online bible commentary pdf: Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology: it analyzes all the major eschatological passages (including the Olivet Discourse and the book of Revelation), issues (including the second coming of Christ, the millennium, the rapture, and Antichrist), and positions (including all the major views of the millennium) in a clear, but not superficial, way. The book concludes with a chapter showing how eschatology is relevant for our lives. Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature, by showing the history of eschatological thought, and by placing eschatology in the context of the Bible's overall story line and structure. Clarity and understanding are enhanced by the use of comparative tables and appendices. Subject and Scripture indexes are included. The book interacts with the best of Evangelical and Reformed scholarship, and the extensive bibliography (which includes the web addresses of many online resources) provides an excellent source for the reader's further study. This is a perfect resource for intelligent Christians, including pastors, students, and teachers, who desire to understand eschatology and to see how it fits together with the rest of the Bible.

online bible commentary pdf: Die Briefe des Johannes Jürg Buchegger-Müller, 2024-01-31 Die Johannesbriefe stehen aufgrund ihrer Kürze oft im Schatten anderer neutestamentlicher Schriften. Das ist Grund genug, ihnen einen sehr ausführlichen Kommentar zu widmen. Buchegger-Müller versteht den 2. und 3. Brief als Privatschreiben, den 1. als pastorales Rundschreiben: Nach einem Trennungskonflikt greift Johannes die christologischen Zweifel derer, die die Gemeinschaft verlassen haben, auf und stärkt damit die verbliebenen Christen. Die Christologie der Briefe ist nicht zuletzt im Blick auf das Jesusbild des Korans relevant. Wie von der HTA-Reihe gewohnt, ist auch dieser Band exegetisch tiefgehend und zugleich bedeutsam für die Praxis.

online bible commentary pdf: The Oxford Handbook of the Bible in America Paul C. Gutjahr, 2017 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible, it is easy to overlook the central fact that it was a book-not a geographic location, a monarch, or even a shared language-that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture. Few books can lay claim to such powers of civilization-altering influence. Among those which can are sacred books, and for Americans principal among such books stands the Bible. This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions. It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power, as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy. This Handbook brings together a number of established scholars, as well as younger scholars on the rise, to provide a scholarly overview--rich with bibliographic resources--to those interested in the Bible's role in American cultural formation.

online bible commentary pdf: *The Seven Guardians* Jacqueline Ferguson, 2021-08-25 Guided by Spirit to write *The Seven Guardians*, this book describes the incredible path Miryam the Migdalah (Mary Magdalene) envisioned within her heart, guided by her beloved risen Yeshua (Jesus). Following the resurrection, Yeshua appeared to Miryam in her inner vision, confirming she was an advanced disciple with the ability to “see” the multidimensionality of the Universe beyond the Earth realm. This vision also validates their unique relationship; he loved her the most, and she loved him with a devotion that transcends death. *The Seven Guardians* is a path to rediscovering the importance of Miryam in the ministry of Yeshua as a fully realized human and divine, as well as a leader of the Nazarenes. This is the way of the heart, a path for all humans to follow to become *ihidaya*, enlightened ones, while embodied in this lifetime. *The Seven Guardians* relies on scholars, theologians, and authors who translated *The Gospel of Mary*, found in the desert of Egypt and *The Gospel of the Beloved Companion*, *The Complete Gospel of Mary*. It also relies on other apocryphal gospels recently translated, *The Gospel of Phillip*, *Thomas*, *The Pistis Sophia* and others, to validate the information. In discovering how patriarchy has affected our world today, this book includes personal stories, mystical experiences, and direct communication with Infinite Love to help us recognize how balancing our masculine and feminine energies are of paramount importance for humanity and Earth to evolve and survive. It is now time for us to reunite the light of our Divine Mother and Divine Father into our hearts to awaken our own Christ consciousness.

online bible commentary pdf: *Herausforderung Suizid* Gilsu Jang, 2022 Diese Arbeit ist ein Versuch, die theologische Auseinandersetzung über den Selbstmord im Zeitalter der Aufklärung zu rekonstruieren und ihre Argumentationsmuster zu analysieren - mit der Frage: Welche Relevanz könnte die theologische Suiziddebatte der Aufklärungszeit für die Situation in Korea haben? Denn der Suizid ist in Korea längst zu einem gesellschaftlichen Problem geworden. Viele Kirchen reagieren aber mit einem einfachen Satz, dass Selbstmord Sünde sei, auch sei die Verdammung gewiss. Wann liegt die Handlung Selbstmord konkret vor, und hat die christliche Verdammungsgewissheit noch ihre Daseinsberechtigung?

online bible commentary pdf: *First-Degree Incest and the Hebrew Bible* Johanna Stiebert, 2016-10-20 'Incest' refers to illegal sexual relations between family members. Its precise contours, however, are culturally specific. Hence, an illegal incestuous union in one social context may be a legal close-kin union in another. First-degree sexual unions, between a parent and child, or between siblings, are most widely prohibited and abhorred. This book discusses all overt and covert first-degree incest relations in the Hebrew Bible and also probes the significance of gaps and what these imply about projected sexual and social values. As the dominant opinion on the origin of first-degree incest continues to be shaped, new voices such as those of queer and post-feminist criticism have joined the conversation. It navigates not only the incest laws of Leviticus and the narratives of Lot and his daughters and of Amnon and Tamar but pursues subtler intimations of first-degree sexual unions, such as between Adam and his (absent but arguably implied) mother, Haran and Terah's wife, Ham and Noah. In pursuing the psycho-social values that may be drawn from the Hebrew Bible regarding first-degree incest, this book will provide a thorough review of incest studies from the early 20th century onward and explain and assess the contribution of very recent critical approaches from queer and post-feminist perspectives.

Rhodes allows for various interpretations among Christians. Yet the

sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

online bible commentary pdf: Rhetorics of Race and Religion on the Christian Right Samuel P. Perry, 2019-11-20 As the first African American president, Barack Obama faced unique challenges and obstacles when addressing issues of race. While rhetorical attacks on the basis of race directed at Obama were not unexpected, many of the most consistent racially-motivated criticisms of Obama were associated with his religious identity. The Jeremiah Wright controversy gave way to the birther and 'secret Muslim' conspiracy theories, while anxieties about Obama's identity proved particularly potent as modes of political attack in the context of the war on terror. This book examines the ways in which those attacks often originated in the rhetoric of the Christian Right and the ways in which these theories circulated amongst the Christian Right. Perry argues that the intersections of race and religion in American politics produced rhetoric that often caricatured Obama as un-American, anti-Christian, and an enemy of the state. By exploring the arguments used to cultivate these characterizations and tracing the roots of conspiracies that worked to delegitimize Obama's religious identity through racial claims and stereotypes, a clearer picture emerges of what is at stake when people can no longer separate religious convictions from political arguments.
