## Overview of Mary Gaitskill's Literary Career

Mary Gaitskill is a celebrated American author whose works have been praised for their bold portrayal of sexuality, power dynamics, and emotional vulnerability. Emerging onto the literary scene in the late 1980s, Gaitskill quickly established herself with her debut short story collection. Over the decades, she has published several novels and collections that challenge societal norms and delve into the complexities of human relationships. Her distinct narrative voice and willingness to tackle taboo subjects have earned her a devoted readership and critical acclaim. Gaitskill's books are often characterized by their psychological depth, rich character development, and evocative prose, making her a significant figure in modern literature.

# Major Novels by Mary Gaitskill

## Veronica (2005)

One of the most acclaimed Mary Gaitskill books is "Veronica," a finalist for the National Book Award. The novel intertwines the stories of Alison, a former model, and Veronica, an older woman living with HIV. Through shifting timelines and perspectives, Gaitskill explores themes of beauty, illness, friendship, and alienation. The narrative is marked by its lyrical style and psychological realism, depicting the fleeting nature of youth and the enduring impact of meaningful relationships. "Veronica" stands out as a powerful meditation on the complexities of compassion and the consequences of choices.

## The Mare (2015)

Another notable entry among Mary Gaitskill books is "The Mare." This novel examines the relationship between Velvet, an inner-city Dominican girl, and Ginger, a middle-aged white woman who welcomes Velvet into her upstate New York home through a charitable program. The story unfolds as Velvet connects with a spirited horse named Fugly Girl, with Gaitskill deftly exploring issues of race, class, and familial bonds. "The Mare" is praised for its nuanced characterizations and empathetic depiction of cross-cultural understanding, solidifying Gaitskill's reputation for tackling challenging subjects.

## Two Girls, Fat and Thin (1991)

"Two Girls, Fat and Thin" is Mary Gaitskill's debut novel, delving into the lives of Dorothy and Justine, two young women marked by trauma and searching for meaning. The book examines the influence of a charismatic leader and the complexities of female friendship and identity. Gaitskill's exploration of psychological wounds and her unsentimental prose make this novel a compelling study of loneliness and resilience. It remains a foundational work in her bibliography for its candid treatment of pain and longing.

- Veronica (2005): National Book Award Finalist
- The Mare (2015): Explores race, class, and identity
- Two Girls, Fat and Thin (1991): Debut novel focused on trauma and self-discovery

# **Short Story Collections**

## **Bad Behavior (1988)**

"Bad Behavior" launched Mary Gaitskill's literary career and is frequently cited as one of her most influential works. This collection exposes the darker facets of human relationships, featuring stories about desire, alienation, and power. The opening story, "Secretary," inspired the acclaimed film of the same name and exemplifies Gaitskill's ability to probe taboo subjects with sensitivity and insight. "Bad Behavior" is celebrated for its raw honesty, intricate character studies, and incisive commentary on urban life.

## **Because They Wanted To (1997)**

In "Because They Wanted To," Gaitskill continues to explore themes of longing, disconnection, and vulnerability. The stories in this collection address the struggles of individuals navigating difficult circumstances, from failed relationships to existential crises. Gaitskill's precise prose and psychological acuity create an atmosphere of emotional intensity, making this book a must-read for fans of short fiction.

## **Don't Cry (2009)**

"Don't Cry" offers a diverse array of narratives, some of which shift away from the familiar urban settings of her earlier work. The stories touch on grief, love, and the complexities of human connection in a rapidly changing world. Gaitskill's empathetic storytelling and ability to capture the subtleties of interpersonal dynamics are on full display, further cementing her place among the best contemporary short story writers.

# **Themes and Style in Mary Gaitskill's Writing**

## **Exploration of Power and Vulnerability**

A hallmark of Mary Gaitskill's books is their deep exploration of power dynamics and vulnerability. Her stories often center on characters who

grapple with emotional wounds, societal pressures, and the effects of trauma. Through unflinching portrayals of sexuality, domination, submission, and agency, Gaitskill examines the complex interplay between control and compassion.

## **Psychological Realism and Character Development**

Gaitskill's writing is celebrated for its psychological realism. She crafts multi-layered characters whose motivations and inner conflicts drive the narrative. Her ability to delve into the psyche of her protagonists results in authentic, emotionally resonant portrayals of struggle and growth.

## **Distinctive Prose Style**

Mary Gaitskill's prose is notable for its clarity, directness, and poetic undertones. She employs vivid imagery and a restrained tone to convey intense emotions without sentimentality. Her writing style enhances the impact of her themes, drawing readers into the intimate worlds of her characters.

## **Critical Reception and Influence**

From the outset, Mary Gaitskill's books have garnered significant critical attention. "Bad Behavior" is often recognized as a groundbreaking work in American short fiction, while "Veronica" received numerous accolades and was shortlisted for major literary awards. Critics praise Gaitskill for her willingness to confront uncomfortable truths and her skillful rendering of complex emotional states. Her influence is evident in the work of younger writers who cite her as an inspiration for their own explorations of taboo subjects and psychological depth. Gaitskill's books are considered essential reading for those interested in contemporary literature that pushes boundaries and challenges norms.

## **Recommended Reading Order for Mary Gaitskill Books**

For readers new to Mary Gaitskill's books, selecting an entry point can be daunting due to the challenging subject matter and intricate narratives. Many literary experts recommend beginning with "Bad Behavior" to experience her signature short story style and thematic range. "Veronica" is an excellent next step for those interested in her novels, followed by "The Mare" for a different perspective on identity and relationships. Exploring her later

short story collections, such as "Because They Wanted To" and "Don't Cry," provides a fuller understanding of her evolving voice and literary concerns.

1. Start with "Bad Behavior" (1988)
2. Read "Veronica" (2005) for novel-length narrative
3. Continue with "The Mare" (2015)
4. Explore additional collections: "Because They Wanted To" and "Don't Cry"
5. Consider "Two Girls, Fat and Thin" for her debut novel experience

## **Conclusion**

Mary Gaitskill's books offer a unique and challenging journey through the intricacies of human relationships, vulnerability, and resilience. Her fearless approach to controversial topics, combined with a masterful command of language and psychological insight, has earned her a lasting place in modern literature. Whether you are drawn to her short stories or novels, Mary Gaitskill books provide readers with thought-provoking narratives and memorable characters that linger long after the final page.

### **Q: What are the most popular Mary Gaitskill books?**

A: The most popular Mary Gaitskill books include "Bad Behavior," "Veronica," "The Mare," "Two Girls, Fat and Thin," and "Because They Wanted To." These works are widely regarded for their emotional depth and exploration of challenging themes.

### **Q: What themes are commonly found in Mary Gaitskill books?**

A: Common themes in Mary Gaitskill books are power dynamics, vulnerability, sexuality, trauma, alienation, and the complexities of human relationships.

### **Q: Which Mary Gaitskill book inspired the film "Secretary"?**

A: The short story "Secretary" from the collection "Bad Behavior" inspired the film "Secretary," starring Maggie Gyllenhaal and James Spader.

**Q: Is "Veronica" by Mary Gaitskill a good place to start for new readers?**

A: Yes, "Veronica" is recommended for new readers who want to experience Gaitskill's emotionally rich narrative style and her exploration of deep personal and societal issues.

**Q: How does Mary Gaitskill's writing style stand out?**

A: Her style is characterized by psychological realism, direct yet poetic prose, and a fearless approach to sensitive subjects, making her books compelling and unique.

**Q: What is the recommended reading order for Mary Gaitskill books?**

A: Many experts suggest starting with "Bad Behavior," followed by "Veronica," "The Mare," and then exploring her other collections and novels for a comprehensive understanding of her work.

**Q: Are Mary Gaitskill books suitable for all readers?**

A: Due to their explicit content and intense themes, Mary Gaitskill's books are best suited for mature readers who appreciate literary fiction that confronts difficult topics.

**Q: Has Mary Gaitskill won major literary awards?**

A: While she has been nominated for major awards such as the National Book Award for "Veronica," she has not won all the highest-profile prizes but continues to be highly esteemed by critics and readers.

**Q: What makes Mary Gaitskill an influential contemporary author?**

A: Her willingness to explore taboo subjects, psychological depth, and innovative narrative techniques have influenced a generation of writers and helped redefine modern American fiction.

## Q: Which short story collections by Mary Gaitskill are most significant?

A: "Bad Behavior," "Because They Wanted To," and "Don't Cry" are considered her most significant short story collections, showcasing her range and mastery of the form.

**mary gaitskill books: Bad Behavior** Mary Gaitskill, 2019-05-02 Mary Gaitskill's tales of desire and dislocation in 1980s New York caused a sensation with their frank, caustic portrayals of men and women's inner lives. As her characters have sex, try and fail to connect, play power games and inflict myriad cruelties on each other, she skewers urban life with precision and candour. 'Stubbornly original, with a sort of rhythm and fine moments that flatten you out when you don't expect it, these stories are a pleasure to read' Alice Munro 'An air of Pinteresque menace hangs over these people's social exchanges like black funereal bunting ... Gaitskill writes with such authority, such radar-perfect detail' Michiko Kakutani, The New York Times

**mary gaitskill books: Because They Wanted To** Mary Gaitskill, 2012-03-13 A collection of startling and breathtaking stories about people struggling with the disparity between what they want and what they know. A New York Times Notable Book A man tells a story to a woman sitting beside him on a plane, little suspecting what it reveals about his capacity for cruelty and contempt. A callow runaway girl is stranded in a strange city with another woman's fractiously needy children. An uncomprehending father helplessly lashes out at the daughter he both loves and resents. In these raw, startling, and incandescently lovely stories, the author of Veronica yields twelve indelible portraits of people struggling with the disparity between what they want and what they know. Because They Wanted To is further evidence that Gaitskill is one of the fiercest, funniest, and most subversively compassionate writers at work today.

**mary gaitskill books: Veronica** Mary Gaitskill, 2016-12-08 Alison and Veronica meet amid the nocturnal glamour of 1980s New York: one is a former modelling sensation, stumbling away from the wreck of her career, the other an eccentric middle-aged proofreader with a meticulous eye. Over the next twenty years their friendship will encompass narcissism and tenderness, exploitation and self-sacrifice, love and mortality. Moving seamlessly between the glamorous and gritty '80s, when beauty and style gave licence to excess, and the broken world of the decade's survivors twenty years later, Gaitskill casts a fierce yet compassionate eye on the two eras and their fixations. Veronica masterfully evokes the fragility and mystery of human relationships in a world where love is rife with frightening artificiality. Evocative, raw and entirely unique, Veronica was shortlisted for the prestigious 2005 National Book Award in the USA.

**mary gaitskill books: The Devil's Treasure** Mary Gaitskill, 2023-08-15 In this searching biography of the writer's imagination, Mary Gaitskill excavates her own novels, revealing their origins and obsessions, the personal and societal pressures that formed them, and the life story hidden between their pages. Using the techniques of collage, The Devil's Treasure splices fiction

together with commentary and personal history, and with the fairy tale that gives the book its title, about a little girl who ventures into Hell through a suburban trapdoor. -- Publisher's website.

**mary gaitskill books: This is Pleasure** Mary Gaitskill, 2019-11-07 'Gets deep under your skin ... Gaitskill is uniquely attuned to the moment.' Sunday Times 'Gaitskill achieves a superb feat. She distils the suffering, anger, reactivity, danger and social recalibration of the #MeToo movement into an extremely potent, intelligent and nuanced account.' Sarah Hall, Guardian 'I don't know why I behaved the way I did, and I kept doing it; he kept doing it. And though I might once have easily brushed it away, suddenly I could not. Nor could I confront him. The conversation moved too quickly.' This is Pleasure is an extraordinary work by one of the world's finest writers, and achieves more in 15,000 words than most full-length novels. Following the unravelling of the life of a male publisher undone by allegations of sexual impropriety and harassment, and the female friend who tries to understand, and explain, his actions, it looks unflinchingly at our present moment and rejects moral certainties to show us that there are many sides to every story. Mary Gaitskill has spent her whole career mining the complexity of human relationships on both an individual and societal scale with wisdom and grace. Here her insights are more piercing and timely than ever.

**mary gaitskill books: Today I'm Yours** Mary Gaitskill, 2015-05-24 A Vintage Shorts "Short Story Month" Selection It was the first autumn of the Iraq War, when Ella saw Dani again. "Today I'm Yours" is a story of seduction and layered memory, a love affair fifteen years past but not forgotten—from the author of the National Book Award nominated and National Book Critics Circle Award finalist *Veronica*. Mary Gaitskill is widely acclaimed as a caustically sharp observer of American culture high and low, of bodily temptations and sensual intelligence. A selection from Gaitskill's story collection, *Don't Cry*, a New York Times Notable Book. An eBook short.

**mary gaitskill books: Don't Cry** Mary Gaitskill, 2009-03-24 Mary Gaitskill returns with a luminous new collection of stories—her first in more than ten years. In "College Town 1980," young people adrift in Ann Arbor debate the meaning of personal strength at the start of the Reagan era; in the urban fairy tale "Mirrorball," a young man steals a girl's soul during a one-night stand; in "The Little Boy," a woman haunted by the death of her former husband is finally able to grieve through a mysterious encounter with a needy child. Each story delivers the powerful, original language, and the dramatic engagement of the intelligent mind with the craving body—or of the intelligent body with the craving mind—that has come to be seen as stunningly emblematic of Gaitskill's fiction.

**mary gaitskill books: The Mare** Mary Gaitskill, 2015-11-03 Following her National Book Award-nominated *Veronica*, here is Mary Gaitskill's most poignant and powerful work yet—the story of a Dominican girl, the Anglo woman who introduces her to riding, and the horse who changes everything for her. Velvet Vargis is eleven years old, a Fresh Air Fund kid from Brooklyn. Her host family is a couple in upstate New York: Ginger, a failed artist and shakily recovered alcoholic, and her academic husband, Paul, who wonder what it will mean to "make a difference" in such a contrived situation. Gaitskill illuminates their shifting relationship with Velvet over several years, as well as Velvet's encounter with the horses at the stable down the road—especially with an abused, unruly mare called Fugly Girl. With strong supporting characters—Velvet's abusive mother, an eccentric horse trainer, a charismatic older boy who awakens Velvet's nascent passion—*The Mare* traces Velvet's journey between the vital, violent world of the inner city and the world of the small-town stable. In Gaitskill's hands, the timeless story of a girl and a horse is joined with a timely story of people from different races and classes trying to meet one another honestly. *The Mare* is raw, heart-stirring, and original.

**mary gaitskill books: Two Girls, Fat and Thin** Mary Gaitskill, 1998-02-27 Justine Shade, slim and trendy, and Dorothy, lower-class and obese, become curiously drawn to each other as their relationship reveals both the cruelty and beauty that lies beneath the surface of modern life.

**mary gaitskill books: Secretary** Mary Gaitskill, 2025-04-17 A writer engulfed by a new obsession, an occasional sex-worker, a runaway, a teenager entering the workplace: these four tales of desire and dislocation explore the rough edges of relationships and the inner lives of women negotiating their precarious place in the world. In these coolly compelling and quietly devastating

stories, Gaitskill evokes with razor-sharp precision the pleasure, pain, fear and longing that haunt modern life.

**mary gaitskill books: *Liberalism and American Literature in the Clinton Era*** Ryan M. Brooks, 2022-06-30 *Liberalism and American Literature in the Clinton Era* argues that a new, post-postmodern aesthetic emerges in the 1990s as a group of American writers – including Mary Gaitskill, George Saunders, Richard Powers, Karen Tei Yamashita, and others – grapples with the political triumph of free-market ideology. The book shows how these writers resist the anti-social qualities of this frantic right-wing shift while still performing its essential gesture, the personalization of otherwise irreducible social antagonisms. Thus, we see these writers reinvent political struggles as differences in values and emotions, in fictions that explore non-antagonistic social forms like families, communities and networks. Situating these formally innovative fictions in the context of the controversies that have defined this rightward shift – including debates over free trade, welfare reform, and family values – Brooks details how American writers and politicians have reinvented liberalism for the age of pro-capitalist consensus.

**mary gaitskill books: *Twentieth-Century and Contemporary American Literature in Context*** Linda De Roche, 2021-06-04 This four-volume reference work surveys American literature from the early 20th century to the present day, featuring a diverse range of American works and authors and an expansive selection of primary source materials. Bringing useful and engaging material into the classroom, this four-volume set covers more than a century of American literary history—from 1900 to the present. *Twentieth-Century and Contemporary American Literature in Context* profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical, cultural, and political contexts that have shaped American writing. *Twentieth-Century and Contemporary American Literature in Context* provides wide coverage of authors, works, genres, and movements that are emblematic of the diversity of modern America. Not only are major literary movements represented, such as the Beats, but this work also highlights the emergence and development of modern Native American literature, African American literature, and other representative groups that showcase the diversity of American letters. A rich selection of primary documents and background material provides indispensable information for student research.

**mary gaitskill books: *Oppositions*** Mary Gaitskill, 2021-11-11 'Mary Gaitskill is willing to think about the problematic with complexity and humanity, and without taking sides or engaging in all the fashionable moral hectoring that passes for serious thought these days.' Eimear McBride Nuanced, daring and tender, these essays from the celebrated author of *This is Pleasure and Bad Behavior*, consistently fascinate and provoke. Mary Gaitskill takes on a broad range of topics from Nabokov to horse-riding with her unique ability to tease out unexpected truths and cast aside received wisdom. Written with startling grace and linguistic flair, and delving into the complicated nature of love and the responsibility we owe to the people we encounter, the work collected here inspires the reader to think beyond their first responses to life and art. Spanning thirty years of Mary Gaitskill's writing, and covering subjects as diverse as *Dancer in the Dark*, the world of Charles Dickens and the Book of Revelation with her characteristic blend of sincerity and wit, *Oppositions* is never less than enthralling.

**mary gaitskill books: *The Mare*** Mary Gaitskill, 2017-04-20 Ginger is in her forties and a recovering alcoholic when she meets and marries Paul. When it becomes clear it's too late for her to have a baby of her own, she tries to persuade him to consider adoption, but he already has a child from a previous marriage and is ten years older than her, so doesn't share her longing to be a parent at any cost. As a compromise, they sign up to an organisation that sends poor inner-city kids to stay with country families for a few weeks in the summer, and so one hot July day eleven year old Velvet Vargus, a Dominican girl from one of Brooklyn's toughest neighbourhoods, arrives in their lives, and Ginger is instantly besotted. Bemused by her gentle middle-aged hosts, but deeply intuitive in the way of clever children, Velvet quickly senses the longing behind Ginger's rapturous attention. While Velvet returns her affection, she finds the intensity of it bewildering. Velvet's own

passions are more excited by the stables nearby, where she discovers she has a natural talent for riding and a deep affinity with the damaged horses cared for there. But when Ginger begins to entertain fantasies of adopting her, things start to get complicated for everyone involved. This is a heartbreakingly honest and profoundly moving portrait of the nearly unbridgeable gaps between people, and the way we long for fairytale endings despite knowing that they don't exist.

**mary gaitskill books: *Bad Behavior*** Mary Gaitskill, 1989

**mary gaitskill books: *The Little Boy*** Mary Gaitskill, 2016-07-21 From the award-winning, bestselling author of *THE MARE* As Mrs Bea Davis waits in the airport for her flight home after a strained visit to her daughter, she notices a bashful-looking little boy and his harried mother. Something about them prompts memories from across her life to flood her mind and overflow, and as she reflects on her childhood, her marriage, and the speed with which her two girls grew up, the lines between past and present blur. Riveting, strange and beautifully told, this finest of Mary Gaitskill's short stories takes a mundane moment and spins it out into an unforgettable account of the emotional truth of a woman's whole life.

**mary gaitskill books: *Books and Beyond*** Kenneth Womack, 2008-10-30 There's a strong interest in reading for pleasure or self-improvement in America, as shown by the popularity of Harry Potter, and book clubs, including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature, including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories, such as cyberpunk, fantasy literature, flash fiction, LGBTQ literature, graphic novels, manga and anime, and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Reading in America for pleasure and knowledge continues to be popular, even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres, such as cyberpunk, zines, flash fiction, LGBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.

**mary gaitskill books: *The Top Ten: Writers Pick Their Favorite Books*** J. Peder Zane, 2010-06-21 What if you asked 125 top writers to pick their favorite books? Which titles would come out on top? You'll find the answer in *The Top Ten: Writers Pick Their Favorite Books*: the ultimate guide to the world's greatest books. As writers such as Norman Mailer, Annie Proulx, Stephen King, Jonathan Franzen, Claire Messud, Margaret Drabble, Michael Chabon and Peter Carey name the ten books that have meant the most to them, you'll be reminded of books you have always loved and introduced to works awaiting your discovery.
