malayalam stories: *Shakespeare and Indian Cinemas* Poonam Trivedi, Paromita Chakravarti, 2018-08-06 This book is the first to explore the rich archive of Shakespeare in Indian cinemas, including less familiar, Indian language cinemas to contribute to the assessment of the expanding repertoire of Shakespeare films worldwide. Essays cover mainstream and regional Indian cinemas such as the better known Tamil and Kannada, as well as the less familiar regions of the

North Eastern states. The volume visits diverse filmic genres, starting from the earliest silent cinema, to diasporic films made for global audiences, television films, independent films, and documentaries, thus expanding the very notion of 'Indian cinema' while also looking at the different modalities of deploying Shakespeare specific to these genres. Shakespeareans and film scholars provide an alternative history of the development of Indian cinemas through its negotiations with Shakespeare focusing on the inter-textualities between Shakespearean theatre, regional cinema, performative traditions, and literary histories in India. The purpose is not to catalog examples of Shakespearean influence but to analyze the interplay of the aesthetic, historical, socio-political, and theoretical contexts in which Indian language films have turned to Shakespeare and to what purpose. The discussion extends from the content of the plays to the modes of their cinematic and intermedial translations. It thus tracks the intra-Indian flows and cross-currents between the various film industries, and intervenes in the politics of multiculturalism and inter/intraculturalism built up around Shakespearean appropriations. Contributing to current studies in global Shakespeare, this book marks a discursive shift in the way Shakespeare on screen is predominantly theorized, as well as how Indian cinema, particularly 'Shakespeare in Indian cinema' is understood.

malayalam stories: Story of an Era Told Without Ill-will M K K Nayar, 2014-02-24 The author, M K K Nayar's impressionable childhood, schooling and university years began in early 1920s - the most turbulent period of India's independence struggle. Aftergraduating in 1940 and spending two years in Travancore Civil Service, M K K Nayar joined the Ordnance Department of British India in Hyderabad. During this phase of his career, he risked his life more than once to bring nefarious going-ons in the princely state of Hyderabad to the attention of national leaders like Sardar Vallabhai Patel and defuse conspiracies that were jeopardizing India's national interests. In 1948, M K K Nayar joined the IAS and was involved prominently in India's national development - notably in building the Bhilai Steel Plant and fertilizer plants that also seeded several other industries in the Cochin Industrial Belt, and by propagating modern agriculture throughout South India. His friendship and intimacy with national leaders like Pandit Jawaharlal Nehru, illustrious civil servants like V P Menon, industrialists like J R D Tata and innumerable opinion-leaders all over India gave him a ringside view of and insider information on some of the most important and interesting episodes of Indian history until mid 1970s. !Destiny took him to Kerala in 1959 to head India's pioneer fertilizer company, The Fertilisers And Chemicals Travancore Ltd (FACT) which he developed into a multifaceted organization that grew over twenty-fold during the decade of his tenure in it. This period that ended in 1971 also found him raising Kathakali, one of the most stylized forms of mime dance-drama from a destitute existence on the fringes of Kerala's social milieu to the forefront of international recognition. Success in everything he did even outside of his vocation, from resolving political imbroglios to promoting art and literature, took him to the forefront of life in Kerala and the national capital. Jealousies it aroused resulted in court cases being instituted against him on frivolous charges and they took 12 years for him to be fully exonerated. In that time, India lost the services of one of its ablest go-getters during what should have been his peak years. !Between June 1986 until his premature passing away in September 1987, he penned a series of articles about his life and times. It was serialized under the title of Aarodum Paribhavamillathe, Oru Kalaghattathinte Katha in the popular Malayalam weekly, Kala Kaumudi. It was later published as a book which became a big hit with Malayali readers and is printed and published even now. !M K K Nayar emphasizes that this was not an autobiography but an attempt to share without bitterness or ill-will some of his experiences and the joy, pain and terrible sadness they brought him. The renowned historian, author and academician, M G S Narayan says that M K K Nayar's 'memoirs did not get the due recognition it deserved' and acknowledges it as a 'historical chronicle of pre and post independent India'. !The book has been translated into English by Gopakumar M Nair,

who was an executive of FACT during a part of M K K Nayar's tenure there. Though Gopakumar is a popular amateur writer from his college days in IIT Madras, this translation named The Story of an Era, Told Without Ill-will is his first book.
