millie bobby brown news: *Girls, Moral Panic and News Media* Sharon Mazzarella, 2019-11-07 Mazzarella examines the representational politics behind journalistic constructions of US girls and girlhood through a series of contemporary in-depth case studies which work to document a wider cultural moral panic about the troublesome nature of girls' bodies. The public concern and media fascination with youth so evident in the United States today is a century-old phenomenon. From the flappers of the 1920s to the bobbysoxers of the 1950s, from the hippies of the 1960s and on to the ever-present pregnant teens, this fascination has played out in the media and has consistently focused on (primarily White, middle-class, heterosexual) girls. A growing body of research has revealed the manner in which journalistic practice constructs such girls as problems. *Girls, Moral Panic, and News Media* takes a broad look at U.S. news media constructions of girls, girlhoods, and girl's bodies/sexualities through a series of contemporary in-depth case studies including news coverage of the 2008 Gloucester (MA) High School pregnancy pact, teen gun control activist Emma González, and the sexualization of early puberty. In general, the news media constructs girls' bodies as troublesome and in need of adult surveillance and policing. These case studies document a cultural obsession with girls' bodies—an obsession that often approaches moral panic. This book will be key reading for researchers and instructors in the rapidly growing international and interdisciplinary field of Girls' Studies, and scholars of Media Studies, Cultural Studies, Gender Studies, Communication and Journalism.

millie bobby brown news: Social Media, Technology, and New Generations Mary Z. Ashlock, Ahmet Atay, 2022-06-22 This book builds on existing conversations surrounding millennials and media use by examining Generation Z's engagement with new media technologies and comparing it to that of millennials. Ahmet Atay and Mary Z. Ashlock have assembled this edited volume in which contributors focus on three interrelated areas: how millennials and Gen Z use new media technologies and platforms in different contexts; how they use media and what they do with it; and the relationship between the two generations and the media as media outlets attempt to use millennials and Gen Z as their targeted audience group. Through close analysis and comparison, this volume generates a richer discussion about the cultures of millennials and Gen Z and their complex relationship with media texts and platforms. Scholars of media studies, technology studies, communication, and sociology will find this book particularly useful.

millie bobby brown news: Big Brands Are Watching You Francesca Sobande, 2024-01-10 How is morality understood in the marketplace? Why do brands speak out about certain issues of injustice and not others? And what is influencer culture's role in social and political activism? *Big Brands Are Watching You* investigates corporate culture, from the branding of companies and nations to television portrayals of big business and the workplace. Francesca Sobande analyzes media, interviews, survey responses, and ephemera from the history of advertising as well as exhibitions in London, brand stores in Amsterdam, a music festival in Las Vegas, and archives in Washington, DC, to illuminate the world of branding.

millie bobby brown news: Millennial Jewish Stars Jonathan Branfman, 2024-06-18 Highlights how millennial Jewish stars symbolize national politics in US media Jewish stars have longed faced pressure to downplay Jewish identity for fear of alienating wider audiences. But unexpectedly, since the 2000s, many millennial Jewish stars have won stellar success while spotlighting (rather than muting) Jewish identity. In *Millennial Jewish Stars*, Jonathan Branfman asks: what makes these explicitly Jewish stars so unexpectedly appealing? And what can their surprising success tell us about race, gender, and antisemitism in America? To answer these questions, Branfman offers case studies on six top millennial Jewish stars: the biracial rap superstar Drake, comedic rapper Lil Dicky, TV comedy duo Abbi Jacobson and Ilana Glazer, "man-baby" film star Seth Rogen, and chiseled film star Zac Efron. Branfman argues that despite their differences, each star's success depends on how they navigate racial antisemitism: the historical notion that Jews are physically inferior to Christians. Each star especially navigates racial stigmas about Jewish masculinity—stigmas that depict Jewish men as emasculated, Jewish women as masculinized, and both as sexually perverse. By embracing, deflecting, or satirizing these stigmas, each star comes to symbolize national hopes and fears about all kinds of hot-button issues. For instance, by putting a cuter twist on stereotypes of Jewish emasculation, Seth Rogen plays soft man-babies who dramatize (and then resolve) popular anxieties about modern fatherhood. This knack for channeling national dreams and doubts is what makes each star so unexpectedly marketable. In turn, examining how each star navigates racial antisemitism onscreen makes it easier to pinpoint how antisemitism, white privilege, and color-based racism interact in the real world. Likewise, this insight can aid readers to better notice and challenge racial antisemitism in everyday life.

millie bobby brown news: Ghostwriters Clara MacCarald, 2024-08-05 With about one million new books released each year, writing has become a very popular profession. Novelists, experts in numerous fields, and even celebrities are behind some of the most popular books on the market today. But many of the so-called authors didn't actually write their own books. Ghostwriters step in when a person who wants to write a book lacks the time or the knowledge to get the job done. Part of the *They Do That for a Living?* series, *Ghostwriters* explores this unusual career and some of the most popular ghostwritten books that have made their way onto best sellers lists in recent decades.

millie bobby brown news: The Unofficial Stranger Things A-Z Daniel Bettridge, 2017-09-07 Were you among the estimated 15 million worldwide viewers that immersed themselves in the fictional town of Hawkins, Indiana during the first month of *Stranger Things* being released on Netflix? Or even a subsequent, self-confessed, super-fan? Yes? Well, good news! In anticipation of the second season of *Stranger Things*, premiering on Halloween 2017, Daniel Bettridge provides us with an ultimate fan guide on an A to Z journey from Atari to the Upside Down. So you can brush up on your knowledge and get ready for what's yet to come! Providing an all new insight into one of the world's most popular television programmes, Bettridge explores the show, its many themes and influences and so much more; giving you the inside information from an outsider's perspective. Pop-culture writer, (and *Stranger Things* super-fan) Daniel Bettridge, is the author of *Travel Guide to Westeros* and has written for publications including *The Times*, *the Guardian*, *the Independent* and *Vulture*.

millie bobby brown news: Stranger Things 4 - The Unofficial Companion Jake Carpenter, 2022-04-11 Stranger Things 4 - The Unofficial Companion tells the amazing and fascinating story behind the much delayed and hugely anticipated fourth season of the incredibly popular Netflix show. Read about the casting production, storyline development, locations and more in this book.

millie bobby brown news: By the Time You Read This April Simpkins, Cheslie Kryst, 2024-04-23 A New York Times Bestseller! By the Time You Read This is the story former Miss USA Cheslie Kryst was about to publish before her tragic suicide. Her mother, April, wraps up the narrative by exploring the mental illness and depression that took her daughter's life. The text read, "By the time you get this . . ." This is the story of Cheslie Kryst, a former Miss USA, in her own words. When the world awoke on the morning of January 30, 2022, many were shocked to learn of the tragic death of former Miss USA Cheslie Kryst. For most people, the news was unfathomable. How could a young woman in the prime of her life—a pageant queen, accomplished attorney, Extra correspondent, and tireless advocate for charity organizations—have been lost to the world so suddenly? By the Time You Read This shares the manuscript Cheslie wrote before her passing, her story in her own words—from the highest highs of passing two bar exams, winning Miss USA, and beginning an exciting career as an entertainment journalist to the lowest lows of heartbreak, betrayal, and persistent depression. When Cheslie's mother, April Simpkins, picks up the narrative, she shares for the first time what she experienced in the aftermath of Cheslie's suicide. When faced with such a devastating loss, how does a mother find a way to carry on? Whether you are someone who struggles to maintain your mental health, or you love someone who does, this book will share insight into a reality that impacts thousands of families every year—as well as provide hope for those who are left behind. Net proceeds from the book will be used to support the Cheslie C. Kryst Foundation, which is being founded in Cheslie's honor.

millie bobby brown news: Diss Order: From Diss Tracks to Depositions: Inside the Kendrick & Drake Feud Campaign Justice, 2025-06-21 Diss Order From Diss Tracks to Depositions: Inside the Kendrick and Drake Feud What began as a chart-topping diss track turned into one of the most shocking music lawsuits in recent history. In Diss Order, explore the real story behind Drake's defamation lawsuit against Universal Music Group (UMG), all triggered by Kendrick Lamar's viral hit, "Not Like Us." This book unpacks the legal drama behind the headlines—from court filings and corporate power plays to free speech debates and real-world fallout. Written in a clear, engaging style, Diss Order makes complex legal documents easy to understand. It connects the dots between music, law, culture, and controversy—giving readers an inside look at a case that could change how rap lyrics are judged in court. Inside you'll learn: What Drake's lawsuit says—and why he filed it How Kendrick Lamar's lyrics became the center of a legal firestorm UMG's defense and why legal scholars stepped in to back them How race, reputation, and rap culture are colliding in this case What this could mean for the future of hip-hop and creative freedom Whether you're a music fan, legal drama enthusiast, or follower of pop culture news, this book breaks it all down in a way that's informative, accessible, and impossible to put down. Get your copy today and discover how a diss track turned into hip-hop's most unexpected courtroom showdown.

millie bobby brown news: The Twittering Machine Richard Seymour, 2020-09-22 A brilliant probe into the political and psychological effects of our changing relationship with social media

Former social media executives tell us that the system is an addiction-machine. We are users, waiting for our next hit as we like, comment and share. We write to the machine as individuals, but it responds by aggregating our fantasies, desires and frailties into data, and returning them to us as a commodity experience. The Twittering Machine is an unflinching view into the calamities of digital life: the circus of online trolling, flourishing alt-right subcultures, pervasive corporate surveillance, and the virtual data mines of Facebook and Google where we spend considerable portions of our free time. In this polemical tour de force, Richard Seymour shows how the digital world is changing the ways we speak, write, and think. Through journalism, psychoanalytic reflection and insights from users, developers, security experts and others, Seymour probes the human side of the machine, asking what we're getting out of it, and what we're getting into. Social media held out the promise that we could make our own history-to what extent did we choose the nightmare that it has become?

millie bobby brown news: Summary of By the Time You Read This by April Simpkins and Cheslie Kryst April Simpkins, 2024-04-23 **DISCLAIMER** Please note that this book contains a summary of the original content, which is a condensation of the key ideas and information found in the original book. Therefore, it is recommended to read the original book for a comprehensive and detailed understanding of the topics discussed. This summary is provided for informational purposes only and is not intended to infringe upon the intellectual property rights of the original book. Summary of *By the Time You Read This* by April Simpkins and Cheslie Kryst: *The Space between Cheslie's Smile and Mental Illness—Her Story in Her Own Words* IN THIS SUMMARIZED BOOK, YOU WILL GET: Chapter provides an astute outline of the main contents. Fast & simple understanding of the content analysis. Exceptionally summarized content that you may skip in the original book *By the Time You Read This* is the story of former Miss USA Cheslie Kryst, who tragically committed suicide. The narrative, written by Kryst's mother, April Simpkins, shares her experiences from highs like winning Miss USA and a successful career as an entertainment journalist to lows like heartbreak and depression. The book provides insight into mental health struggles and offers hope for those affected. The proceeds will be used to support the Cheslie C. Kryst Foundation, founded in her honor. The book is a must-read for anyone struggling with mental health.

millie bobby brown news: Disability and Fandom Katherine Anderson Howell, 2025-03-19 *Disability and Fandom* discusses the accessibility and welcome of fan spaces, and it explores how disability functions in fan practices. In a readable, personal style, Katherine Anderson Howell shows the overlaps between disability studies and fan studies, analyzing how fandom operates in physical and digital fan spaces. She argues that it is time for fan studies to let go of the idea of fans in general as marginalized or as powerless groups. Anderson Howell examines how key fandom platforms—including cons, Tumblr, Archive of Our Own, Instagram, Reddit, and TikTok—set up user interfaces that may mask their true values, potentially decreasing access and creating a system by which disability remains stigmatized. Readers will find case studies of fan fiction, disability influencers, anti-fans, trolls, and celebrities. The argument is made for incorporating disability into the analytical tools of fandom so that we may begin with better tools and better questions.

millie bobby brown news: Uncovering Stranger Things Kevin J. Wetmore, Jr., 2018-04-12 The Duffer Brothers' award-winning *Stranger Things* exploded onto the pop culture scene in 2016. The Netflix original series revels in a nostalgic view of 1980s America while darkly portraying the cynical aspects of the period. This collection of 23 new essays explores how the show reduces, reuses and recycles '80s pop culture—from the films of Spielberg, Carpenter and Hughes to punk and synthwave music to *Dungeons & Dragons*—and how it shapes our understanding of the decade through distorted memory. Contributors discuss gender and sexual orientation; the politics, psychology and educational policies of the day; and how the ultimate upper-class teen idol of the Reagan era became *Stranger Things*' middle-aged blue-collar heroine.

millie bobby brown news: Television Show Trends, 2016-2020 Yvonne D. Leach, Nicholas J. Natalicchio, 2023-11-20 What do *Euphoria*, *Normal People*, *Atlanta*, *Ramy*, *Vida*, *I May Destroy You*, *Stranger Things*, and *Lovecraft Country* have in common? In the 2016-2020 time period they were

created, these TV shows exemplified one (or more) of four noteworthy trends: authenticity, diversity, sexual candor, and retrospection. This is the first book to examine live action, fictional television shows produced within a five-year period through the lens of the trends that they epitomize. For each show, the following is discussed: the significance of the platform and the format; the intentions of the creators and showrunners; pertinent background information; similar shows and precedents; the storytelling approach; the cinematic form; and finally, how the show is emblematic of that particular trend. Since trends have the possibility of becoming part of the mainstream, they are important to identify as they emerge, especially for viewers who have a keen interest in narrative television shows.

millie bobby brown news: *Cryptid Tourism* Sara Brooke Christian, 2023-08-07 Monster hunting is more than just going out into the woods or hanging out in graveyards. The history and performance of monster hunting, from Alexander the Great to scientific expeditions of the Victorian era, can lead us directly to modern-day Bigfoot searches. Combining methods of scientific exploration with aspects of tourism theory demonstrates how monster-hunting is performative and, through an analysis tool called The Cryptid Tourist Gaze, this book examines how and why we go looking for monsters and the ways in which small towns celebrate the monsters that once haunted them. By looking at specific museums such as The North American Bigfoot Center and Expedition Bigfoot: The Sasquatch Museum as well as various festivals and conferences such as The Mothman Festival and the UFO Festival in Roswell, we can witness the ways modern monster-hunting practices are performed and see how much they have evolved from their predecessors. Through themes of liminality, community, and initiation, the performance of monster hunting through cryptid tourism allows both participants and observers to gain insight into why looking for monsters, proving their existence, and sharing experiences with other believers is so important.

millie bobby brown news: *Diversity in U.S. Mass Media* Catherine A. Luther, Naeemah Clark, Carolyn Ringer Lepre, 2024-04-30 Provides students with clear and up-to-date coverage of the various areas associated with representations of diversity within the mass media *Diversity in U.S. Mass Media* is designed to help undergraduate and graduate students deepen the conversations around diversity, equity, and inclusion in the media industries. Identifying consistencies and differences in representations of social identity groups in the United States, this comprehensive textbook critically examines a wide range of issues surrounding media portrayals of race, ethnicity, gender, sexual orientation, disability, age, class, and religion. Throughout the text, students are encouraged to contextualize various issues, place one social group within the framework of others, and consider how diverse communities inform and intersect with each other. Now in its third edition, *Diversity in U.S. Mass Media* addresses ongoing problematic portrayals, highlights recent progress, presents new research studies and observations, and offers innovative approaches for promoting positive change across the media landscape. Two entirely new chapters explore the ways identity-based social movements, Artificial Intelligence (AI), gaming, social media, and social activism construct, challenge, and defend representations of different groups. Updated references and new examples of social group depictions in streaming services and digital media are accompanied by expanded discussion of intersectionality, social activism, creating inclusive learning and working environments, media depictions of mixed-race individuals and couples, and more. Offering fresh insights into the contemporary issues surrounding depictions of social groups in films, television, and the press, *Diversity in U.S. Mass Media: Examines the historical evolution and current media depictions of American Indians, African Americans, Latino/Hispanic Americans, Arab Americans, and Asian Americans* Helps prepare students in Journalism and Mass Communication programs to work in diverse teams Covers the theoretical foundations of research in mass media representations, including social comparison theory and feminist theory Contains a wealth of real-world examples illustrating the concepts and perspectives discussed in each chapter Includes access to an instructor's website with a test bank, viewing list, exercises, sample syllabi, and other useful pedagogical tools *Diversity in U.S. Mass Media, Third Edition*, remains an ideal textbook for upper-level undergraduate and graduate courses in Media Communication, Film and Television

Studies, Journalism, American Studies, Entertainment and Media Research, and Diversity, Equity, and Inclusion (DEI).
