marvin hagler: *Combat Sports* David L. Hudson Jr., 2009-05-13 Fistic combat represents the greatest human drama in all of sport. Roman gladiators thrilled citizens and emperors alike when they entered the octagon to face an intense, life-threatening experience. Boxing, the sport of kings, also has its roots in the ancient civilizations of Greece and Rome. Banned in 500 A.D. by the Emperor Theodoric, it resurfaced twelve centuries later in England. John Milton praised it as a noble art for building character in young men, and sports writer A.J. Leibling dubbed it the Sweet Science. Many of its major protagonists - men such as Joe Louis, Rocky Marciano and Muhammad Ali - have become transcendent, near-mythic heroes. But boxing is not the only combat sport, and mixed martial arts, in all their ferocious beauty, represent the fastest growing sports genre in the world. Ultimate Fighting Championships (UFC) has joined boxing in paying seven figures to some of its champions, and draws millions in its pay-per-view events. This book details leading figures in boxing,

sumo wrestling, kickboxing, Greco-Roman wrestling, and mixed martial arts (including organizations such as Ultimate Fighting, PRIDE, K-1, Total Combat, and SportFighting). Over 150 entries cover champions, contenders, and other famous combatants from all over the world, as well as legendary promoters, managers, trainers, and events. Also included in this encyclopedia are sidebars on controversies, highlights, brief bios, and other noteworthy events, along with a general timeline. .

All these larger-than-life characters had one thing in common - talent in abundance. Some used it, others wasted it. A Many big-draw fighters were born on the wrong side of the tracks, while others seemingly made a beeline for oblivion. Eight-times married conman Kid McCoy took his own life. The fearless Stanley Ketchel was shot dead by a jealous farm worker. The enigmatic Battling Siki used to parade a lioness down the boulevards of Paris, while the unpredictable Chris Eubank enraged the establishment with his eccentric lifestyle. Mean and moody Sonny Liston died in mysterious circumstances. The brilliant Aaron Pryor fell victim to America's drug culture. Roberto Duran once knocked over a horse in anger, while beer-guzzling Tony Galento threatened to 'moider da bums'. Here, Thomas Myler brilliantly brings to life all these and many more unforgettable fighters.

marvin hagler: **Third Man in the Ring** Mike Fitzgerald, Patrick Morley, 2014-06-19 Officiating a professional boxing match can be a thankless job. When a match goes well, no one focuses on the referee. But when a controversy arises, everyone remembers the man who made the call. *Third Man in the Ring* explores the lives of thirty-three officials as they discuss what goes on inside the ropes and recount the disputes and clashes that have occurred when they worked at home and abroad. The referees share stories from the high-profile fights they worked, with such superstars as Oscar De La Hoya, Manny Pacquiao, Floyd Mayweather Jr., Muhammad Ali, Mike Tyson, Evander Holyfield, Larry Holmes, and Julio Cesar Chavez. Readers will hear from Rudy Battle, the first ref to officiate a title fight in an Eastern bloc country, and about Mills Lane, the third man during the infamous Mike Tyson/Evander Holyfield ear-biting match. Several officials reveal memorable moments such as arbitrating contests in nations experiencing civil unrest. One referee admits fearing for his life after disqualifying a hometown hero in front of a packed stadium, while another recalls his experience officiating in communist North Korea. MMA legend Big John McCarthy describes from his experience the differences between officiating a boxing contest in a traditional ring versus the increasingly popular mixed martial arts (MMA) events held in a cage. Readers will also hear stories from refs who have gone Hollywood, consulting on film sets alongside such legends as Sylvester Stallone. ***** By the late 1970s, boxing had lapsed into a moribund state and interest in it was on the wane. In 1980, however, the sport was resuscitated by a riveting series of bouts involving an improbably dissimilar quartet: Sugar Ray Leonard, Marvellous Marvin Hagler, Thomas Hearns and Roberto Duran. Like Ali and Frazier, Dempsey and Tunney, Robinson and LaMotta, the 'Four Kings of the Ring' brought out the best in each other, producing unprecedented multi-million-dollar gates along the way. Each of the nine bouts between the four men was memorable in its own way and at least two of them - Leonard-Hearns in 1981 and Hagler-Hearns in 1985 - are commonly included on any list of the greatest fights of all time. The controversial outcome of another - the 1987 Leonard-Hagler fight - remains the subject of heated debates amongst fans to this day. In Four Kings, award-winning journalist George Kimball documents the remarkable effect they had on the sport and argues that we will never see their likes again. Leonard, Hagler, Hearns and Duran didn't set out to save boxing from itself in the post-Ali era, but somehow they managed to do so.
