Key Elements That Define Magical Romance

Magical romance ebooks are distinguished by their unique blend of romance and fantastical elements. magical romance ebooks: Love Magic and Control in Premodern Iberian Literature Veronica Menaldi, 2021-07-29 This book explores the complexity of Iberian identity and multicultural/multi-religious interactions in the Peninsula through the lens of spells, talismans, and imaginative fiction in medieval and early modern Iberia. Focusing particularly on love magic—which manipulates objects, celestial spheres, and demonic conjurings to facilitate sexual encounters—Menaldi examines how practitioners and victims of such magic as represented in major works produced in Castile. Magic, and love magic in particular, is an exchange of knowledge, a claim to power and a deviation from or subversion of the licit practices permitted by authoritative decrees. As such, magic serves as a metaphorical tool for understanding the complex relationships of the Christian with the non-Christian. In seeking to understand and incorporate hidden secrets that presumably reveal how one can manipulate their environment, occult knowledge became one of the funnels through which cultures and practices mixed and adapted throughout the centuries.

magical romance ebooks: Jewish Love Magic Ortal-Paz Saar, 2017-08-28 Jewish Love Magic: From Late Antiquity to the Middle Ages is the first monograph dedicated to the supernatural methods employed by Jews in order to generate love, grace or hate. Examining hundreds of manuscripts, often unpublished, Ortal-Paz Saar skillfully illuminates a major aspect of the Jewish magical tradition. The book explores rituals, spells and important motifs of Jewish love magic, repeatedly comparing them to the Graeco-Roman and Christian traditions. In addition to recipes and amulets in Hebrew, Aramaic and Judaeo-Arabic, primarily originating in the Cairo Genizah, also rabbinic sources and responsa are analysed, resulting in a comprehensive and fascinating picture. "Due to the general neglect of the topic in previous scholarship, the richness of the research corpus and the scientific precision of the author, Saar's Jewish Love Magic is an important volume that should be on the shelf of every scholar focusing on ancient Jewish magic, but also on Jewish culture and cultural history in general. Furthermore, the book is an enjoyable read also for a non-specialist audience thanks to its clarity and fluency." - Alessia Belusci, Yale University, in: Journal of Semitic Studies 64.2 (2019) "This is a valuable foray into the relationship between institutionalised religion and magic and the complex question of 'legitimacy'. Overall, the book presents a compelling case for the existence of Jewish 'love magic'." -Ann Jeffers, Journal for the Study of the Old Testament 43.5 (2019)
