The Magic Strings of Frankie Presto by Mitch Albom | Summary & Analysis Preview: The Magic Strings of Frankie Presto by Mitch Albom is a novel about the fictional musician Frankie Presto and his amazing journey through music and life. Frankie's life story is told from the perspective of music, a fictional narrator. This is fitting, given that Frankie was one of the world's greatest guitarists. The story, however, begins at its end: Frankie has died during a music festival. During a performance, his body levitates and then drops to the stage. The novel opens at Frankie's funeral, where music-industry figures—including nonfictional musicians such as Lyle Lovett and Ingrid Michaelson—have gathered to pay their respects and share their thoughts about the deceased guitarist. Music, the narrator, uses the opportunity of the funeral to reflect on Frankie's life...

mitch albom ebook download: *Tuesdays with Morrie* Mitch Albom, 1997 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.
