete a timeline showing the historical events related to the resistance and triumph over slavery. Create a character cube to understand their motivations. Aligned to your State Standards and written to Bloom's Taxonomy, our worksheets incorporate a variety of scaffolding strategies along with additional crossword, word search, comprehension quiz and answer key. About the Novel: Freewater follows the journey of a young boy and girl as they find refuge with a hidden society of escaped slaves living in the swamp. Homer and his younger sister Ada have escaped the Southerland Plantation. Now they are alone and lost in the swamp. Ada wants to wait for their mother, who also escaped with them. Homer feels guilty as he's the reason their mother went back to find his friend. Now they don't know where their mother is, and the overseer from the Plantation is looking for them. Found by a man named Suleman, the two siblings escape the reaches of the overseer and venture further into the thick swamp. Eventually, Suleman lead the pair to Freewater—an established community of escaped slaves. Here, Homer and Ada experience a life of freedom and kinship. However, Homer can't shake his guilt over losing their mother, and determines to make a plan to go back to Southerland to rescue her.

Enriched with dozens of color illustrations and the voices of authors and illustrators themselves, it is a cornucopia of delight. 23 color, 153 b&w illustrations.

lois lowry books free: *Keywords for Children's Literature* Philip Nel, Lissa Paul, 2011-06-13 The study of children's literature and culture has been experiencing a renaissance, with vital new work proliferating across many areas of interest. Mapping this vibrant scholarship, *Keywords for Children's Literature* presents 49 original essays on the essential terms and concepts of the field. From Aesthetics to Young Adult, an impressive, multidisciplinary cast of scholars explores the vocabulary central to the study of children's literature. Following the growth of his or her word, each author traces its branching uses and meanings, often into unfamiliar disciplinary territories: Award-winning novelist Philip Pullman writes about Intentionality, Education expert Margaret Meek Spencer addresses Reading, literary scholar Peter Hunt historicizes Children's Literature, Psychologist Hugh Crago examines Story, librarian and founder of the influential Child_Lit listserv Michael Joseph investigates Liminality. The scope, clarity, and interdisciplinary play between concepts make this collection essential reading for all scholars in the field. In the spirit of Raymond Williams' seminal *Keywords*, this book is a snapshot of a vocabulary of children's literature that is changing, expanding, and ever unfinished.
